

Eastern Sierra Substance Use Project
*A group of people and agencies seeking to
reduce the harmful impacts of substance use
in Eastern Sierra communities*

Wednesday, April 6, 2022, 10-11am

- I. Intro: Meeting will be recorded, please mute yourself unless speaking.

Welcome and Introductions: In the chat box, chat your full name and which organization you represent or state “no affiliation” or “community member”

III. Alcohol Harm Reduction/Narcan/Naloxone Distribution updates

-Inyo (Arlene?)

- Opening a Sober living home, Crossroads Recovery Center
- Currently having a fundraiser: <https://gofund.me/ddf4b3e3>

-Mono

- Volunteers needed to do Narcan outreach to businesses
 - Provide Narcan and training to staff

IV. Review Substance Use Taskforce Website and social media updates (10 min)

-Social Media Updates: Justin

V. Tobacco Harm Reduction updates

VI. MAT program updates

VII. Access to sexual health services, Public Health update

VIII. **Update** from previous open discuss question about collecting data about substance use to have a better understanding of what harm reduction services are needed

.
-Jacinda is looking at hiring an epidemiologist to help us do some data mining of existing local data, identify gaps in data, create community survey based on gaps, and present information

New open discussion question:

What policies or procedures exist to ensure patients that receive an opioid in the hospital also receive Narcan/Naloxone?

Eastern Sierra Substance Use Project participation evaluation

- Member feedback needed

Please subscribe to the "Public Health - Substance Use Interest Group" on Mono County Website

-No longer will send out outlook invites to meetings

-Subscribe by May 1st, after May 1st Jacinda will delete outlook invite

Next meeting: June 1, 2022, 10-11am
