Cargo Container Storage Project

- 1. Neighbors to the north, east and west will not see the cargo container from their homes. (See photos)**
- 2. One neighbor to the south of the fire station will see cargo container partially through their trees and fire station's trees from their back windows. It's not in their direct view. (See photos)**
- 3. Cargo container will be painted the same as fire station. Sand color.**
- 4. Fire hoses, tools, ladders, racks, ropes, snowblower and other equipment will be stored in cargo container.**
- 5. NO HAZARDOUS MATERIALS, FUELS, Kerosine, Gasoline, OR ANY OTHER FLAMABLE MATERIALS WILL BE STORED IN CARGO CONTAINER.**
- 6. Cargo container will be approximately 8'x8'x20'.**
- 7. Cargo container will be lockable and set on a 3-to-4-inch base of $\frac{3}{4}$ in crushed gravel for drainage.**
- 8. Cargo container can be secured to the ground if required.**
