Introduction

Mono County Tourism/Silver Lake & Carson Peak

Mono County, California, is a rural county situated between the crest of the Sierra Nevada and the Nevada border. Accessed by US Highway 395 which weaves its way north-south and is a state-designated Scenic Byway from its southern boundary all the way to Walker in the north, Mono County is 108 miles in length, and has an average width of only 38 miles. With dramatic mountain boundaries that rise in elevation to over 13,000 feet, the county's diverse landscape includes forests of Jeffrey and Lodgepole pine, juniper and aspen groves, hundreds of lakes, alpine meadows, streams and rivers, and sage-covered high desert. The county has a land area of 3,030 square miles, or just over 2 million acres, 94% of which is publicly owned. Much of the land is contained in the Inyo and Humboldt-Toiyabe National Forests, as well as the John Muir and Ansel Adams Wilderness areas. As a result, Mono County offers vast scenic and recreational resources, and has unsurpassed access to wilderness and outdoor recreation and adventure.

The county is home to, and named after, Mono Lake, which is a large high-desert saline lake with intriguing limestone tufa formations and is a vital habitat for millions of migratory and nesting birds. Mono Lake is just one of the reasons that Mono County draws landscape photographers year-round. Another highlight is the historic gold rush town of Bodie, which during its heyday in the late 1800s, was home to as many as 10,000 people, and is now maintained as a State Historic Park with about 200 buildings still standing as they were left, preserved in a state of "arrested decay" for visitors to enjoy. Other natural wonders that attract people to Mono County include Devils Postpile National Monument, one of the world's finest examples of columnar basalt and the headwaters of the Owens and Middle Fork San Joaquin Rivers; two of the state's most important watersheds. Yosemite National Park's eastern entrance at Tioga Pass is only 12 miles from Lee Vining and Mono Lake.

Mono County Tourism/Bodie

Mono County has several small towns and charming villages, each with its own scenic beauty, year-round recreational opportunities, natural and historical attractions, and unique characteristics. The County seat is proudly located in Bridgeport, where the original 1881 courthouse is the second oldest in the state to be in continuous use. The only incorporated town in the county is Mammoth Lakes, which is located at the base of world-renowned Mammoth Mountain Ski Area, with a summit of 11,053 feet, over 3500 skiable acres, 28 lifts, and an average of 400 inches of snowfall annually. January 2017

Mono County Tourism/Bridgeport Courthouse

recorded historic amounts of snow, with 20.5 feet accumulating in Mammoth during that month alone. Approximately 7,500 people reside in the Mammoth Lakes area year-round, and during the peak winter season, the population swells to over 35,000 when visitors from around the state, country, and world come to ski, snowboard, and take part in many other winter activities. The sister resort, June Mountain, just 20 miles north of Mammoth, offers uncrowded, wide-open slopes and a more peaceful, family-friendly alternative to busier ski areas.

Mono County Tourism/Mammoth Mountain Ski Area

Summer, however, is when Mono County really shines. The region offers countless miles of alpine hiking, superb trout fishing at dozens of well-stocked lakes, streams and rivers, kayaking, cycling, horseback riding, golfing, and endless warm-weather adventures. Photographers flock to the county in September and October when it is almost impossible to take a bad photo of the fall color that lights up the Eastern Sierra landscape. *Sunset Magazine* named Mono County one of the “Top 5 places to Hike” in autumn and *TravelAndLeisure.com* listed Mono County as one of “America’s Best Fall Color Drives.”

Mono County Tourism/Lake Mary

A wide variety of lodging, restaurants, and shops are available throughout the county, and commercial air service to Mammoth Yosemite Airport, just a 10-minute drive from the Town of Mammoth Lakes, is accessible non-stop and year-round from Los Angeles, and seasonally from many other airports. Air services are offered through United Airlines and JetSuiteX.

State and Federal General Guidelines

The Mono County Board of Supervisors supports the general guidelines set forth below. County staff will apply these guidelines in evaluating State and Federal legislation, as well as executive and regulatory actions. It is the Board's objective to implement these guidelines.

To support the County's service to the community, the County should:

- Support legislative and budget efforts that protect and/or enhance local government revenues, maximize the County's access to state and federal funding sources, and/or increase local funding flexibility;
- Oppose any effort to balance the State budget through the taking of local government resources;
- Support legislation that protects the County's quality of life and diverse natural resources, while preserving the essence and historic values of the County;
- Support legislation that provides tax and funding formulas for the equitable distribution of state and federal monies while opposing attempts to decrease, restrict, or eliminate County revenue sources;
- Support legislation and budget action which provides additional and continued funding for local road infrastructure, including complete street features;
- Oppose legislative and administrative actions which would create federal unfunded mandates and/or preempt local decision-making authority;
- Support legislation that realigns governmental services in such a manner as to improve the delivery of services and make government more accountable to the people;
- Support the promotion of tourism, recreation, sustainable fisheries, filming, and a diversified local economy in the Eastern Sierra to achieve strong economic growth and prosperity;
- Continue to support legislation that honors our veterans for their service to our country;
- Support efforts that further the strategic directions outlined in the County's Strategic Plan;

- Engage on any proposals to repeal or additionally alter the Affordable Care Act (ACA), which provides Mono County citizens the ability to obtain affordable health care;
- Support efforts to combat climate change;
- Support legislation that seeks to address the insufficient quantity and quality of homes affordable to our residents.

State Priorities

1. **Protect County revenue sources** – Many County programs are at risk due to the instability of State funding. The Board of Supervisors supports efforts to sustain funding, enabling the continuation of critical programs for Mono County’s constituents.

2. **Encourage regulation relief/reform** – Mono County applauds California’s efforts to protect the environment. The Board supports efforts to achieve responsible regulation relief in the following areas:
 - a. **Provide regulatory relief for solid waste operations** –
 - i. Continue to provide regulatory relief to rural jurisdictions from statewide solid waste and recycling mandates when recycling infrastructure does not yet exist and causes significant transportation costs and emissions.
 - ii. Provide funding for the siting and development of recycling infrastructure, and/or develop policies within state agencies and businesses such as Caltrans, Los Angeles Department of Water and Power and Southern California Edison for the local re-use of materials (glass cullet, wood chips) when generated in rural areas.

 - b. **Support CARB compliance legislation** – Support legislation regarding California Air Resources Board (CARB) compliance to assist rural counties with the costs associated with State mandated compliance.

 - c. **Support environmental processing legislation** – Support legislation that streamlines environmental processing, including the application of certain urban exemptions under the California Environmental Quality Act (CEQA) to rural communities.

 - d. **Support regulation of short-term rental online platforms** – Online short-term rental platforms are unregulated, leaving accountability and compliance issues to local jurisdictions. Mono County urges the legislature to support regulation of short-term rentals to ensure an even playing field with traditional commercial lodging, require accountability, provide for tax collection, and support compliance at the state and local levels.

 - e. **Ensure adequate oversight of state requirements for commercial cannabis activities** – Mono County is concerned about the state’s allocation of resources for monitoring and inspection of commercial cannabis permits to ensure compliance with state requirements, particularly in rural areas like Mono County. Where oversight is delegated to local agencies, such as the Agricultural Commissioner, adequate funding should also be provided. Where oversight is

retained by the state, state agency staff should have adequate on-the-ground presence to ensure accountability and compliance without increasing the burden on local jurisdiction staff.

3. Natural Resources, Public Lands and Agriculture

- a. **Support sustainable funding for State parks** – Continue to support measures to sustain our State parks, roads that access these parks, and recreation programs for the continued enjoyment of visitors and residents. Closure or underfunding of these parks would result in a significant negative economic impact on our County as tourism and recreation are our most important economic drivers.
- b. **Protect our communities from wildfire and promote forest health** – Consistent with Governor Brown's 2018 Executive Order on Forest Management, support a balanced approach to fuels management that increases funding and capacity for community protection and, also, considers air quality and other health related issues within the Great Basin Unified Air Pollution Control District.
- c. **Support programs and policies that promote the creation of both state and local disaster prevention and planning policy.**
- d. **Support continued and enhanced state funding for non-native, invasive plant management programs** – After years of no state funding allocation, weed management area groups throughout the state will have funding opportunities in the coming budget year. These programs are critical to the protection of our local and statewide environment, and have proven positive effects on natural fire regimes, species diversity, watershed health, and many other concerns. State funding for these programs should be maintained and enhanced if possible.
- e. **Ensure full funding of Department of Fish and Wildlife Hatchery and Inland Fisheries Program (AB 7- 2006)** – In 2006, AB 7 dedicated by law one third of all sport fishing license fees to be used for adequate stocking of Department of Fish and Wildlife Hatcheries. Beyond the funding dedication, AB 7 dictated the size of fish to be stocked. Recent DFW actions, as well as state budget actions, have reduced the size of the stocking fish and not fully directed the fee funding to this program. Mono County supports the original intent including all funding being directed to the hatchery program, fish size, and reproducing diploid fish countywide as described in the original legislation.
- f. **Support sustainable fishing** – Support the funding of efforts to enhance the fish population in Mono County including sustainable fishing, ongoing fish stocking,

education for proper catch and release practices, protection of spawning waterways, and support of the California Department of Fish and Wildlife stocking of diploid trout in allowable waters.

- g. **Support bio-energy action plan development** – We encourage the various state agencies involved to continue evolving this field of work to produce cleaner, more affordable technology based on sustainable and healthy forestry principles in a manner that benefits rural Sierra economies. Mono County has encouraged state agencies, such as the Sierra Nevada Conservancy (SNC) and California Energy Commission (CEC) to provide funding for project scoping and planning.
- h. **Support legislation that promotes, protects, or facilitates the sustainability of our local agriculture** – Mono County agriculture is an important local economic driver. It provides jobs and contributes to the open-space landscape that draws visitors. Reinstating Williamson Act subventions and continuing to develop alternative funding measures, such as the Strategic Growth Council’s Sustainable Agricultural Lands Conservation Program.
- i. **Support legislation and funding that eases the burden of implementing the Sustainable Groundwater Management Act, including creating necessary infrastructure in rural, sparsely populated areas** – The Sustainable Groundwater Management Act provides for local agencies to develop groundwater sustainability plans and, pursuant to those plans, sustainably manage groundwater resources. The funding mechanism for these activities provided in the law is for local agencies to impose fees on water users. Areas subject to the Act in Mono County are sparsely populated and primarily in agricultural production. Accordingly, very few individuals (less than a dozen) would have to bear the significant burden of funding compliance with the Act. This raises real concerns regarding the future of Mono County’s agricultural operations.
- j. **Continued engagement in Bi-State Sage Grouse conservation efforts** – Mono County appreciates the State’s increased role in sage-grouse conservation efforts and addressing the threat posed by the Los Angeles Department of Water and Power’s (LADWP’s) dewatering of Long Valley, a key habitat area for the South Mono Population Management Unit. The California Department of Fish and Wildlife is a significant player in this conservation effort. Ultimately, continuation of the collaborative multi-party partnership, strengthened by cooperative engagement by LADWP, would be the ideal outcome to warrant a new decision not to list the species under the federal Endangered Species Act. If listed, the result could be an additional regulatory burden with devastating impacts to our agricultural and recreational activity-based economy.

4. **Public Safety and Criminal Justice**

- a. **Advocate for local impacts of cannabis legislation** – Advocate for local control, taxation and funding for addressing the environmental, land use, and public safety impacts of the cultivation of cannabis.
- b. **Ensure State realignment & cost-shifts** – Continue to ensure successful implementation of the broad array of programs transferred to county jurisdiction under the 2011 Public Safety Realignment, including appropriate distribution of AB 109 funding. Support state policy changes that will allow for greater administrative and program flexibility for county programs associated with this shift of responsibility.
- c. **Support of rural fire districts** – The population of Mono County is highly rural and dependent upon voluntary associations that provide basic emergency services. These volunteer fire districts provide services to residents and tourists, and they are often the first responders to accidents. Support relief for rural fire districts.
- d. **Advocate for Community Paramedicine** – Advocate for the State Emergency Medical Services Agency (EMSA) to expand the current number of EMS Programs participating in the Community Paramedicine Demonstration Project.
- e. **Support elimination of Juvenile Housing Fees** – Support proposals to eliminate the fee paid by counties to house juveniles at the Division of Juvenile Facilities. The fee is currently \$24,000 per juvenile committed and counties are not funded for this.

5. **Transportation and Infrastructure**

- a. **Support action for transportation funding** – Support the multiple transportation funding sources that provide for improved transportation systems and multimodal networks, including SB 1 as enacted and delivery of projects that rehabilitate and improve local roads and related infrastructure.
- b. **Support State highway access** – Mono County supports budget policy and legislation to fund rehabilitation of the Bodie Road (Highway 270) that provides access to Bodie State Park and to facilitate early Sierra Pass openings (including Highways 120 and 108).
- c. **Support complete streets and walkable community principles** – Mono County is a strong supporter and advocate of the complete streets and walkable

community principles in the 2040 California Transportation Plan. This focus is a transportation paradigm and culture shift that will impact projects from initiation to completion and maintenance. Recently, local jurisdictions have been increasingly tasked with the funding and maintenance of complete street features on state facilities such as state highways. These responsibilities lie with the state, and a corresponding shift in the functioning and funding of Caltrans is needed to ensure success.

- d. **Support continued rural broadband deployment and communications improvements through local, State, and Federal policy advocacy, infrastructure projects, and grant programs** – Having appropriate policy at the local, State, and Federal levels is imperative to ensure adequate communications connectivity – which is a critical part of public safety and economic development. Because Mono County has dedicated resources to improve access to high-quality broadband in our communities and as a result of the completion of the Digital 395 project, roughly 90% of our households have access to Gigabit internet. Unfortunately, several Mono County communities and residents still face barriers to connectivity as there is inadequate infrastructure to support basic Plain Old Telephone Service (POTS) telephone service, let-alone high-speed Internet. In order to improve the landscape, the County should advocate for:
- i. Policies, regulations, and enforcement around providers delivering basic POTS services to all locations desiring this service, including 24/7, reliable 911 service;
 - ii. Appropriate and effective definitions of ‘broadband’ which recognize the importance of technology and dependence on the internet for public safety and economic development;
 - iii. Legislation and associated programs that provide funding for broadband infrastructure projects and adoption/education efforts;
 - iv. Programs and efforts that move to improve the accuracy of metrics used to represent the current state of broadband in Mono County;
 - v. Legislation and associated programs which strive to improve the overall state of emergency communications in rural communities.

6. Administrative and Fiscal Services

- a. **Support Clerk/Recorder Services and Elections Administration improvements** – Support resources for improving county record-keeping services and election administration, and monitor legislation that may impact the following:
- i. Recording fees and process, and recorded documents;
 - ii. Vital statistic fees and process;
 - iii. Public records;
 - iv. Unfunded mandates;

- v. Vote-by-mail, voter registration, election management systems, elections process, and election equipment;
 - vi. Funding for records preservation (such as Board of Supervisors historic records);
 - vii. Funding for modernization of elections equipment.
- b. **Support Vote-by-mail legislation** – Support legislation to authorize vote-by-mail ballot elections for rural counties.
 - c. **Support leveraging SB2 Recording fees to return to Mono County for housing.**
 - d. **Support the full funding of all Payment In Lieu of Taxes (PILT)** – Support legislation and budget efforts that provide for payment of past due balances and continue to maximize the PILT revenue to counties and maintain full funding of PILT without restrictions beyond the current authorization.
 - e. **Oppose legislation that would limit and/or impose significant procedural or substantive barriers to counties’ ability to contract for services.**
 - f. **Pursue county line adjustments with Madera and Inyo.**

7. Health and Human Services

- a. **Ensure State and Federal Healthcare Reform has equitable funding formulas for rural counties** – Affordable Care Act (ACA) implementation began in 2014, and it is vital that local government funding streams reflect equitable distribution formulas to service our rural constituents. Securing adequate funding to sustain health care reform measures is important to Mono County. Key issues include Medi-Cal expansion and funding for these mandates and continuation of 1991 realignment allocation/amounts.
- b. **Advocate for a level of funding that enables counties to properly administer the Medi-Cal program on the state’s behalf.**
- c. **Support improvements to Medi-Cal** – Support the streamlining of the Medi-Cal administration and improve access to health coverage for uninsured families.
- d. **Support measures that establish full and continued State and federal funding of the IHSS program** and continuance of the Maintenance of Effort funding structure.

- e. **Support a funding methodology and assumptions that enable counties to properly administer the In-Home Supportive Services program on the state's behalf.**
- f. **Support County implementation of the Continuum of Care Reform** – Support adequate funding for county implementation of the Continuum of Care Reform including continued funding for the Foster Parent Recruitment, Retention, and support fund administered through local child welfare services (CWS) agencies that are dedicated to the recruitment, retention, and support of resource families so that they may provide stable, loving homes for children in the foster care system.
- g. **Support affordable housing** – Support State laws that support affordable housing and broaden the opportunities and reduce barriers for local government, and non-profit housing entities and instrumentalities of government to increase homeownership and the creation of rental housing. This includes repealing of California State Constitution Article XXXIV. In addition, support increased financing, subsidy options, and tax incentives to support development of new, affordable housing units in rural communities such as Mono County.
- h. **Support legislation that provides funding to support the Local Primacy Agency (LPA) program that ensures safe drinking water to Mono County residents.**
- i. **Support funding opportunities for environmental health regulation** – Support funding opportunities including fees for State mandates related to environmental health regulation of food establishments, sewage disposal facilities, water systems, well construction, swimming pools, and recreational health facilities, occupied housing, underground storage tank facilities, solid waste facilities, land use development, rabies and vector control, and the management of hazardous waste/materials.
- j. **Support legislation, funding opportunities, and multidisciplinary efforts to provide harm reduction and addiction services in Mono County.**
- k. **Support legislation for health providers** – Support legislation and advocate for increasing the number of dental and medical providers in rural counties. , especially those who accept Medi-Cal and Denti-Cal insurance.
- l. **Support legislation that would increase the number of volunteer Emergency Medical Technicians** – current licensing requirements are onerous and deter volunteer first responders from seeking EMT licenses.

- m. **Support legislation for public health programs** – Support legislation and programing, and advocate for upstream approaches to health and preventative public health programs including Maternal, Child, and Adolescent Health (MCAH), Oral Health, Tobacco Education, Women, Infants and Children (WIC), Emergency Preparedness, Communicable Disease, HIV/STDs, and Immunizations.

8. Economic Development

- a. **Support new and current business development** – Support legislation and programs that support economic development efforts that augment and promote business retention and expansion, as well as create an environment conducive to new business attraction.
- b. **Support of commercial filming** – Support bills and initiatives to attract and retain film production in the state as increased filming statewide will result in commercial opportunities for commercial filming projects in Mono County.
- c. **Support tourism and recreation economy** – Support legislation that strengthens the tourism and recreation economy, including the formation of a State Office of Outdoor Recreation.

Federal Priorities

1. **Support Funding/Program Preservation** – Support legislative, regulatory, and budget efforts that protect and/or enhance local government revenues, maximize the County’s access to federal funding sources, and/or increase local funding flexibility. Oppose legislative and administrative actions that would create federal unfunded mandates and/or preempt local decision-making authority. Strongly encourage Congress and the President to commit to negotiate successfully so as to avoid any future Federal Government shutdowns.
 - a. **Support Sustainable Funding for Secure Rural Schools** – Support legislation that creates a sustainable revenue stream for Secure Rural Schools, such as the Forest Management for Rural Sustainability Act.
 - b. **Support the full funding of all Payment in Lieu of Taxes (PILT)** – Support legislation and budget efforts that continue to maximize the PILT revenue to counties and continue full funding of PILT without restrictions beyond the current authorization.
 - c. **Support full federal funding for the United States Department of Agriculture (USDA) Rural Development (RD) Programs** – Support funding for community development programs and affordable housing such as the Section 502 Direct Loan Program and the necessary program staff to implement these programs.
 - d. **Support full and expanded federal funding for Housing and Economic Development programs** – Support the highest possible funding level for key federal housing and economic development programs, including the Community Development Block Grant (CDBG), the HOME Investment Partnership Program, and the creation of a minimum four percent Low Income Housing Tax Credit floor.
 - e. **Support continued rural broadband deployment and communications improvements through local, State, and Federal policy advocacy, infrastructure projects, and grant programs** – Having appropriate policy at the local, State, and Federal levels is imperative to ensure adequate communications connectivity, which is a critical part of public safety and economic development. Because Mono County has dedicated resources to improve access to high-quality broadband in our communities and as a result of the completion of the Digital 395 project, roughly 90% of our households have access to Gigabit internet. Unfortunately, several Mono County communities and residents still face barriers to connectivity as there is inadequate infrastructure to support basic Plain Old Telephone Service (POTS) telephone service, including cellular phone

service, let-alone high-speed Internet. In order to improve the landscape, the County should advocate for:

- i. Policies, regulations, and enforcement around providers delivering basic POTS services to all locations desiring this service;
- ii. Appropriate and effective definitions of 'broadband' which recognize the importance of technology and dependence on the internet for public safety and economic development;
- iii. Legislation and associated programs that provide funding for broadband infrastructure projects and adoption/education efforts; Programs and efforts that move to improve the accuracy of metrics used to represent the current state of broadband in Mono County.

f. **Support legislation that promotes, protects, or facilitates the sustainability of our local agriculture** – Mono County agriculture is an important local economic driver, provides jobs, puts food on the table and contributes to the open-space landscape that draws visitors.

g. **Support Economic Development resources** –

- i. Support legislation and federal programs that provide access to small business capital for local business development through the Small Business Administration, Small Business Development Corporation and other government loan and financial programs;
- ii. Support legislation and federal programs that promote locally-based business retention and expansion, as well as create an environment conducive to new business attraction;
- iii. Support initiatives to attract commercial filming opportunities to the region: in particular, budgetary allocations that increase capacity for processing special use permits on the Inyo and Humboldt Toiyabe National Forests;
- iv. Support bills, initiatives, and programs that strengthen the tourism and recreation economy.

2. **Natural Resources, Public Lands, and Agriculture** – Support legislation that promotes agriculture and that protects the County's quality of life, its diverse natural resources, and preserves the essence and history of the County, along with legislation that provides adequate funding for stewardship of our public lands.

a. **Support sustainable funding for federal public lands** – Support measures to sustain our federal lands. Closure or underfunding of these lands managed by the US Forest Service, Bureau of Land Management and National Park Service would result in a significant negative impact to our county as tourism and recreation are our economic drivers.

- b. **Support outdoor recreation economy and public lands** – Support the enacted 2016 Outdoor Recreation and Jobs Act and the effort to measure the outdoor recreation economy’s contribution to the US Gross Domestic Product. Once the federal government fully understands the economic benefits of outdoor recreation, land management agencies and local governments will have necessary data to measure the impact of the recreation economy and the key role that sustainable recreation needs to play in the management decisions of public lands agencies.
- c. **Support special designations** – Support special use designations for public lands such as National Scenic Areas, Wild & Scenic Rivers, Wilderness, National Monuments, National Conservation Areas, when demonstrated conservation values and public support warrant such designations.
- d. **Oppose public lands disposal** – Oppose the large-scale sale, transfer or "disposal" of public lands except for strategic, widely supported transfers or exchanges for management and boundary adjustments with demonstrated public benefit.
- e. **Support wildfire funding and fuels reduction** – Support immediate enactment of legislation to change the method of funding wildfire suppression on National Forests by providing access to funding outside of the statutory discretionary limits for emergency purposes and for investment in additional resources for forest management/fuels reduction to mitigate wild fire risk to communities and increase forest health.
- f. **Support public land infrastructure** – Support increased funding for public land management agencies to address deferred maintenance of infrastructure in forests, national parks and reserves that rural counties depend on for tourism and recreation-based economies.
- g. **Support Mill City Cabin Tract funding/regulatory relief** – Support administrative and legislative solutions for funding and/or regulatory relief for the cleanup of contaminated soils at the Mill City recreation residence tract on the Inyo National Forest in Mammoth Lakes.
- h. **Support land management directives** – Support Mono County’s tourism and recreation economy by ensuring funding, programs, and management directives for federal land agencies (including the Land & Water Conservation Fund) that facilitate the planning, building, and maintenance of infrastructure for sustainable recreation, travel, and commercial film permitting on public lands.

- i. **Support sustainable fishing** – Support the funding of efforts to enhance the fish population in Mono County including sustainable fishing, ongoing fish stocking, education for proper catch and release practices, protection of spawning waterways, and support of the California Department of Fish and Wildlife stocking of diploid trout in allowable waters.
- j. **Support the control of invasive species** – Support control and mitigation for the spread of invasive species to protect, conserve, and restore public and private lands.
- k. **Support biomass project development** – Support legislation that encourages the US Forest Service (USFS) and Bureau of Land Management (BLM) to continue actively promoting and assisting with biomass project development.
- l. **Support alternative energy** –
 - i. Support local efforts to develop renewable, distributed energy sources including but not limited to environmentally and appropriately scaled biomass, solar, and wind, while ensuring projects and their supporting infrastructure (i.e. transmission lines, pipes lines, towers, service roads) does not degrade the County’s quality of life, natural or visual resources, water or essence and history;
 - ii. Continue to support geothermal power production that is environmentally sustainable and doesn’t negatively affect local domestic water supplies.
- m. **Support Devils Postpile National Monument legislative requests** – Support legislation to authorize a boundary adjustment request, and to designate a portion of the Middle Fork San Joaquin River as Wild & Scenic, as described in Devils Postpile National Monuments 2015 Management Plan.
- n. **Support endangered species conservation** – Support a balanced approach to the implementation of endangered species regulation with impacts to the rural economy and communities of Mono County. Mono County is fortunate to have a rich natural heritage that should be conserved, and it supports the need to protect and recover imperiled species. These conservation measures must be weighed and balanced against impacts to the fragile tourism and recreation-based rural economy and local communities, and every effort must be made to protect private property rights and avoid detrimental impacts to county residents.
- o. **Support sage grouse conservation** – Mono County appreciates the US Fish and Wildlife Service’s strong support of the multi-party, collaborative Bi-State Sage grouse conservation effort, including addressing the threat posed by the Los Angeles Department of Water and Power’s (LADWP’s) dewatering of Long Valley

and ensuring funding commitments are met and honored by federal agencies. Ultimately, continuation of the collaborative partnership, strengthened by cooperative engagement by LADWP, would be the ideal outcome to warrant a new decision not to list the species under the federal Endangered Species Act. If the bird is listed, the result could be an additional regulatory burden with devastating impacts to our agricultural and recreational activity-based economy.

- p. **Support legislation to avoid landfilling of waste originating on Federal Land** - Develop policies and programs that successfully re-use, recycle and transform resources that originate on USFS, BLM, and DOD lands. Support policies that reduce the impacts of Federally-generated waste on local jurisdictions' waste management systems, and/or support policies that enhance local systems to effectively manage Federally-generated waste.

3. **Public Safety and Criminal Justice**

- a. **Support full funding of Byrne Justice Assistance Grants** – Support the preservation of funding levels for existing safety programs such as the Byrne Justice Grant (Byrne/JAG) Program and oppose efforts to reduce or divert funding away from these programs.
- b. **Support continued funding of FEMA's Assistance to Firefighters Grant (AFG) program** – Support continued funding to enhance the safety of the public and firefighters with respect to fire-related hazards by providing direct financial assistance to eligible fire departments, nonaffiliated Emergency Medical Services organizations, and State Fire Training Academies. This funding is for critically needed resources to equip and train emergency personnel to recognized standards, enhance operations efficiencies, foster interoperability, and support community resilience.
- c. **Support legislation that resolves the conflict federal statutes have with legalization of recreational cannabis use in California** – ideally, this includes removing cannabis as a schedule 1 drug and providing cannabis businesses with access to business banking services by changing federal banking access laws. Barring a legislative solution by Congress, the County supports reinstatement of the concepts stated in the past Justice Department memorandums allowing for commercial cannabis activities to operate free and clear of federal enforcement interference so long as the County has a robust regulatory framework in place.
- d. **Urge common-sense gun safety legislation.**
- e. **Support sustainable Federal Aviation Administration (FAA) funding for airport safety related projects on public and private property on or near our airports.**

4. Transportation and Infrastructure

- a. **Ensure that federal transportation formulas support rural road infrastructure** – Mono County has concerns regarding the continued implementation of the federal surface transportation reauthorization program. Mono County relies on the network of state highways and locally maintained roads to link residents to essential services. Transportation funding formulas should provide funding protections or guarantees for California’s rural transportation system and reflect that rural counties lack viable means to fund larger projects that provide statewide benefit. We must advocate for formulas that distribute federal funds to support local transportation priorities.
- b. **Support efforts to protect the Highway Trust Fund** and support programs that provide funding for local roads, bridges, and transit initiatives including pedestrian and bicycle systems, and other multi-modal transportation programs.
- c. **Support federal highway access** – Mono County supports budget policy and legislation that funds infrastructure such as roads on federal land with access to popular destinations including national parks and monuments.
- d. **Support Yosemite Area Regional Transportation and Eastern Sierra Transit Authority funding** – Support efforts to seek sustainable funding for regional public transportation to Yosemite National Park, other National Parks in our region, and other public lands destinations throughout the Eastern Sierra.

5. Health and Human Services

- a. **Oppose legislation to repeal the Affordable Care Act (ACA)** – Work to preserve and expand the number of citizens currently receiving health insurance. Oppose efforts to reduce benefits and block grants or other actions that would shift the current federal/state cost and responsibility to the states and counties.
- b. **Ensure that Affordable Care Act (ACA) funding is maintained for local governments** – Support the Prevention and Public Health Fund of the ACA, the nation’s first dedicated mandatory funding stream for public health and prevention activities, which supports Mono County health care services to underserved residents.
- c. **Oppose funding reductions for Medicaid** – Oppose efforts to reduce federal funding for Medicaid administration or benefits including converting to a voucher system with less federal funding.

- d. **Oppose turning Medicaid over to States** – Oppose efforts to turn Medicaid (Medi-Cal in California) over to the states with less federal funding.
 - e. **Support full funding of the Children’s Health Insurance Program (CHIP).**
 - f. **Support funding of Veterans benefits** – Support provision and funding for current benefits and health care programs for Veterans.
 - g. **Support Women’s Rights to Health** – Health care is key to women’s well-being and economic stability. Support provisions that make sure new health care law works for women.
6. **Child Welfare** – Support legislation that increases services and home-based placement resources to children who are victims of or at risk of: abuse, neglect, or exploitation, and provide support to caregivers of these victims.
7. **Immigration** – Oppose immigration reform efforts that would eliminate a pathway to full and equal citizenship, that would restrict the rights of immigrants or break up families, or that would focus on a mass deportation of undocumented immigrants.
8. **Oppose efforts to reduce the Supplemental Nutrition Assistance Program (SNAP)** – In Mono County, the Supplemental Nutrition Assistance Program (SNAP) provides over 1,400 residents with CalFresh benefits.
9. **Support the Older Americans Act (OAA)** – Support the Older Americans Act (OAA) and increased federal funding for the OAA programs. The Act established a national network of Area Agencies on Aging (AAA) which oversee a variety of social services for seniors, including nutrition, elder abuse prevention, legal services and advocacy, and caregiver resources. The OAA is not adequately funded and does not reflect the need for senior services or the population growth of people over age 60. With the limited state funding to support California’s AAA programs, it is critical that the federal funding expand to support senior services.

MONO COUNTY

CALIFORNIA'S EASTERN SIERRA

Lundy Canyon near Lee Vining

HIDDEN TREASURES IN PLAIN SIGHT

MONO COUNTY is a land of dramatic mountain backdrops, high plains and countless clear lakes, streams and rivers. Over 3,000 square miles in size, Mono County is well-known for its vast scenic and recreational resources. Much of this land is contained in the Inyo and Toiyabe National Forests, and the Ansel Adams, John Muir and Hoover wilderness areas. Access to hiking, fishing, biking, skiing, horseback riding, fall colors, uncrowded campgrounds, amazing music festivals and much more is found just off of scenic US 395, which stretches the length of the county, 120 spectacular miles from Bishop, California, to the Nevada border.

TOP ATTRACTIONS

YOSEMITE NATIONAL PARK – Drive California's highest pass – just 12 miles from Lee Vining to Yosemite's east entrance – to witness ten-story waterfalls, enjoy world-class rock climbing and hiking, and more (summer only).
Contact: www.nps.gov/yose or 209-372-0200. For bus service: www.Yarts.com.

BODIE STATE HISTORIC PARK – Bodie is preserved in a state of "arrested-decay," so keep an eye out for spirits roaming the once-wild streets of this genuine gold-mining ghost town.
Contact: www.parks.ca.gov or www.BodieFoundation.org or 760-647-6445.

MONO LAKE – Paddle a canoe around volcanic islands (don't worry, they're dormant!) and tufa towers, which are natural limestone formations created by the ancient lake's salinity.
Learn more at Mono Basin Scenic Area Visitor Center, 760-647-3044, or the Mono Lake Committee, www.MonoLake.org or 760-647-6595.

DEVILS POSTPILE NATIONAL MONUMENT – Located near Mammoth Lakes, Devils Postpile is the world's finest example of columnar basalt formations: 760-924-5500.

MONO COUNTY Towns AND Communities

BENTON HOT SPRINGS — Soak in natural hot springs that are temperature regulated in this historic stagecoach station.

BRIDGEPORT — Gateway to Bodie ghost town and home of the county seat, Bridgeport's iconic courthouse has been in use since 1880. The California state-record brown trout, at **26 lbs 8 oz**, was caught in Bridgeport's Twin Lakes.

CONVICT LAKE / McGEE CREEK — Dramatically situated under towering Mt. Morrison, Convict Lake is loved by anglers, hikers, and... wedding parties! Catch wildflowers or fall colors at McGee Creek Canyon – hiking or on horseback.

CROWLEY LAKE — Fishing season opener's home base, this expansive lake offers world-class trout fishing.

JUNE LAKE — Tucked away at the base of 10,909-ft. Carson Peak, June Lake is a scenic mountain hideaway. Famous for trout fishing and brilliant fall colors, the June Lake Loop is a snowy retreat in winter. June Mountain Ski Area offers free lift tickets every day, all winter long for kids age 12 and under.

LEE VINING — Overlooking dramatic Mono Lake, Lee Vining is the gateway town to Yosemite National Park – just 12 breathtaking miles up Tioga Pass Road/SR 120.

MAMMOTH LAKES — Mammoth Mountain Ski Area consistently ranks as one of the top winter sports destinations in North America. In the town of Mammoth Lakes, you'll find quaint shops, gourmet restaurants and accommodations from cozy cabins to four-star luxury hotels.

ROCK CREEK / TOM'S PLACE — With beautiful Little Lakes Valley hiking trail, fall colors, and winter "Adventure Dining" at Rock Creek Lodge – complete with snowmobile taxi – Rock Creek Canyon is magical all four seasons.

TOPAZ — At the northern tip of the county, Topaz Lake boasts a nine month fishing season, a big cash derby and a Nevada casino.

WALKER AND COLEVILLE — Ranch towns in the northern part of Mono County, Walker and Coleville host California's only ATV/UTV Jamboree every September!

Bodie State Historic Park near Bridgeport

GETTING TO CALIFORNIA'S EASTERN SIERRA
