I am out of town but wanted to provide a brief public comment for Agenda item 9.A. on the July 18th Board of Supervisors meeting. Thank you.

Dear Mono County Board of Supervisors:

As an Advisory Board member to the Tri-Valley Groundwater Management District Board of Directors, I strongly support the recommended action on the July 18, 2023 Agenda item 9.A. for Mono County to provide an election in November of 2023 for the TV district. The TVGMD has significant and urgent work to do that will have long-term impact on local people, ecosystems, and the economy. That work can best be done with a full slate of board members.

With best regards,
Betsy McDonald
