County of Mono, CA

2024-25 Legislative Platform

General Principles

The Mono County Board of Supervisors supports the general principles set forth below. County staff will apply these guidelines in evaluating State and Federal legislation, as well as executive and regulatory actions. It is the Board's objective to implement these guidelines.

To support the County's service to the community, the County should:

- Support legislative, regulatory or other policy efforts that protect and/or enhance local government revenues, maximize the County's access to state and federal funding sources, including pandemic support and relief programs, and/or increase local funding flexibility;
- Oppose any effort to balance the State budget through the taking of local government resources;
- Support legislation that protects the County's quality of life and diverse natural resources, while preserving the essence and historic values of the County;
- Support legislation that provides tax and funding formulas for the equitable distribution of state and federal monies while opposing attempts to decrease, restrict, or eliminate County revenue sources;
- Support legislation and budget action which provides additional and continued funding for local road infrastructure, including complete street features;
- Oppose legislative and administrative actions which would create unfunded mandates and/or preempt local decision-making authority;
- Support legislation that realigns governmental services in such a manner as to improve the delivery of services and make government more accountable to the people;
- Support the promotion of tourism, recreation, sustainable fisheries, filming, and a diversified local economy in the Eastern Sierra to achieve strong economic growth and prosperity;
- Continue to support legislation that honors our veterans for their service to our country;
- Support efforts that further the strategic directions outlined in the County's Strategic Plan;
- Engage on any proposals to repeal or additionally alter the Affordable Care Act (ACA), which provides Mono County citizens the ability to obtain affordable health care;
- Support efforts to combat climate change;
- Support legislation that seeks to address the insufficient quantity and quality of homes affordable to our residents; and
- Support [redacted] increases access to Medication Assisted Treatment.

- Support measures that increase resources for disaster response initiatives requiring county involvement.
- Support legislation that waives the local share of cost of all emergency response and disaster recovery activities.
- Support funding for counties to provide for higher demands on critical recovery services.
- Support local, regional, state, and federal initiatives and legislation that advance efforts to dismantle systemic racism and reduce inequity.

Legislative Platform

1) Support Funding/Program Preservation

Support legislative, regulatory, and budget efforts that protect and/or enhance local government revenues, maximize the County’s access to federal funding sources, and/or increase local funding flexibility. Oppose legislative and administrative actions that would create federal unfunded mandates and/or preempt local decision-making authority. Strongly encourage Congress and the President to commit to negotiate successfully so as to avoid any future Federal Government shutdowns.

- a) **Support Sustainable Funding for Secure Rural Schools**
Support legislation that creates a sustainable revenue stream for Secure Rural Schools, such as the Forest Management for Rural Sustainability Act.
- b) **Support the full funding of all Payment in Lieu of Taxes (PILT)**
Support legislation and budget efforts that continue to maximize the PILT revenue to counties and continue full funding of PILT without restrictions beyond the current authorization.
- c) **Support full federal funding for the United States Department of Agriculture (USDA) Rural Development (RD) Programs**
Support funding for community development programs and affordable housing such as the Section 502 Direct Loan Program and the necessary program staff to implement these programs.
- d) **Support full and expanded federal funding for Housing and Economic Development programs**
Support the highest possible funding level for key federal housing and economic development programs, including the Community Development Block Grant (CDBG), the HOME Investment Partnership Program, and the reduction from 50% to 25% of the private activity bond cap.
- e) **Support continued rural broadband deployment and communications improvements through local, State, and Federal policy advocacy, infrastructure projects, and grant programs**

Having appropriate policy at the local, State, and Federal levels is imperative to ensure adequate communications connectivity, which is a critical part of public safety and economic development. Because Mono County has dedicated resources to improve access to high-quality broadband in our communities and as a result of the completion of the Digital 395 project, roughly 90% of our households have access to Gigabit internet.

Unfortunately, several Mono County communities and residents still face barriers to connectivity as there is inadequate infrastructure to support basic Plain Old Telephone Service (POTS) telephone service, including cellular phone service, let-alone high-speed Internet. In order to improve the landscape, the County should advocate for:

- i) Policies, regulations, and enforcement around providers delivering basic POTS services to all locations desiring this service;
- ii) Appropriate and effective definitions of ‘broadband’ which recognize the importance of technology and dependence on the internet for public safety and economic development;
- iii) Legislation and associated programs that provide funding for broadband infrastructure projects and adoption/ education efforts; programs and efforts that move to improve the accuracy of metrics used to represent the current state of broadband in Mono County.
- iv) Legislation supporting digital equity, including, but not limited to the creation of affordable broadband for all.

f) Support legislation that promotes, protects, or facilitates the sustainability of our local agriculture

Mono County agriculture is an important local economic driver, provides jobs, puts food on the table and contributes to the open-space landscape that draws visitors.

g) Support Economic Development resources

- i) Support legislation and federal programs that provide access to small business capital for local business development through the Small Business Administration, Small Business Development Corporation and other government loan and financial programs.
- ii) Support legislation and federal programs that promote locally-based business retention and expansion, as well as create an environment conducive to new business attraction.
- iii) Support initiatives to attract commercial filming opportunities to the region: in particular, budgetary allocations that increase capacity for processing special use permits on the Inyo and Humboldt Toiyabe National Forests.
- iv) Support bills, initiatives, and programs that strengthen the tourism and recreation economy, with a focus on sustainable practices.

h) **Disaster Response**

Support measures that increase resources for disaster response initiatives requiring county involvement.

2) **Natural Resources, Public Lands, and Agriculture**

Support legislation that promotes agriculture and that protects the County's quality of life, its diverse natural resources, and preserves the essence and history of the County, along with legislation that provides adequate funding for stewardship of our public lands.

a) **Support sustainable funding for federal public lands**

Support measures to sustain our federal lands. Closure or underfunding of these lands managed by the US Forest Service, Bureau of Land Management and National Park Service would result in a significant negative impact to our county as tourism and recreation are our economic drivers.

b) **Support legislation and funding to enhance outdoor recreation opportunities on public lands**

c) **Support special designations**

Support special use designations for public lands such as National Scenic Areas, Wild & Scenic Rivers, Wilderness, National Monuments, National Conservation Areas, when demonstrated conservation values and public support warrant such designations.

d) **Oppose public lands disposal**

Oppose the large-scale sale, transfer or "disposal" of public lands except for strategic, widely supported transfers or exchanges for management and boundary adjustments with demonstrated public benefit, for example community expansion in support of affordable housing.

e) **Support wildfire funding and fuels reduction**

Support immediate enactment of legislation to change the method of funding wildfire suppression on National Forests by providing access to funding outside of the statutory discretionary limits for emergency purposes and for investment in additional resources for forest management/fuels reduction to mitigate wildfire risk to communities and increase forest health.

f) **Support Wildfire Prevention and Forest Health**

Support legislation and funding for comprehensive wildfire prevention and forest health programs on public lands.

g) **Support regulatory relief for Mill City Cabin Tract funding**

Support administrative and legislative solutions for funding and/or regulatory relief for the cleanup of contaminated soils at the Mill City recreation residence tract on the Inyo National Forest in Mammoth Lakes.

- h) **Support land management directives**
Support Mono County's tourism and recreation economy by ensuring funding, programs, and management directives for federal land agencies (including the Land & Water Conservation Fund) that facilitate the planning, building, and maintenance of infrastructure for sustainable recreation, travel, and commercial film permitting on public lands.
- i) **Support sustainable fishing**
Support federal initiatives and / or funding of efforts towards enhancement of Mono County's fish population, including sustainable fishing, ongoing fish stocking, education for proper catch and release practices, protection of spawning waterways, and support of the stocking of diploid trout in allowable waters.
- j) **Support the control of invasive species**
Support control and mitigation for the spread of invasive species to protect, conserve, and restore public and private lands.
- k) **Support biomass project development**
Support legislation that encourages the US Forest Service (USFS) and Bureau of Land Management (BLM) to continue actively promoting and assisting with biomass project development.
- l) **Support alternative energy**
 - i) Support local efforts to develop renewable, distributed energy sources including but not limited to environmentally and appropriately scaled biomass, solar, and wind, while ensuring projects and their supporting infrastructure (i.e., transmission lines, pipes lines, towers, service roads) does not degrade the County's quality of life, natural or visual resources, water or essence and history.
 - ii) Continue to support geothermal power production that is environmentally sustainable and doesn't negatively affect local domestic water supplies.
- m) **Support Devils Postpile National Monument legislative requests**
Support legislation to authorize a boundary adjustment request, and to designate a portion of the Middle Fork San Joaquin River as Wild & Scenic, as described in Devils Postpile National Monuments 2015 Management Plan.
- n) **Support endangered species conservation**
Support a balanced approach to the implementation of endangered species regulation with impacts to the rural economy and communities of Mono County. Mono County is fortunate to have a rich natural heritage that should be conserved, and it supports the need to protect and recover imperiled species. These conservation measures should be specifically tailored to the threats and circumstances in the Eastern Sierra and Mono County, and must be weighed and balanced against impacts to the fragile tourism and recreation-based rural economy and local communities. Every effort must be made to

protect private property rights and avoid detrimental impacts to county residents.

o) Support sage grouse conservation

Mono County appreciates the strong support of the multi-party, collaborative Bi-State conservation effort, including several federal agencies such as the U.S. Fish and Wildlife Service, Bureau of Land Management, U.S. Forest Service (Inyo National Forest and Humboldt-Toiyabe National Forest), and U.S. Geological Survey. The coalition includes technical and scientific support, legislative and policy support, and funding to ensure conservation commitments are met and honored by federal agencies. Ultimately, continuation of the collaborative partnership requires the federal agencies to remain stalwart in their commitments with the flexibility to address new issues, such as the management of water by the Los Angeles Department of Water and Power (LADWP) in Long Valley, and adequate budgets to support a positive conservation outcome. If the bird is listed, the result could be an additional regulatory burden with devastating impacts to Mono County's agricultural and recreational activity-based economy.

p) Support legislation to avoid landfilling of waste originating on Federal Land

Develop policies and programs that successfully re-use, recycle and transform resources that originate on USFS, BLM, and DOD lands. Support policies that reduce the impacts of Federally generated waste on local jurisdictions' waste management systems, and/or support policies that enhance local systems to effectively manage Federally-generated waste.

3) Public Safety and Criminal Justice

a) Support full funding of Byrne Justice Assistance Grants

Support the preservation of funding levels for existing safety programs such as the Byrne Justice Grant (Byrne/JAG) Program and oppose efforts to reduce or divert funding away from these programs.

b) Support continued funding of FEMA's Assistance to Firefighters Grant (AFG) program

Support continued funding to enhance the safety of the public and firefighters with respect to fire-related hazards by providing direct financial assistance to eligible fire departments, nonaffiliated Emergency Medical Services organizations, and State Fire Training Academies. This funding is for critically needed resources to equip and train emergency personnel to recognized standards, enhance operations efficiencies, foster interoperability, and support community resilience.

c) Support legislation that resolves the conflict federal statutes have with legalization of recreational cannabis use in California

This includes removing cannabis as a schedule 1 drug and providing cannabis businesses with access to business banking services by changing federal banking access laws. Barring a legislative solution by Congress, the County supports reinstatement of the concepts stated in the past Justice Department memorandums allowing for commercial cannabis activities to operate free and clear of federal enforcement

interference so long as the County has a robust regulatory framework in place.

- d) **Urge common-sense gun safety legislation.**
- e) **Support sustainable Federal Aviation Administration (FAA) funding for airport safety related projects on public and private property on or near our airports.**

4) **Transportation and Infrastructure**

- a) **Ensure that federal transportation formulas support rural road infrastructure**
Mono County relies on the network of state highways and locally maintained roads to link residents to essential services. Transportation funding formulas should provide funding protections or guarantees for California's rural transportation system and reflect that rural counties lack viable means to fund larger projects that provide statewide benefit. We must advocate for formulas that distribute federal funds to support local transportation priorities.
- b) **Support efforts to protect the Highway Trust Fund**
Support efforts protecting the Highway Trust Fund and programs that provide funding for local roads, bridges, and transit initiatives including pedestrian and bicycle systems, and other multi-modal transportation programs.
- c) **Provide funding that maintains and enhances regional access across Federal Lands and National Parks**
Mono County supports budget policy and legislation that maintains, enhances, and extends the operational season of roads crossing federal lands and National Parks that provide access to communities, federal lands, national parks and monuments.
- d) **Support Yosemite Area Regional Transportation and Eastern Sierra Transit Authority funding**
Support efforts to seek sustainable funding for regional public transportation to Yosemite National Park, other National Parks in our region, and other public lands destinations throughout the Eastern Sierra.
- e) **Support the resurgence of the Scenic Byway program**
Mono County completed a Scenic Byway Corridor Plan through a federal grant, then shelved the plan because the Scenic Byway program was not funded. The program has been re-established, and continuity of funding is needed for jurisdictions to dust off inactive plans, program their implementation into the workflow again, and being making an impact.

5) **Health and Human Services**

- a) **Public Health Crises**
Support and advocate for any legislative or budgetary action, including stimulus money and direct funding for counties, related to the response, recovery and/ or economic impacts of public health crises during both the emergency itself and the recovery phase.

- b) **Disaster Response**
Support measures that increase resources for disaster response initiatives requiring county involvement.
- c) **Support Cost-Neutral Federal Mandates**
Support full funding to ensure that federal mandates are cost-neutral to the County and pursue revisions to streamline the process for local government.
- d) **Oppose legislation to repeal the Affordable Care Act (ACA)**
Work to preserve and expand the number of citizens currently receiving health insurance. Oppose efforts to reduce benefits and block grants or other actions that would shift the current federal/state cost and responsibility to the states and counties.
- e) **Ensure that Affordable Care Act (ACA) funding is maintained for local governments**
Support the Prevention and Public Health Fund of the ACA, the nation's first dedicated mandatory funding stream for public health and prevention activities, which supports Mono County health care services to underserved residents.

Support all efforts to adequately fund the federal Medicaid program. Similarly, oppose all efforts to block grant, cap or otherwise reduce federal and state funding to support this critical safety net program.

n) **Support Child Welfare**

Advocate for full federal and state funding of the Federal Family First Prevention Services Act of 2018 (P.L. 115-123) enacted to reform the federal foster care system.

- ix) Support working families and reduce childhood poverty through legislation to retain and expand the Earned Income Tax Credit.

Support legislation that will develop or enhance programs and services to combat the negative impact that human trafficking and commercial sexual exploitation of children has on victims and support efforts to provide additional tools, resources, and funding to help counties address this growing problem.

p) **Support the enhancement of childcare and development**

Support measures that enhance the overall quality, affordability, capacity, accessibility, and safety of childcare and development programs. Specifically, support legislation and budget action that would:

- i) Ensure continuity of childcare for children and families.
- ii) Preserve, protect and increase funding for subsidized and other government-funded childcare.
- iii) Waive family fees, increase vouchers, and establish "crisis factor" stipends

q) **Immigration Reform**

- i) Support immigration reform efforts that would create pathways to full and

equal citizenship.

- ii) Oppose immigration reform efforts that would restrict the rights of immigrants or break up families, or that would focus on a mass deportation of undocumented immigrants.

r) **Oppose Legal Immigrant Benefit Changes**

- i) Oppose any efforts to include non-cash benefits in the definition of 'public charge'.

Support federal homelessness legislation funding an array of services to individuals and families at risk of or who are experiencing homelessness.
