Dear Bridgeport Resident,

The Bridgeport Regional Planning Advisory Committee is seeking input as to what our priorities should be to improve the town, community and environment.

As members of the Bridgeport Regional Planning Advisory Committee, it is our responsibility to advise the Mono County Board of Supervisors, Planning Commission, and other important county agencies on what the priorities and areas of focus should be for our town. Because of this, we are seeking your input from members of the community on what they feel is most important. Attached you will find a short survey that will assist us in determining the proprieties of the RPAC team for the upcoming months.

Please know that this survey is anonymous, however if you wish to be contacted by a member of our team regarding any concerns you may have, please feel free to put your name and phone number on the bottom of this page and someone will contact you. The results of this survey will be made public once all results have been tabulated. The last day to submit completed surveys will be August 31st. You can turn all completed surveys in at the following locations;

- Bridgeport Post Office,
- Bridgeport Office for Community Development (Hailey Lang),
- Bridgeport Fire Department.

Completed surveys may also be mailed to P.O. Box 8, Bridgeport CA, 93517.

Developing this list is hugely important to determining the direction and priorities of the Bridgeport RPAC for the coming months. Thank you for your time and thoughtful consideration,

Sincerely,

Bridgeport Regional Planning Advisory Committee members,

Jeff Hunewill, Justin Nalder, Steve Noble, Jimmy Little, Bill Campbell, Nick Way, Brianna Brown and Gil Curtis
