

June Lake Citizens Advisory Committee
Meeting minutes for September 6, 2023

1. (6:00) Kevin Larsen calls to order

2. (6:01) public comment

Jill Stark, Silver Lake area homeowner - SCE has not discussed helicopter and truck use related to possible dam removal in future years. Residents on Silver Lake have noticed siltation of the lake and previously asked SCE to investigate. Concerned about increased siltation if Agnew dam is removed.

Amanda - received code violation notification for having trailer on property serving as a residence. Her tenants have two weeks to leave. Before taking on tenants, Amanda and JD verified with the county that they were not in violation. Asking CAC support to ask the county to change the code to allow the RV to continue to be used as housing.

Bob Marks - concerned about possible noise related to dam removal, concerned that SCE is not following correct process to study possible noise issues.

Joyce Kauffman - also concerned about noise from SCE dam removal

Sandra Moberly - new County Administrative Officer, introducing herself to the CAC. Excited to be here, looking forward to working for community.

Daniel Stomacher - concerned about Peterson Tract roads, particularly the access over Reversed Creek via Rainbow Drive. Also concerned about emergency access, especially in the case of fire if residents needed to evacuate while fire trucks coming in.

3. (6:23) approve minutes from June meeting

4A. Winter road closure sign - push to next meeting

4B. (6:23) Blinking signs - Kevin suggests County collaborate with CalTrans on signs.

4Ci. (6:26) Supervisor's report, Bob Gardner - pleased to have Sandra on board at the county. TBID proposal still moving forward, led by Ralph Lockhart. TBID proponents asked county for loan to get the process started. Jam Fest is this weekend, Friday night through Sunday. Next Tuesday (in June Lake) and Wednesday (in Lee Vining) there will be meetings on community housing. Both meetings are 6-8pm. At the post office, Ryan has left, new clerk Connie is learning the ropes. Remember to put your PO Box on your mail. John DeCoster has been working with Charge Point and hopefully the EV charger will be installed soon.

4Cii. Chair report - Julie not present

4Ciii. (6:36) Member reports - Claire Landowski - USFS started fuels reduction project, rounds available at wood piles east of Oh Ridge

Gary Johansson - Walker Lake celebration September 24

Janet Hunt - Jam Fest this weekend

David Rosky - encourage everyone to attend housing meetings. Shout out to USFS and others for the fuels mitigation work.

4Civ. (6:37) Planning Department update - Wendy - lost another staff member so department is recruiting. Directors review permit issued for parking share at T-Bar. Also issued director review permit to El Remys for temporary food truck location at the Lift. Other planning applications in progress are Bear Paw RV, Clubhouse at Golden Pines RV, and a lot combination. Moratorium on short-term rental will come up for review in October with the Board of Supervisors.

5i. Womens Club - no report

5ii. (6:41) Chamber of Commerce, Kevin Larsen - TBID in progress. Leaves in the Loop coming up October 14-15 weekend.

8. (6:46) adjourn.
