LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

Messages transmitted over the email system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration, or practices of the Department.

204.2 EMAIL RIGHT OF PRIVACY

All email messages, including any attachments, that are transmitted over department networks are considered department records and therefore are department property. The Department reserves the right to access, audit or disclose, for any lawful reason, any message including any attachment that is transmitted over its email system or that is stored on any department system.

The email system is not a confidential system since all communications transmitted on, to or from the system are the property of the Department. Therefore, the email system is not appropriate for confidential communications. If a communication must be private, an alternative method to communicate the message should be used instead of email. Employees using the Department's email system shall have no expectation of privacy concerning communications utilizing the system.

Employees should not use personal accounts to exchange email or other information that is related to the official business of the Department.

204.3 PROHIBITED USE OF EMAIL

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive and harassing or any other inappropriate messages on the email system is prohibited and may result in discipline.

Email messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users and must be approved by the Sheriff or a Division Commander. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual's email, name and/or password by others.

204.4 EMAIL RECORD MANAGEMENT

Email may, depending upon the individual content, be a public record under the California Public Records Act and must be managed in accordance with the established records retention schedule and in compliance with state law.

205.2 MEMORANDUMS

Memorandums may be issued periodically by the Sheriff to announce and document all promotions, transfers, hiring of new personnel, separations, personnel and group commendations, or other changes in status.

205.3 CORRESPONDENCE

205.4 SURVEYS

All surveys made in the name of the Department shall be authorized by the Sheriff or Undersheriff.

Staffing Levels

206.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that proper supervision is available for all shifts. The Department intends to balance the employee's needs against the need to have flexibility and discretion in using personnel to meet operational needs. While balance is desirable, the paramount concern is the need to meet operational requirements of the Department.

206.2 MINIMUM STAFFING LEVELS

Minimum staffing levels should result in the scheduling of three regular Deputies and one field supervisor per shift, whenever possible. A Lieutenant and/or Watch Commander should ensure that at least one field supervisor is deployed during each shift.

206.2.1 SUPERVISION DEPLOYMENTS

In order to accommodate training and other unforeseen circumstances, a deputy may be used as a field supervisor in place of a field sergeant.

With prior authorization from the Field Operations Lieutenant, a deputy may act as the field supervisor / Watch Commander for a limited period of time.

License to Carry a Firearm

207.1 PURPOSE AND SCOPE

The Sheriff is given the statutory discretion to issue a license to carry a firearm to residents within the community (Penal Code § 26150; Penal Code § 26155). 207.1.1 APPLICATION OF POLICY

Nothing in this policy shall preclude the Chief or other head of a municipal police office from entering into an agreement with the Sheriff of the county or preclude the Sheriff of the county from entering into an agreement with the Chief of any municipal police office to process all applications and license renewals for the carrying of concealed weapons (Penal Code § 26150; Penal Code § 26155).

207.4 APPLICATION PROCESS

The application process for a license to carry a firearm shall consist of two phases. Upon the successful completion of each phase, the applicant will advance to the next phase until the process is completed and the license is either issued or denied.

207.4.1 PHASE ONE (TO BE COMPLETED BY ALL APPLICANTS)

- (a) Any individual applying for a license to carry a firearm shall first fully complete a California Department of Justice (DOJ) application to be signed under penalty of perjury. Any applicant who provides false information or statements on the application will be removed from further consideration and may be prosecuted for a criminal offense (Penal Code § 26180).
 - 1. In the event of any discrepancies in the application or background investigation, the applicant may be required to undergo a polygraph examination, at no cost to the applicant.
 - 2. If an incomplete application package is received, the Sheriff or authorized designee may do any of the following:
 - (a) Require the applicant to complete the package before any further processing.
 - (b) Advance the incomplete package to phase two for conditional processing pending completion of all mandatory conditions.
 - (c) Issue a denial if the materials submitted at the time demonstrate that the applicant would not qualify for a license to carry a firearm even if the package was completed (e.g., not a resident, disqualifying criminal conviction, absence of good cause).
- (b) At the time the completed application is submitted, the applicant shall submit a check made payable to the California Department of Justice for the required California DOJ application fee, along with a separate check made payable to the County of Mono for a nonrefundable 20 percent of the application fee to cover the cost of processing the application (Penal Code § 26190).
 - 1. Additional fees may be required for fingerprinting, training or psychological testing, in addition to the application fee.
 - 2. Full payment of the remainder of the application fee will be required upon issuance of a license.
 - 3. Payment of related fees may be waived if the applicant is a duly appointed reserve peace officer as defined in Penal Code § 830.6 (a) or (b) (Penal Code § 26170).
- (c) The applicant shall be required to submit to fingerprinting and a complete criminal background check by the California DOJ. A second set of fingerprints may be required for retention in office files. Two recent passport-size photos (2 inches by 2 inches) of the applicant shall be submitted for office use. No person determined to fall within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100 or Welfare and Institutions Code § 8103 will be issued a

license to carry a firearm. A license shall not be issued if the California DOJ determines that the applicant is prohibited by state or federal law from possessing, receiving, owning or purchasing a firearm (Penal Code § 26195).

- (d) The applicant should submit at least three signed letters of character reference from individuals other than relatives.
- (e) The applicant shall submit proof of ownership or registration of each firearm to be licensed.

Once the Sheriff or authorized designee has reviewed the completed application package and relevant background information, the application will either be advanced to phase two or denied.

In the event that an application is denied at the conclusion of, or during, phase one, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

207.4.2 PHASE TWO

This phase is to be completed only by those applicants successfully completing phase one.

- (a) Upon successful completion of phase one, the applicant shall be scheduled for a personal interview with the Sheriff or authorized designee. During this stage, there will be further discussion of the applicant's statement of good cause and any potential restrictions or conditions that might be placed on the license.
 - 1. The determination of good cause should consider the totality of circumstances in each individual case.
 - 2. Any denial for lack of good cause should be rational, articulable and not arbitrary in nature.
 - 3. The Office will provide written notice to the applicant as to the determination of good cause (Penal Code § 26202).
- (b) The Sheriff may, based upon criteria established by the Sheriff, require that the applicant be referred to an authorized psychologist used by the Office for psychological testing. The cost of such psychological testing (not to exceed \$150) shall be paid by the applicant. The purpose of any such psychological testing is intended only to identify any outward indications or history of psychological problems that might render the applicant unfit to carry a firearm. This testing is not intended to certify in any other respect that the applicant is psychologically fit. If it is determined that the applicant is not a suitable candidate for carrying a firearm, the applicant shall be removed from further consideration (Penal Code § 26190).
- (c) The applicant shall complete a course of training approved by the office, which complies with Penal Code § 26165. The applicant will not be required to complete and pay for any training courses prior to any determination of good cause (Penal Code § 26165; Penal Code § 26202).
- (d) The applicant shall submit any firearm to be considered for a license to the Rangemaster or other office authorized gunsmith, at no cost to the applicant, for a

full safety inspection. The Sheriff reserves the right to deny a license for any firearm that has been altered from the manufacturer's specifications or that is unsafe (Penal Code § 31910).

- (e) The applicant shall successfully complete a firearms safety and proficiency examination with the firearm to be licensed, to be administered by the office Rangemaster, or provide proof of successful completion of another office-approved firearms safety and proficiency examination, including completion of all releases and other forms. The cost of any outside inspection/examination shall be the responsibility of the applicant.

Once the Sheriff or authorized designee has verified the successful completion of phase two, the license to carry a firearm will either be granted or denied.

Whether an application is approved or denied at the conclusion of or during phase two, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

207.5 LIMITED BUSINESS LICENSE TO CARRY A CONCEALED FIREARM

The authority to issue a limited business license to carry a concealed firearm to a non-resident applicant is granted only to the Sheriff of the county in which the applicant works. A chief of a municipal police office may not issue limited licenses (Penal Code § 26150). Therefore, such applicants may be referred to the Sheriff for processing.

An individual who is not a resident of the county but who otherwise successfully completes all portions of phases one and two above, may apply for and be issued a limited license subject to approval by the Sheriff and subject to the following:

- (a) The applicant physically spends a substantial period of working hours in the applicant's principal place of employment or business within the County of Mono (Penal Code § 26150).
- (b) Such a license will be valid for a period not to exceed 90 days from the date of issuance (Penal Code § 26220).
- (c) The applicant shall provide a copy of the license to the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).
- (d) Any application for renewal or reissuance of such a license may be granted only upon concurrence of the original issuing authority and the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

207.6 ISSUED FIREARMS PERMITS

In the event a license to carry a firearm is issued by the Sheriff, the following shall apply:

 - 1. All such restrictions or conditions shall be conspicuously noted on any license issued (Penal Code § 26200).
 - 2. The licensee will be required to sign a Restrictions and Conditions Agreement. Any violation of any of the restrictions and conditions may result in the immediate revocation of the license.
- (b) The license shall be laminated, bearing a photograph of the licensee with the expiration date, type of firearm, restrictions and other pertinent information clearly visible.
 - 1. Each license shall be numbered and clearly identify the licensee.
 - 2. All licenses shall be subjected to inspection by the Sheriff or any law enforcement officer.
- (c) The license will be valid for a period not to exceed two years from the date of issuance (Penal Code § 26220).
 - 1. A license issued to a state or federal magistrate, commissioner or judge will be valid for a period not to exceed three years.
 - 2. A license issued to any reserve peace officer as defined in Penal Code § 830.6(a) or (b), or a custodial officer employed by the Sheriff as provided in Penal Code § 831.5 will be valid for a period not to exceed four years, except that such license shall be invalid upon the individual's conclusion of service as a reserve officer.
- (d) If the licensee's place of residence was the basis for issuance of a license and the licensee moves out of the county of issuance, the license shall expire 90 days after the licensee has moved (Penal Code § 26210).
- (e) The licensee shall notify this office in writing within 10 days of any change of place of residency.

207.6.1 LICENSE RESTRICTIONS

- (a) The Sheriff may place special restrictions limiting time, place, manner and circumstances under which any license shall be valid. In general, these restrictions will prohibit the licensee from:
 - 1. Consuming any alcoholic beverage while armed.
 - 2. Falsely representing him/herself as a peace officer.
 - 3. Unjustified or unreasonable displaying of a firearm.
 - 4. Committing any crime.

5. Being under the influence of any medication or drug while armed.
 6. Interfering with any law enforcement officer's duties.
 7. Refusing to display his/her license or firearm for inspection upon demand of any peace officer.
 8. Loading the permitted firearm with illegal ammunition.
- (b) The Sheriff reserves the right to inspect any license or licensed firearm at any time.
- (c) The alteration of any previously approved firearm including, but not limited to adjusting the trigger pull, adding laser sights or modifications shall void any license and serve as grounds for revocation.

207.6.2 AMENDMENTS TO LICENSES

Any licensee may apply to amend a license at any time during the period of validity by completing and submitting a written Application for License Amendment along with the current processing fee to the Office in order to (Penal Code § 26215):

- (a) Add or delete authority to carry a firearm listed on the license.
- (b) Change restrictions or conditions previously placed on the license.
- (c) Change the address or other personal information of the licensee (Penal Code § 26210).

In the event that any amendment to a valid license is approved by the Sheriff, a new license will be issued reflecting the amendment. An amendment to any license will not serve to extend the original expiration date and an application for an amendment will not constitute an application for renewal of the license.

207.6.3 REVOCATION OF LICENSES

Any license issued pursuant to this policy may be immediately revoked by the Sheriff for any of the following reasons:

- (a) The licensee has violated any of the restrictions or conditions placed upon the license.
- (b) The licensee becomes psychologically unsuitable to carry a firearm.
- (c) The licensee is determined to be within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100, Welfare and Institutions Code § 8103 or any state or federal law.
- (d) The licensee engages in any conduct which involves a lack of good moral character or that might otherwise remove the good cause for the original issuance of the license.
- (e) If the license is one to carry "loaded and exposed," the license shall be revoked immediately upon a change of the licensee's place of residence to another county (Penal Code § 26210).

The issuance of a license by the Sheriff shall not entitle the holder to either a property or liberty interest as the issuance, amendment or revocation of such license remains exclusively within the discretion of the Sheriff as set forth herein.

If any license is revoked, the Office will immediately notify the licensee in writing and the California DOJ (Penal Code § 26225).

- (c) Submitting any firearm to be considered for a license renewal to the Rangemaster for a full safety inspection. The Sheriff reserves the right to deny a license for any firearm that has been altered from the manufacturer's specifications or that is unsafe (Penal Code § 31910).
- (d) Paying a non-refundable renewal application fee.

Once the Sheriff or authorized designee has verified the successful completion of the renewal process, the renewal of the license to carry a firearm will either be granted or denied. Prior issuance of a license shall not entitle any licensee to any property or liberty right to renewal.

Whether an application for renewal is approved or denied, the applicant shall be notified in writing within 90 days of the renewal application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later (Penal Code § 26205).

208.6 DENIAL, SUSPENSION OR REVOCATION OF A LEOSA IDENTIFICATION CARD

A CCW endorsement under Penal Code § 25470 for any deputy retired from this department may be denied or revoked only upon a showing of good cause. The CCW endorsement may be immediately and temporarily revoked by the Watch Commander when the conduct of a retired peace officer compromises public safety.

- (a) In the event that a CCW endorsement is initially denied, the retired deputy shall have 15 days from the date of denial to request a formal hearing. 208.8 FIREARM QUALIFICATIONS

The Rangemaster may provide former deputies from this department an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

Force - The application of physical techniques or tactics, chemical agents or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed or restrained.

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Deputies are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Deputies must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Office recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting deputies with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE

Any deputy present and observing another deputy using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force. A deputy who observes another employee use force that exceeds the degree of force permitted by law should promptly report these observations to a supervisor.

300.3 USE OF FORCE

Deputies shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the deputy at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable deputy on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that deputies are often forced to make split-second decisions about the amount of force that reasonably

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Use of Force

appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain and rapidly evolving.

Given that no policy can realistically predict every possible situation a deputy might encounter, deputies are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which deputies reasonably believe that it would be impractical or ineffective to use any of the tools, weapons or methods provided by the Office. Deputies may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires a deputy to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Any peace officer may use reasonable force to effect an arrest, to prevent escape or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall a deputy be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape or to overcome resistance (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether a deputy has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include, but are not limited to:

- (a) Immediacy and severity of the threat to deputies or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the deputy at the time.
- (c) Deputy/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of deputies available vs. subjects).
- (d) The effects of drugs or alcohol.
- (e) Subject's mental state or capacity.
- (f) Proximity of weapons or dangerous improvised devices.
- (g) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (h) The availability of other options and their possible effectiveness.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Use of Force

- (i) Seriousness of the suspected offense or reason for contact with the individual.
- (j) Training and experience of the deputy.
- (k) Potential for injury to deputies, suspects and others.
- (l) Whether the person appears to be resisting, attempting to evade arrest by flight or is attacking the deputy.
- (m) The risk and reasonably foreseeable consequences of escape.
- (n) The apparent need for immediate control of the subject or a prompt resolution of the situation.
- (o) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the deputy or others.
- (p) Prior contacts with the subject or awareness of any propensity for violence.
- (q) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Deputies may only apply those pain compliance techniques for which they have successfully completed office-approved training. Deputies utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the deputy.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the deputy determines that compliance has been achieved.

300.3.4 CAROTID CONTROL HOLD

The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is subject to the following:

- (a) The deputy shall have successfully completed office-approved training in the use and application of the carotid control hold.
- (b) The carotid control hold may only be used when circumstances perceived by the deputy at the time indicate that such application reasonably appears necessary to control a person in any of the following circumstances:
 - 1. The subject is violent or physically resisting.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Use of Force

2. The subject, by words or actions, has demonstrated an intention to be violent and reasonably appears to have the potential to harm deputies, him/herself or others.
- (c) The application of a carotid control hold on the following individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective, or would present a greater danger to the deputy, the subject or others, and the deputy reasonably believes that the need to control the individual outweighs the risk of applying a carotid control hold:
1. Females who are known to be pregnant
 2. Elderly individuals
 3. Obvious juveniles
 4. Individuals who appear to have Down syndrome or who appear to have obvious neck deformities or malformations, or visible neck injuries
- (d) Any individual who has had the carotid control hold applied, regardless of whether he/she was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until examined by paramedics or other appropriate medical personnel.
- (e) The deputy shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the subject lost consciousness as a result.
- (f) Any deputy attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.
- (g) The use or attempted use of the carotid control hold shall be thoroughly documented by the deputy in any related reports.

300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, deputies may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, deputies are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, deputies should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Deputies are encouraged to use techniques and methods taught by the Mono County Sheriff's Department for this specific purpose.

300.4 DEADLY FORCE APPLICATIONS

Use of deadly force is justified in the following circumstances:

- (a) A deputy may use deadly force to protect him/herself or others from what he/she reasonably believes would be an imminent threat of death or serious bodily injury.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Use of Force

- (b) A deputy may use deadly force to stop a fleeing subject when the deputy has probable cause to believe that the person has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the deputy reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the subject is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if a deputy reasonably believes any of the following:

1. The person has a weapon or is attempting to access one and it is reasonable to believe the person intends to use it against the deputy or another.
2. The person is capable of causing serious bodily injury or death without a weapon and it is reasonable to believe the person intends to do so.

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective. Deputies should move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. A deputy should only discharge a firearm at a moving vehicle or its occupants when the deputy reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the deputy or others.

Deputies should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this office shall be documented promptly, completely and accurately in an appropriate report, depending on the nature of the incident. The deputy should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis and related purposes, the Office may require the completion of additional report forms, as specified in office policy, procedure or law.

300.5.1 NOTIFICATION TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable deputy to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Use of Force

- (d) The individual indicates intent to pursue litigation.
- (e) Any application of a TASER device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges any of the above has occurred.

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2. See the Records Bureau policy.

300.6 MEDICAL CONSIDERATION

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the deputy's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another deputy and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling deputy shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the deputy reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called "excited delirium"), or who require a protracted physical encounter with multiple deputies to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Deputies who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

Use of Force

300.7 SUPERVISOR RESPONSIBILITY

When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved deputies. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her *Miranda* rights, the following shall apply:
 1. The content of the interview should not be summarized or included in any related criminal charges.
 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the subject may pursue civil litigation.
 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 WATCH COMMANDER RESPONSIBILITY

The Watch Commander shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Use of Force

300.8 TRAINING

Deputies will receive periodic training on this policy and demonstrate their knowledge and understanding.

300.9 USE OF FORCE ANALYSIS

At least annually, the Operations Division Commander should prepare an analysis report on use of force incidents. The report should be submitted to the Sheriff. The report should not contain the names of deputies, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

Use of Force Review Boards

301.1 PURPOSE AND SCOPE

This policy establishes a process for the Mono County Sheriff's Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

301.2 POLICY

The Mono County Sheriff's Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Sheriff may exercise discretion and choose not to place an employee in an administrative assignment in any case.

301.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training or recreational use.

The Sheriff may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Administration Division Commander will convene the Use of Force Review Board as necessary. It will be the responsibility of the Division Commander or supervisor of the involved employee to notify the Administration Division Commander of any incidents requiring board review. The involved employee's Division Commander or supervisor will also ensure that all relevant reports, documents and materials are available for consideration and review by the board.

301.4.1 COMPOSITION OF THE BOARD

The Administration Division Commander should select five Use of Force Review Board members from the following, as appropriate:

- Representatives of each division
- Commanding officer in the involved member's chain of command

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Use of Force Review Boards

- Training Sergeant
- Non-administrative supervisor
- A peer deputy
- A sworn peace officer from an outside law enforcement agency
- Department instructor for the type of weapon, device or technique used

The senior ranking command representative who is not in the same division as the involved employee will serve as chairperson.

301.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Sheriff will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

Absent an express waiver from the employee, no more than two members of the board may ask questions of the involved employee (Government Code § 3303). Other members may provide questions to these members.

The review shall be based upon those facts which were reasonably believed or known by the deputy at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the deputy at the time shall neither justify nor call into question a deputy's decision regarding the use of force.

Any questioning of the involved employee conducted by the board will be in accordance with the department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Use of Force Review Boards

consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Sheriff.

The Sheriff shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Sheriff's final findings will be forwarded to the involved employee's Division Commander for review and appropriate action. If the Sheriff concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Sheriff.

Handcuffing and Restraints

302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

302.2 POLICY

The Mono County Sheriff's Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

302.3 USE OF RESTRAINTS

Only members who have successfully completed Mono County Sheriff's Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, deputies should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

302.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of deputies and others. When deciding whether to remove restraints from a detainee, deputies should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

302.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety and in no event shall these persons be restrained by the use of leg irons, waist chains or handcuffs behind the body.

No person who is in labor, delivery or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Handcuffing and Restraints

determination that such restraints are necessary for the safety of the arrestee, deputies or others (Penal Code § 3407; Penal Code § 6030).

302.3.3 RESTRAINT OF JUVENILES

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the deputy has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the deputy or damage property.

302.3.4 NOTIFICATIONS

Whenever a deputy transports a person with the use of restraints other than handcuffs, the deputy shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the deputy reasonably believes would be potential safety concerns or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during transportation to the jail.

302.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Deputies should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, deputies should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, deputies should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

302.4.1 MEDICAL ATTENTION

Medical attention shall be provided to individuals who experience extreme exertion during encounter with officers due to risk of sudden death.

302.5 APPLICATION OF SPIT HOODS/MASKS/SOCKS

Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the deputy reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Handcuffing and Restraints

Deputies utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Deputies should provide assistance during the movement of restrained individuals due to the potential for impaired or distorted vision on the part of the individual. Deputies should avoid comingling individuals wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

302.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

302.7 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, deputies should consider:

- (a) Whether the deputy or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting deputy while handcuffed, kicking at objects or deputies).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

302.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints the following guidelines should be followed:

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Handcuffing and Restraints

- (a) If practicable, deputies should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the deputy arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by a deputy while in the leg restraint. The deputy should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The deputy should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by ambulance/paramedic unit, the restrained person should be accompanied by a deputy when requested by medical personnel. The transporting deputy should describe to medical personnel any unusual behaviors or other circumstances the deputy reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

302.8 REQUIRED DOCUMENTATION

If an individual is restrained and released without an arrest, the deputy shall document the details of the detention and the need for handcuffs or other restraints.

If an individual is arrested, the use of restraints other than handcuffs shall be documented in the related report. The deputy should include, as appropriate:

- (a) The amount of time the suspect was restrained.
- (b) How the suspect was transported and the position of the suspect.
- (c) Observations of the suspect's behavior and any signs of physiological problems.
- (d) Any known or suspected drug use or other medical problems.

Control Devices and Techniques

303.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

303.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Mono County Sheriff's Department authorizes deputies to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

303.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Sheriff or the authorized designee.

Only deputies who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, deputies should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

303.4 RESPONSIBILITIES

303.4.1 WATCHCOMMANDER RESPONSIBILITIES

The Watch Commander may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

303.4.2 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

303.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Control Devices and Techniques

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition. Damage to County property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

303.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

303.6 TEAR GAS GUIDELINES

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Watch Commander, Incident Commander or Crisis Response Unit Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

303.7 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

303.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

303.7.2 PEPPER PROJECTILE SYSTEMS

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Control Devices and Techniques

Deputies encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

303.7.3 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

303.8 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, deputies should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

303.9 KINETIC ENERGY PROJECTILE GUIDELINES

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

303.9.1 DEPLOYMENT AND USE

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Deputies are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved deputy determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and deputies takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Control Devices and Techniques

- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or deputies.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

303.9.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the deputy should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of deputies or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other deputies and individuals that the device is being deployed.

Deputies should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, deputies are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

303.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Deputies will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the deputy shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Control Devices and Techniques

Absent compelling circumstances, deputies who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second deputy watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

303.10 TRAINING FOR CONTROL DEVICES

The Training Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the deputy's training file.
- (c) Deputies who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If a deputy cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the deputy will be restricted from carrying the control device and may be subject to discipline.

303.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Conducted Energy Device

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of TASER devices.

304.2 POLICY

The TASER® device is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to deputies and suspects.

304.3 ISSUANCE AND CARRYING EMDTDEVICES

Only members who have successfully completed department-approved training may be issued and carry the TASER device.

TASER devices are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Deputies shall only use the TASER device and cartridges that have been issued by the Department. Uniformed deputies who have been issued the TASER device shall wear the device in an approved holster on their person. Non-uniformed deputies may secure the TASER device in the driver's compartment of their vehicle.

Members carrying the TASER device should perform a spark test on the unit prior to every shift.

When carried while in uniform deputies shall carry the TASER device in a weak-side holster on the side opposite the duty weapon.

- (a) All TASER devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.
- (b) Whenever practicable, deputies should carry two or more cartridges on their person when carrying the TASER device.
- (c) Deputies shall be responsible for ensuring that their issued TASER device is properly maintained and in good working order.
- (d) Deputies should not hold both a firearm and the TASER device at the same time.

304.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the TASER device should precede its application, unless it would otherwise endanger the safety of deputies or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other deputies and individuals with a warning that the TASER device may be deployed.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Conducted Energy Device

If, after a verbal warning, an individual is unwilling to voluntarily comply with a deputy's lawful orders and it appears both reasonable and feasible under the circumstances, the deputy may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior to the application of the TASER device. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the deputy deploying the TASER device in the related report.

304.5 USE OF THE EMDTDEVICE

The TASER device has limitations and restrictions requiring consideration before its use. The TASER device should only be used when its operator can safely approach the subject within the operational range of the device. Although the TASER device is generally effective in controlling most individuals, deputies should be aware that the device may not achieve the intended results and be prepared with other options.

304.5.1 APPLICATION OF THE EMDTDEVICE

The TASER device may be used in any of the following circumstances, when the circumstances perceived by the deputy at the time indicate that such application is reasonably necessary to control a person:

- (a) The subject is violent or is physically resisting.
- (b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm deputies, him/herself or others.

Mere flight from a pursuing deputy, without other known circumstances or factors, is not good cause for the use of the TASER device to apprehend an individual.

304.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the TASER device on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the deputy, the subject or others, and the deputy reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Conducted Energy Device

- (e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

Because the application of the TASER device in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between deputies and the subject, thereby giving deputies time and distance to consider other force options or actions.

The TASER device shall not be used to psychologically torment, elicit statements or to punish any individual.

304.5.3 TARGETING CONSIDERATIONS

Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the deputy to limit the application of the TASER device probes to a precise target area, deputies should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

304.5.4 MULTIPLE APPLICATIONS OF THE EMDTDEVICE

Deputies should apply the TASER device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the TASER device against a single individual are generally not recommended and should be avoided unless the deputy reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the TASER device appears to be ineffective in gaining control of an individual, the deputy should consider certain factors before additional applications of the TASER device, including:

- (a) Whether the probes are making proper contact.
- (b) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (c) Whether verbal commands, other options or tactics may be more effective.

Deputies should generally not intentionally apply more than one TASER device at a time against a single subject.

304.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Deputies shall notify a supervisor of all TASER device discharges. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Conducted Energy Device

into evidence. The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

304.5.6 DANGEROUS ANIMALS

The TASER device may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

304.5.7 OFF-DUTY CONSIDERATIONS

Deputies are not authorized to carry department TASER devices while off-duty.

Deputies shall ensure that TASER devices are secured while in their homes, vehicles or any other area under their control, in a manner that will keep the device inaccessible to others.

304.6 DOCUMENTATION

Deputies shall document all TASER device discharges in the related arrest/crime report and the TASER device report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation and arcing the device will also be documented on the report form.

304.6.1 EMDTDEVICE FORM

Items that shall be included in the TASER device report form are:

- (a) The type and brand of TASER device and cartridge and cartridge serial number.
- (b) Date, time and location of the incident.
- (c) Whether any display, laser or arc deterred a subject and gained compliance.
- (d) The number of TASER device activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the TASER device was used.
- (f) The type of mode used (probe or drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any deputies sustained any injuries.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Conducted Energy Device

The Training Sergeant should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Sergeant should also conduct audits of data downloads and reconcile TASER device report forms with recorded activations. TASER device information and statistics, with identifying information removed, should periodically be made available to the public.

304.6.2 REPORTS

The deputy should include the following in the arrest/crime report:

- (a) Identification of all personnel firing TASER devices
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication or other medical problems

304.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove TASER device probes from a person's body. Used TASER device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by TASER device probes or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The TASER device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another deputy and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Conducted Energy Device

The transporting deputy shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the TASER device.

304.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the TASER device may be used. A supervisor should respond to all incidents where the TASER device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the TASER device. The device's onboard memory should be downloaded through the data port by a supervisor or Rangemaster and saved with the related arrest/crime report. Photographs of probe sites should be taken and witnesses interviewed.

304.9 TRAINING

Personnel who are authorized to carry the TASER device shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the TASER device as a part of their assignment for a period of six months or more shall be recertified by a department-approved TASER device instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued TASER devices should occur every year. A reassessment of a deputy's knowledge and/or practical skill may be required at any time if deemed appropriate by the Training Sergeant. All training and proficiency for TASER devices will be documented in the deputy's training file.

Command staff, supervisors and investigators should receive TASER device training as appropriate for the investigations they conduct and review.

Deputies who do not carry TASER devices should receive training that is sufficient to familiarize them with the device and with working with deputies who use the device.

The Training Sergeant is responsible for ensuring that all members who carry TASER devices have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of TASER devices during training could result in injury to personnel and should not be mandatory for certification.

The Training Sergeant should ensure that all training includes:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest and groin.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Conducted Energy Device

- (e) Handcuffing a subject during the application of the TASER device and transitioning to other force options.
- (f) De-escalation techniques.
- (g) Restraint techniques that do not impair respiration following the application of the TASER device.

Officer-Involved Shootings and Deaths

305.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of other action of a deputy.

In other incidents not covered by this policy, the Sheriff may decide that the investigation will follow the process provided in this policy.

305.2 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved deputies.
- A civil investigation to determine potential liability.

305.3 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

305.3.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Mono County Sheriff's Department would control the investigation if the suspect's crime occurred in Mono.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Sheriff and with concurrence from the other agency.

305.3.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved deputy's conduct during the incident will be determined by the employing agency's protocol. When a deputy from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Officer-Involved Shootings and Deaths

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Sheriff or the authorized designee for approval.

305.3.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

305.4 INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

305.4.1 UNINVOLVED DEPUTY RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting, the first uninvolved MCSO deputy will be the deputy-in-charge and will assume the responsibilities of a supervisor until properly relieved. This deputy should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

305.4.2 WATCHCOMMANDER RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Watch Commander shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Sheriff or a Division Commander.

All outside inquiries about the incident shall be directed to the Watch Commander

305.4.3 NOTIFICATIONS

The following person(s) shall be notified as soon as practical:

- Sheriff
- Undersheriff
- Administration Lieutenant
- District Attorney OIS rollout team
- Operations Lieutenant
- Civil Liability Response Team
- Psychological/Peer support personnel

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Officer-Involved Shootings and Deaths

- Coroner (if necessary)
- Officer representative (if requested)
- Jail Sergeant (if necessary)
- Press Information Officer
- Chaplain

All outside inquiries about the incident shall be directed to the Watch Commander.

305.4.4 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved MCSO supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
 1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any MCSO deputy to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
 1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
 2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Watch Commander and Dispatch. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional MCSO members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 1. Each involved MCSO deputy should be given an administrative order not to discuss the incident with other involved officers or MCSO members pending further direction from a supervisor.
 2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other deputies.

305.4.5 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Officer-Involved Shootings and Deaths

1. Involved MCSO deputies shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
 2. Requests from involved non-MCSO officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information (Government Code § 3303(i)).
- (d) A licensed psychotherapist shall be provided by the Department to each involved MCSO deputy. A licensed psychotherapist may also be provided to any other affected MCSO members, upon request.
1. Interviews with a licensed psychotherapist will be considered privileged.
 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Although the Department will honor the sensitivity of communications with peer counselors, there is no legal privilege to such communications. Peer counselors are cautioned against discussing the facts of any incident with an involved or witness officer.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved MCSO deputy shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Watch Commander to make schedule adjustments to accommodate such leave.

305.5 CRIMINAL INVESTIGATION

The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Officer-Involved Shootings and Deaths

- (a) MCSO supervisors and Administrative Lieutenant personnel should not participate directly in any voluntary interview of MCSO deputies. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators (Government Code § 3303(i)). However, in order to maintain the integrity of each involved officer's statement, involved deputies shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

305.5.1 REPORTS BY INVOLVED MCSO DEPUTIES

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved MCSO deputies to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved MCSO deputy may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved MCSO deputy of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

305.5.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Officer-Involved Shootings and Deaths

1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, deputies should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

305.5.3 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Investigations supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from the District Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the District Attorney's Office.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Investigations supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

305.6 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of MCSO deputies to determine conformance with department policy. The investigation will be conducted under the supervision of the Administrative Lieutenant and will be considered a confidential deputy personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy).

- (a) Any deputy involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Officer-Involved Shootings and Deaths

the deputy, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

- (b) If any deputy has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved deputy.
 - 1. If a further interview of the deputy is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved deputy shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved deputy has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the deputy's physical and psychological needs have been addressed before commencing the interview.
 - 2. If requested, the deputy shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual deputy's statement, involved deputies shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).
 - 3. Administrative interviews should be recorded by the investigator. The deputy may also record the interview (Government Code § 3303(g)).
 - 4. The deputy shall be informed of the nature of the investigation. If a deputy refuses to answer questions, he/she should be given his/her *Lybarger* or *Garrity* rights and ordered to provide full and truthful answers to all questions. The deputy shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
 - 5. The Administrative Lieutenant shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
 - 6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
 - 7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

Officer-Involved Shootings and Deaths

305.7 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or County Counsel's Office, as appropriate.

305.8 CIVIL LIABILITY RESPONSE

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

305.9 DEBRIEFING

Following an officer-involved shooting or death, the Mono County Sheriff's Department should conduct both a critical incident/stress debriefing and a tactical debriefing.

305.9.1 CRITICAL INCIDENT/STRESS DEBRIEFING

A critical incident/stress debriefing should occur as soon as practicable. The Administration Division Commander is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event.

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law or a valid court order.

Attendance at the debriefing shall only include those members of the Department directly involved in the incident, which can include support personnel (e.g., dispatchers, other non-sworn). Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the Department, including supervisory and Administrative Lieutenant personnel.

Mono County Sheriff's Department

Officer-Involved Shootings and Deaths

305.9.2 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Sheriff should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

305.10 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Watch Commander, Investigations Division Commander and Public Information Officer in the event of inquiries from the media.

The Department shall not subject any involved MCSO deputy to visits by the media (Government Code § 3303(e)). No involved MCSO deputy shall make any comment to the media unless he/she is authorized by the Sheriff or a Division Commander. Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

305.11 REPORTING

If the death of an individual occurs in the Mono County Sheriff's Department jurisdiction and qualifies to be reported to the state as a justifiable homicide or an in-custody death, the Operations Division Commander will ensure that the Records Manager is provided with enough information to meet the reporting requirements (Penal Code § 196; Penal Code § 13022; Government Code § 12525).

Firearms

306.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

306.2 POLICY

The Mono County Sheriff's Department will equip its members with firearms to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

306.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS

Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Rangemaster. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized department range.

All other weapons not provided by the Department, including, but not limited to, edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the member's Division Commander. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

306.3.1 HANDGUNS

The authorized department-issued handgun is the handgun approved by Rangemaster. The following additional handguns are approved for on-duty use:

MAKE	MODEL	CALIBER
Glock	22	40
Glock	23	40

306.3.2 SHOTGUNS

The authorized department-issued shotgun is the Remington 870. The following additional shotguns are approved for on-duty use:

306.3.3 PATROL RIFLES

The authorized department-issued patrol rifle is the Patrol Rifle. The following additional patrol rifles are approved for on-duty use:

MAKE	MODEL	CALIBER

Members may deploy the patrol rifle in any circumstance where the member can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

- (a) Situations where the member reasonably anticipates an armed encounter.
- (b) When a member is faced with a situation that may require accurate and effective fire at long range.
- (c) Situations where a member reasonably expects the need to meet or exceed a suspect's firepower.
- (d) When a member reasonably believes that there may be a need to fire on a barricaded person or a person with a hostage.
- (e) When a member reasonably believes that a suspect may be wearing body armor.
- (f) When authorized or requested by a supervisor.
- (g) When needed to euthanize an animal.

When not deployed, the patrol rifle shall be properly secured consistent with department training in a locking weapons rack in the patrol vehicle.

306.3.4 PERSONALLY OWNED DUTY FIREARMS

Members desiring to carry an authorized but personally owned duty firearm must receive written approval from the Sheriff or the authorized designee. Once approved, personally owned duty firearms are subject to the following restrictions:

- (a) The firearm shall be in good working order and on the department list of approved firearms.
- (b) The firearm shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (c) Prior to carrying the firearm, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the firearm functions properly.

- (d) Members shall provide written notice of the make, model, color, serial number and caliber of the firearm to the Rangemaster, who will maintain a list of the information.

306.3.5 AUTHORIZED SECONDARY HANDGUN

Members desiring to carry department or personally owned secondary handguns are subject to the following restrictions:

- (a) The handgun shall be in good working order and on the department list of approved firearms.
- (b) The purchase of the handgun and ammunition shall be the responsibility of the member unless the handgun and ammunition are provided by the Department.
- (c) The handgun shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge or loss of physical control.
- (d) The handgun shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (e) Ammunition shall be the same as department issue. If the caliber of the handgun is other than department issue, the Sheriff or the authorized designee shall approve the ammunition.
- (f) Prior to carrying the secondary handgun, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the handgun functions properly.
- (g) Members shall provide written notice of the make, model, color, serial number and caliber of a secondary handgun to the Rangemaster, who will maintain a list of the information.

306.3.6 AUTHORIZED OFF-DUTY FIREARMS

The carrying of firearms by members while off-duty is permitted by the Sheriff but may be rescinded should circumstances dictate (e.g., administrative leave). Members who choose to carry a firearm while off-duty, based on their authority as peace officers, will be required to meet the following guidelines:

- (a) The member may use his/her duty firearm or may use a personally owned firearm that is carried and inspected in accordance with the Personally Owned Duty Firearms requirements in this policy. A member carrying his/her duty firearm will be deemed to have complied with (c), (d) and (e) of this section.
 - 1. The purchase of the personally owned firearm and ammunition shall be the responsibility of the member.
- (b) The firearm shall be carried concealed at all times and in such a manner as to prevent accidental unintentional cocking, discharge or loss of physical control.
- (c) It will be the responsibility of the member to submit the firearm to the Rangemaster for inspection prior to being personally carried. Thereafter the firearm shall be subject to periodic inspection by the Rangemaster.

Firearms

- (d) Prior to carrying any off-duty firearm, the member shall demonstrate to the Rangemaster that he/she is proficient in handling and firing the firearm and that it will be carried in a safe manner.
- (e) The member will successfully qualify with the firearm prior to it being carried.
- (f) Members shall provide written notice of the make, model, color, serial number and caliber of the firearm to the Rangemaster, who will maintain a list of the information.
- (g) If a member desires to use more than one firearm while off-duty, he/she may do so, as long as all requirements set forth in this policy for each firearm are met.
- (h) Members shall only carry department-authorized ammunition.
- (i) When armed, deputies shall carry their badges and Mono County Sheriff's Department identification cards under circumstances requiring possession of such identification.

306.3.7 AMMUNITION

Members shall carry only department-authorized ammunition. Members shall be issued fresh duty ammunition in the specified quantity for all department-issued firearms during the member's firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Rangemaster when needed, in accordance with established policy.

Members carrying personally owned authorized firearms of a caliber differing from department-issued firearms shall be responsible for obtaining fresh duty ammunition in accordance with the above, at their own expense.

306.4 EQUIPMENT

Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

306.4.1 REPAIRS OR MODIFICATIONS

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Rangemaster.

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Rangemaster.

Any repairs or modifications to the member's personally owned firearm shall be done at his/her expense and must be approved by the Rangemaster.

306.4.2 HOLSTERS

Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

306.4.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

306.4.4 OPTICS OR LASER SIGHTS

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

306.5 SAFE HANDLING, INSPECTION AND STORAGE

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Rangemaster. Members shall not dry fire or practice quick draws except as instructed by the Rangemaster or other firearms training staff.
- (c) Members shall not clean, repair, load or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.
- (e) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into the jail section or any part thereof when securing or processing an arrestee, but shall place all firearms in a secured location. Members providing access to the jail section to persons from outside agencies are responsible for ensuring firearms are not brought into the jail section.
- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm from the armory, except with approval of a supervisor.
- (g) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Rangemaster approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Rangemaster will be immediately removed

from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

306.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

306.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

306.5.3 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, or has taken any drugs or medication, has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

306.5.4 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container which is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view (Penal Code § 16850; Penal Code § 25140; Penal Code § 25452).

Deputies are exempt from this requirement during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

306.6 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty are required to successfully complete training quarterly with their duty firearms. In addition to quarterly training, all members will qualify at least annually with their duty firearms. Members will qualify with off-duty and secondary firearms at least twice a year. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

306.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
 - 1. Unauthorized range make-up
 - 2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

306.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Division Commander or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, a written report shall be submitted or recorded statement provided no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

306.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective. When the Mono County Sheriff's Office has been designated as an agent on a valid Depredation Permit issued by the California Department of Fish and Wildlife, members are authorized to take the animal identified in the permit.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Firearms

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, TASER® device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

306.7.2 INJURED ANIMALS

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical (Penal Code § 597.1(e)).

Injured animals (with the exception of dogs and cats) may only be euthanized after a reasonable search to locate the owner has been made (Penal Code § 597.1(b)). Injured dogs and cats found without their owners shall be taken to an appropriate veterinarian for determination of whether they should be treated or humanely destroyed.

306.7.3 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective and reasonably safe.

306.8 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Sergeant after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-qualification.

The range shall remain operational and accessible to Department members during hours established by the Department.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Rangemaster has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm and it will not be returned to service until inspected by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Training Sergeant documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Rangemaster should

keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Sergeant.

306.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to deputies who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Deputies wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Deputies must carry their Mono County Sheriff's Department identification card, bearing the deputy's name, a full-face photograph, identification number, the deputy's signature and the signature of the Sheriff or the official seal of the Department and must present this identification to airline officials when requested. The deputy should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Mono County Sheriff's Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the deputy's travel. If approved, TSA will send the Mono County Sheriff's Department an NLETS message containing a unique alphanumeric identifier. The deputy must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Sheriff authorizing armed travel may also accompany the deputy. The letter should outline the deputy's need to fly armed, detail his/her itinerary, and include that the deputy has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Deputies must have completed the mandated TSA security training covering deputies flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the deputy's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any deputy flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The deputy must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Deputies should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.

- (j) Deputies shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

306.10 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time deputies of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The deputy shall carry his/her Mono County Sheriff's Department identification card whenever carrying such firearm.
- (b) The deputy is not the subject of any current disciplinary action.
- (c) The deputy may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The deputy will remain subject to this and all other department policies (including qualifying and training).

Deputies are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield a deputy from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

Vehicle Pursuits

307.1 PURPOSE AND SCOPE

Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide deputies with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to reduce the potential for pursuit-related collisions. Vehicular pursuits require deputies to exhibit a high degree of common sense and sound judgment. Deputies must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing deputies.

Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the potential risk to public safety created by vehicular pursuits, no deputy or supervisor shall be criticized or disciplined for deciding not to engage in a vehicular pursuit because of the risk involved. This includes circumstances where department policy would permit the initiation or continuation of the pursuit. It is recognized that vehicular pursuits are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit.

Deputies must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. Deputy's conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable deputy would do under the circumstances. An unreasonable individual's desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement.

307.1.1 VEHICLE PURSUIT DEFINED

A vehicle pursuit is an event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a motor vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly, or driving in a legal manner but willfully failing to yield to a deputy's signal to stop.

307.2 DEPUTY RESPONSIBILITIES

It shall be the policy of this department that a vehicle pursuit shall be conducted only with red light and siren as required by Vehicle Code § 21055 for exemption from compliance with the rules of the road. The following policy is established to provide deputies with guidelines for driving with due regard and caution for the safety of all persons using the highway as required by Vehicle Code § 21056.

307.2.1 WHEN TO INITIATE A PURSUIT

Deputies are authorized to initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Pursuits

The following factors individually and collectively shall be considered in deciding whether to initiate a pursuit:

- (a) Seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to deputies, innocent motorists and others.
- (c) Apparent nature of the fleeing suspects (e.g., whether the suspects represent a serious threat to public safety).
- (d) The identity of the suspects has been verified and there is comparatively minimal risk in allowing the suspects to be apprehended at a later time.
- (e) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic and the speed of the pursuit relative to these factors.
- (f) Pursuing deputies familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatcher/supervisor and the driving capabilities of the pursuing deputies under the conditions of the pursuit.
- (g) Weather, traffic and road conditions that substantially increase the danger of the pursuit beyond the worth of apprehending the suspect.
- (h) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
- (i) Vehicle speeds.
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders and hostages).
- (k) Availability of other resources such as helicopter assistance.
- (l) The sheriff's unit is carrying passengers other than sheriff's deputies. Pursuits should not be undertaken with a prisoner in the police vehicle.

307.2.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be discontinued whenever the totality of objective circumstances known or which reasonably ought to be known to the deputy or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

The factors listed in When to Initiate a Pursuit of this policy are expressly included herein and will apply equally to the decision to discontinue as well as the decision to initiate a pursuit. Deputies and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists and themselves when electing to continue a pursuit. In

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Pursuits

the context of this policy, the term “terminate” shall be construed to mean discontinue or to stop chasing the fleeing vehicle.

In addition to the factors listed in When to Initiate a Pursuit of this policy, the following factors should also be considered in deciding whether to terminate a pursuit:

- (a) Distance between the pursuing deputies and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.
- (b) Pursued vehicle’s location is no longer definitely known.
- (c) Deputy’s pursuit vehicle sustains any type of damage that renders it unsafe to drive.
- (d) Extended pursuits of violators for misdemeanors not involving violence or risk of serious harm (independent of the pursuit) are discouraged.
- (e) There are hazards to uninvolved bystanders or motorists.
- (f) If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, deputies should strongly consider discontinuing the pursuit and apprehending the offender at a later time.
- (g) Pursuit is terminated by a supervisor.

307.2.3 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the deputy and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, deputies and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the deputy.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

307.3 PURSUIT UNITS

Pursuit units should be limited to three vehicles (two units and a supervisor); however, the number of units involved will vary with the circumstances. A deputy or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of deputies involved would be insufficient to safely arrest the suspects. All other deputies should stay out of the pursuit, but should remain alert to its progress and location. Any deputy who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

Vehicle Pursuits

307.3.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT

Vehicles not equipped with red light and siren are generally prohibited from initiating or joining in any pursuit. Deputies in such vehicles, however, may become involved in emergency activities involving serious crimes or life threatening situations. Those deputies should terminate their involvement in any pursuit immediately upon arrival of a sufficient number of emergency police vehicles or any police helicopter. The exemptions provided by Vehicle Code § 21055 do not apply to deputies using vehicles without emergency equipment.

307.3.2 PRIMARY UNIT RESPONSIBILITIES

The initial pursuing unit will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless it is unable to remain reasonably close enough to the violator's vehicle. The primary responsibility of the deputy initiating the pursuit is the apprehension of the suspects without unreasonable danger to him/herself or other persons.

Notify Dispatch that a vehicle pursuit has been initiated and as soon as practicable provide information including, but not limited to:

- (a) Reason for the pursuit.
- (b) Location and direction of travel.
- (c) Speed of the fleeing vehicle.
- (d) Description of the fleeing vehicle and license number, if known.
- (e) Number of known occupants.
- (f) The identity or description of the known occupants.
- (g) Information concerning the use of firearms, threat of force, injuries, hostages or other unusual hazards.

Unless relieved by a supervisor or secondary unit, the deputy in the primary unit shall be responsible for the broadcasting of the progress of the pursuit. Unless practical circumstances indicate otherwise, and in order to concentrate on pursuit driving, the primary deputy should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit.

307.3.3 SECONDARY UNITS RESPONSIBILITIES

The second deputy in the pursuit is responsible for the following:

- (a) The deputy in the secondary unit should immediately notify the dispatcher of entry into the pursuit.
- (b) Remain a safe distance behind the primary unit unless directed to assume the role of primary deputy, or if the primary unit is unable to continue the pursuit.
- (c) The secondary deputy should be responsible for broadcasting the progress of the pursuit unless the situation indicates otherwise.

307.3.4 PURSUIT DRIVING TACTICS

The decision to use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and termination. The following are tactics for units involved in the pursuit:

- (a) Deputies, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
 - 1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
 - 2. Pursuing units should exercise due caution when proceeding through controlled intersections.
- (c) As a general rule, deputies should not pursue a vehicle driving left of center (wrong way) on a freeway. In the event that the pursued vehicle does so, the following tactics should be considered:
 - 1. Requesting assistance from an air unit.
 - 2. Maintaining visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
 - 3. Requesting other units to observe exits available to the suspects.
- (d) Notifying the California Highway Patrol (CHP) and/or other jurisdictional agency if it appears that the pursuit may enter their jurisdiction.
- (e) Deputies involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit.

307.3.5 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT

There should be no paralleling of the pursuit route. Deputies are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Deputies should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road.

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

Mono County Sheriff's Department

Vehicle Pursuits

307.3.6 PURSUIT TRAILING

In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide necessary information and assistance for the arrest of the suspects.

The term trail means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing unit will maintain sufficient distance from the pursuit units so as to clearly indicate an absence of participation in the pursuit.

307.3.7 AIRCRAFT ASSISTANCE

When available, aircraft assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, it should assume control over the pursuit. The primary and secondary ground units should consider the participation of aircraft assistance when determining whether to continue the pursuit.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide deputies and supervisors with details of upcoming traffic congestion, road hazards, or other pertinent information to evaluate whether or not to continue the pursuit. If ground units are not within visual contact and the air unit determines that it is unsafe to continue the pursuit, the air unit has the authority to terminate the pursuit.

307.4 SUPERVISORY CONTROL AND RESPONSIBILITY

It is the policy of this department that available supervisory and management control will be exercised over all vehicle pursuits involving deputies from this department.

The field supervisor of the deputy initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for the following:

- (a) Upon becoming aware of a pursuit, immediately ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit in order to ensure that the pursuit is conducted within established department guidelines.
- (b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.
- (c) Exercising management and control of the pursuit even if not engaged in it.
- (d) Ensuring that no more than the number of required police units needed are involved in the pursuit under the guidelines set forth in this policy.
- (e) Directing that the pursuit be terminated if, in his/her judgment, it is unjustified to continue the pursuit under the guidelines of this policy.
- (f) Ensuring that aircraft are requested if available.
- (g) Ensuring that the proper radio channel is being used.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Pursuits

- (h) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this agency.
- (i) Controlling and managing MCSO units when a pursuit enters another jurisdiction.
- (j) Preparing post-pursuit critique and analysis of the pursuit for training purposes.

307.4.1 WATCH COMMANDER RESPONSIBILITY

Upon becoming aware that a pursuit has been initiated, the Watch Commander should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Watch Commander has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command.

The Watch Commander shall review all pertinent reports for content and forward to the Division Commander.

307.5 COMMUNICATIONS

If the pursuit is confined within the County limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or communications dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to an emergency channel most accessible by participating agencies and units.

307.5.1 COMMUNICATION CENTER RESPONSIBILITIES

Upon notification that a pursuit has been initiated, Dispatch will:

- (a) Coordinate pursuit communications of the involved units and personnel.
- (b) Notify and coordinate with other involved or affected agencies as practicable.
- (c) Ensure that a field supervisor is notified of the pursuit.
- (d) Assign an incident number and log all pursuit activities.
- (e) Broadcast pursuit updates as well as other pertinent information as necessary.
- (f) Notify the Watch Commander as soon as practicable.

307.5.2 LOSS OF PURSUED VEHICLE

When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspects. The primary unit will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

307.6 INTER-JURISDICTIONAL CONSIDERATIONS

When a pursuit enters another agency's jurisdiction, the primary deputy or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary deputy or

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Pursuits

supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

307.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY

Units originally involved will discontinue the pursuit when advised that another agency has assumed the pursuit and assistance of the Mono County Sheriff's Department is no longer needed. Upon discontinuing the pursuit, the primary unit may proceed upon request, with or at the direction of a supervisor, to the termination point to assist in the investigation.

The role and responsibilities of deputies at the termination of a pursuit initiated by this department shall be coordinated with appropriate consideration of the units from the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local agencies and CHP units, a request for CHP assistance will mean that they will assume responsibilities for the pursuit. For the same reasons, when a pursuit leaves the freeway and a request for assistance is made to this department, the CHP should relinquish control.

307.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Units from this department should not join a pursuit unless specifically requested to do so by the agency whose officers are in pursuit. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a unit from this department may join the pursuit until sufficient units from the initiating agency join the pursuit.

When a request is made for this department to assist or take over a pursuit from another agency that has entered this jurisdiction, the supervisor should consider these additional following factors:

- (a) Ability to maintain the pursuit
- (b) Circumstances serious enough to continue the pursuit
- (c) Adequate staffing to continue the pursuit
- (d) The public's safety within this jurisdiction
- (e) Safety of the pursuing deputies

As soon as practicable, a supervisor or the Watch Commander should review a request for assistance from another agency. The Watch Commander or supervisor, after consideration of the above factors, may decline to assist in, or assume the other agency's pursuit.

Assistance to a pursuing allied agency by deputies of this department will terminate at the County limits provided that the pursuing officers have sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Pursuits

In the event that a pursuit from another agency terminates within this jurisdiction, deputies shall provide appropriate assistance to officers from the allied agency including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

307.7 PURSUIT INTERVENTION

Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Pursuit Intervention Technique), ramming or roadblock procedures. In this context, ramming shall be construed to mean maneuvering the sheriff's unit into contact with the pursued vehicle to mechanically disable or forcibly position it such that further flight is not possible or practicable.

307.7.1 WHEN USE IS AUTHORIZED

Use of pursuit intervention tactics should be employed only after approval of a supervisor. In deciding whether to use intervention tactics, deputies/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the deputies and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances confronting the deputy at the time of the decision.

It is imperative that deputies act within the bounds of legality, good judgment and accepted practices.

307.7.2 DEFINITIONS

Blocking or vehicle intercept - A slow-speed coordinated maneuver where two or more patrol vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop, with the goal of containment and preventing a pursuit. Blocking is not a moving or stationary road block.

Boxing-in - A tactic designed to stop a violator's vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

Pursuit Intervention Technique (PIT) - A low-speed maneuver designed to cause the suspect vehicle to spin out and terminate the pursuit.

Ramming - The deliberate act of impacting a violator's vehicle with another vehicle to functionally damage or otherwise force the violator's vehicle to stop.

Roadblocks - A tactic designed to stop a violator's vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the violator's vehicle.

Spikes or tack strips - A device that extends across the roadway designed to puncture the tires of the pursued vehicle.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Pursuits

307.7.3 USE OF FIREARMS

The use of firearms to disable a pursued vehicle is not generally an effective tactic and involves all the dangers associated with discharging firearms. Deputies should not utilize firearms during an ongoing pursuit unless the conditions and circumstances dictate that such use reasonably appears necessary to protect life. Nothing in this section shall be construed to prohibit any deputy from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

307.7.4 INTERVENTION STANDARDS

Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the deputies, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of deadly force and subject to the requirements for such use. Deputies shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

- (a) Blocking or vehicle intercept should only be considered in cases involving felony suspects or impaired drivers who pose a threat to public safety when deputies reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this technique should only be employed by deputies who have received training in such tactics after giving consideration to the following:
 - 1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risks of injury or death to occupants of the suspect vehicle, deputies, or other members of the public.
 - 2. All other reasonable intervention techniques have failed or reasonably appear ineffective.
 - 3. Employing the blocking maneuver does not unreasonably increase the risk to officer safety.
 - 4. The target vehicle is stopped or traveling at a low speed.
 - 5. At no time should civilian vehicles be used to deploy this technique.
- (b) Only those deputies trained in the use of the Pursuit Intervention Technique (PIT) will be authorized to use this procedure and only then with approval of a supervisor upon consideration of the circumstances and conditions presented at the time, including the potential for risk of injury to deputies, the public and occupants of the pursued vehicle.
- (c) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the deputy's disposal have been exhausted. This tactic should be reserved for situations where there does not appear to be another reasonable alternative method. This policy is an administrative guide to direct deputies in their decision-making process before ramming another vehicle. When ramming is used as a means to stop a fleeing vehicle, one or more of the following factors should be present:

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Pursuits

1. The suspect is an actual or suspected felon who reasonably appears to represent a serious threat to the public if not apprehended.
 2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner.
 3. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized.
- (d) As with all intervention techniques, pursuing deputies should obtain supervisor approval before attempting to box a suspect vehicle during a pursuit. The use of such a technique must be carefully coordinated with all involved units, taking into consideration the circumstances and conditions presented at the time as well as the potential risk of injury to deputies, the public and occupants of the pursued vehicle.
- (e) The use of spike strips should be approved in advance by a supervisor and deployed only when it is reasonably certain that only the pursued vehicle will be affected by their use. Deputies should carefully consider the limitations of such devices as well as the potential risks to deputies, the public and occupants of the pursued vehicle. If the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials, or a school bus transporting children, deputies and supervisors should weigh the potential consequences against the need to immediately stop the vehicle.
- (f) Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor and only then under extraordinary conditions when all other reasonable intervention techniques have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, deputies or other members of the public.

307.7.5 CAPTURE OF SUSPECTS

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Deputies shall use only that amount of force, which reasonably appears necessary under the circumstances, to properly perform their lawful duties.

The primary Deputy should coordinate efforts to apprehend the suspect(s) following the pursuit. The Deputy should consider safety of the public and the involved officers when formulating plans to contain and capture the suspect.

307.8 REPORTING REQUIREMENTS

The following reports should be completed upon conclusion of all pursuits:

- (a) The primary deputy should complete appropriate crime/arrest reports.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Pursuits

- (b) The Watch Commander shall ensure that an Allied Agency Vehicle Pursuit Report (form CHP 187A) is filed with the CHP not later than 30 days following the pursuit (Vehicle Code § 14602.1). The primary deputy should complete as much of the required information on the form as is known and forward the report to the Watch Commander for review and distribution.
- (c) After first obtaining the available information, a field supervisor shall promptly complete a Supervisor's Log, briefly summarizing the pursuit, and submit it to his/her manager. This log should minimally contain the following information:
 - 1. Date and time of pursuit
 - 2. Length of pursuit
 - 3. Involved units and deputies
 - 4. Initial reason for pursuit
 - 5. Starting and termination points
 - 6. Disposition (arrest, citation), including arrestee information if applicable
 - 7. Injuries and/or property damage
 - 8. Medical treatment
 - 9. Name of supervisor at scene
 - 10. A preliminary determination whether the pursuit appears to be in compliance with this policy and whether additional review or follow-up is warranted

307.8.1 REGULAR AND PERIODIC PURSUIT TRAINING

In addition to initial and supplementary Police Officer Standard Training (POST) training on pursuits required by Penal Code § 13519.8, all sworn members of this department will participate no less than annually in regular and periodic department training addressing this policy and the importance of vehicle safety and protecting the public at all times, including a recognition of the need to balance the known offense and the need for immediate capture against the risks to deputies and others (Vehicle Code § 17004.7(d)).

307.8.2 POLICY REVIEW

Each sworn member of this department shall certify in writing that they have received, read and understand this policy initially and upon any amendments. The POST attestation form, or an equivalent form, may be used to document the compliance and should be retained in the member's training file.

307.9 APPLICATION OF VEHICLE PURSUIT POLICY

This policy is expressly written and adopted pursuant to the provisions of Vehicle Code § 17004.7, with additional input from the POST Vehicle Pursuit Guidelines.

Deputy Response to Calls

308.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

308.2 RESPONSE TO CALLS

Deputies dispatched "Code-3" shall consider the call an emergency response and proceed immediately. Deputies responding Code-3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code § 21055.

Responding with emergency light(s) and siren does not relieve the deputy of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

Deputies should only respond Code-3 when so dispatched or when circumstances reasonably indicate an emergency response is required. Deputies not authorized to respond Code-3 shall observe all traffic laws and proceed without the use of emergency lights and siren.

308.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of deputies, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting deputy shall immediately notify Dispatch.

If circumstances permit, the requesting deputy should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

308.3.1 NUMBER OF UNITS ASSIGNED

Normally, only one unit should respond to an emergency call Code-3 unless the Watch Commander or the field supervisor authorizes an additional unit(s).

308.4 INITIATING CODE 3 RESPONSE

If a deputy believes a Code-3 response to any call is appropriate, the deputy shall immediately notify Dispatch. Generally, only one unit should respond Code-3 to any situation. Should another deputy believe a Code-3 response is appropriate, Dispatch shall be notified and the Watch

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Deputy Response to Calls

Commander or field supervisor will make a determination as to whether one or more deputies driving Code-3 is appropriate.

308.5 RESPONSIBILITIES OF RESPONDING DEPUTIES

Deputies shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Deputies shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a Code-3 response is at the discretion of the deputy. If, in the deputy's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the deputy may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the deputy should immediately notify Dispatch. A deputy shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, a deputy shall immediately give the location from which he/she is responding.

308.6 COMMUNICATIONS RESPONSIBILITIES

A dispatcher shall assign a Code-3 response when a deputy requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. In all other circumstances, the dispatcher shall obtain authorization from the Watch Commander or a field supervisor prior to assigning units Code-3 . The dispatcher shall:

- (a) Attempt to assign the closest available unit to the location requiring assistance
- (b) Immediately notify the Watch Commander
- (c) Confirm the location from which the unit is responding
- (d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
- (e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
- (f) Control all radio communications during the emergency and coordinate assistance under the direction of the Watch Commander or field supervisor

308.7 SUPERVISORY RESPONSIBILITIES

Upon being notified that a Code-3 response has been initiated, the Watch Commander or the field supervisor shall verify the following:

- (a) The proper response has been initiated
- (b) No more than those units reasonably necessary under the circumstances are involved in the response
- (c) Affected outside jurisdictions are being notified as practical

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Deputy Response to Calls

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Watch Commander or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

308.8 FAILURE OF EMERGENCY EQUIPMENT

If the emergency equipment on the vehicle should fail to operate, the deputy must terminate the Code-3 response and respond accordingly. In all cases, the deputy shall notify the Watch Commander, field supervisor, or Dispatch of the equipment failure so that another unit may be assigned to the emergency response.

Canines

309.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment police services to the community including, but not limited to locating individuals and contraband and apprehending criminal offenders.

309.2 POLICY

It is the policy of the Mono County Sheriff's Department that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

309.3 ASSIGNMENT

Canine teams should be assigned to assist and supplement the Operations Division to function primarily in assist or cover assignments. However, they may be assigned by the Watch Commander to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time and then only with the approval of the Watch Commander.

309.4 CANINE COORDINATOR

The canine coordinator shall be appointed by and directly responsible to the Operations Division or the authorized designee.

The responsibilities of the coordinator include, but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.
- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine coordinators.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Canines

309.5 REQUESTS FOR CANINE TEAMS

Operations Division members are encouraged to request the use of a canine. Requests for a canine team from department units outside of the Operations Division shall be reviewed by the Watch Commander.

309.5.1 OUTSIDE AGENCY REQUEST

All requests for canine assistance from outside agencies must be approved by the Watch Commander and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

309.5.2 PUBLIC DEMONSTRATIONS

All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

309.6 APPREHENSION GUIDELINES

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has either committed, is committing or threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any deputy or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of deputies or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Canines

Absent a reasonable belief that a suspect has committed, is committing or is threatening to commit a serious offense, mere flight from a pursuing deputy, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Watch Commander. Absent a change in circumstances that present an imminent threat to deputies, the canine or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

309.6.1 PREPARATION FOR DEPLOYMENT

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include, but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to deputies or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other deputies at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Canines

309.6.2 WARNINGS AND ANNOUNCEMENTS

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

309.6.3 REPORTING DEPLOYMENTS, BITES AND INJURIES

Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in a canine use report. The injured person shall be promptly treated by emergency medical services personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current department evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Canines used by law enforcement agencies are generally exempt from impoundment and reporting requirements. However, the canine shall be made available for examination at any reasonable time if requested by the local health department. The canine handler shall also notify the local health department if the canine exhibits any abnormal behavior after a bite (Health and Safety Code § 121685).

309.7 NON-APPREHENSION GUIDELINES

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply.

- (a) Absent a change in circumstances that present an immediate threat to deputies, the canine or the public, such applications should be conducted on-leash or under

Mono County Sheriff's Department

Canines

conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.

- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.
- (c) Throughout the deployment the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.
- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

309.7.1 ARTICLE DETECTION

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

309.7.2 NARCOTICS DETECTION

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

- (a) The search of vehicles, buildings, bags and other articles.
- (b) Assisting in the search for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

309.7.3 BOMB/EXPLOSIVE DETECTION

Because of the high risk of danger to the public and deputies when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

- (a) Assisting in the search of a building, structure, area, vehicle or article where an actual or suspected explosive device has been reported or located.
- (b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
- (c) Preventive searches at special events, VIP visits, official buildings and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
- (d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

Mono County Sheriff's Department

Canines

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

309.8 HANDLER SELECTION

The minimum qualifications for the assignment of canine handler include:

- (a) A deputy who is currently off probation.
- (b) Residing in an adequately fenced, single-family residence (minimum 5-foot high fence with locking gates).
- (c) A garage that can be secured and accommodate a canine vehicle.
- (d) Living within 30 minutes travel time from the Mono County limits.
- (e) Agreeing to be assigned to the position for a minimum of three years.

309.9 HANDLER RESPONSIBILITIES

The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection and living conditions.

The canine handler will be responsible for the following:

- (a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all department equipment under his/her control in a clean and serviceable condition.
- (c) When not in service, the handler shall maintain the canine vehicle in a locked garage, away from public view.
- (d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the Mono County Sheriff's Department facility.
- (e) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.
- (f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.
- (g) When off-duty, the canine shall be in a kennel provided by the County at the home of the handler. When a canine is kenneled at the handler's home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
- (h) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Watch Commander.

Mono County Sheriff's Department

Canines

- (j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Watch Commander.
- (k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

309.9.1 CANINE IN PUBLIC AREAS

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the dog. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

309.10 HANDLER COMPENSATION

The canine handler shall be available for call-out under conditions specified by the canine coordinator.

The canine handler shall be compensated for time spent in the care, feeding, grooming and other needs of the canine in accordance with the Fair Labor Standards Act (FLSA), and according to the terms of the collective bargaining agreement (29 USC § 207).

309.11 CANINE INJURY AND MEDICAL CARE

In the event that a canine is injured, or there is an indication that the canine is not in good physical condition, the injury or condition will be reported to the canine coordinator or Watch Commander as soon as practicable and appropriately documented.

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

309.12 TRAINING

Before assignment in the field, each canine team shall be trained and certified to meet current POST guidelines or other recognized and approved certification standards. Cross-trained canine teams or those canine teams trained exclusively for the detection of narcotics and/or explosives also shall be trained and certified by the California Narcotic Canine Association (CNCA) or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all department members in order to familiarize them with how to conduct themselves in the presence of department canines.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Canines

All canine training should be conducted while on-duty unless otherwise approved by the canine coordinator or Watch Commander.

309.12.1 CONTINUED TRAINING

Each canine team shall thereafter be recertified to a current POST, CNCA or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

- (a) Canine teams should receive training as defined in the current contract with the Mono County Sheriff's Department canine training provider.
- (b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.
- (c) To ensure that all training is consistent, no handler, trainer or outside vendor is authorized to train to a standard that is not reviewed and approved by this department.

309.12.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

309.12.3 TRAINING RECORDS

All canine training records shall be maintained in the canine handler's and the canine's training file.

309.12.4 TRAINING AIDS

Training aids are required to effectively train and maintain the skills of canines. Deputies possessing, using or transporting controlled substances or explosives for canine training purposes must comply with federal and state requirements regarding the same. Alternatively, the Mono County Sheriff's Department may work with outside trainers with the applicable licenses or permits.

309.12.5 CONTROLLED SUBSTANCE TRAINING AIDS

Deputies acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws (Health & Safety Code § 11367.5; 21 USC § 823(f)).

The Sheriff or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Mono County Sheriff's Department to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this department for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Sheriff or the authorized designee may request narcotics training aids from the Drug Enforcement Agency (DEA).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Canines

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

309.12.6 CONTROLLED SUBSTANCE PROCEDURES

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.
- (b) The weight and test results shall be recorded and maintained by this department.
- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.
- (e) All controlled substance training samples will be stored in locked, airtight and watertight cases at all times, except during training. The locked cases shall be secured in the trunk of the canine handler's assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.
- (f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (g) Any unusable controlled substance training samples shall be returned to the Property Office or to the dispensing agency.
- (h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

309.12.7 EXPLOSIVE TRAINING AIDS

Deputies may possess, transport, store or use explosives or destructive devices in compliance with state and federal laws (Penal Code § 18800; 18 USC § 842; 27 CFR 555.41).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

- (a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.
- (b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.
- (c) The canine coordinator shall be responsible to verify the explosive training aids on hand against the inventory ledger once each quarter.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Canines

- (d) Only members of the canine team shall have access to the explosive training aids storage facility.
- (e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.
- (f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).

Domestic Violence

310.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this office to take enforcement action when appropriate, to provide assistance to victims and to guide deputies in the investigation of domestic violence.

310.1.1 DEFINITIONS

Definitions related to this policy include:

Court order - All forms of orders related to domestic violence, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

310.2 POLICY

The Mono County Sheriff's Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this office to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

310.3 OFFICER SAFETY

The investigation of domestic violence cases often places deputies in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all deputies to exercise due caution and reasonable care in providing for the safety of any deputies and parties involved.

310.4 INVESTIGATIONS

The following guidelines should be followed by deputies when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, deputies should obtain and document statements from the victim, the suspect and any witnesses, including children, in or around the household or location of occurrence.
- (c) Deputies should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Domestic Violence

- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigations in the event that the injuries later become visible.
- (f) Deputies should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, deputies should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence. If the domestic violence involved threats of bodily harm, any firearm discovered in plain view or pursuant to consent or other lawful search must be taken into temporary custody (Penal Code § 18250).
- (i) When completing an incident or arrest report for violation of a court order, deputies should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting deputy should attach a copy of the order to the incident or arrest report.
- (j) Deputies should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
 - 1. Marital status of suspect and victim.
 - 2. Whether the suspect lives on the premises with the victim.
 - 3. Claims by the suspect that the victim provoked or perpetuated the violence.
 - 4. The potential financial or child custody consequences of arrest.
 - 5. The physical or emotional state of either party.
 - 6. Use of drugs or alcohol by either party.
 - 7. Denial that the abuse occurred where evidence indicates otherwise.
 - 8. A request by the victim not to arrest the suspect.
 - 9. Location of the incident (public/private).
 - 10. Speculation that the complainant may not follow through with the prosecution.

Mono County Sheriff's Department

Domestic Violence

11. The racial, cultural, social, professional position or sexual orientation of the victim or suspect.

310.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, deputies should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

310.4.2 IF NO ARREST IS MADE

If no arrest is made, the deputy should:

- (a) Advise the parties of any options, including but not limited to:
 1. Voluntary separation of the parties.
 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

310.5 VICTIM ASSISTANCE

Victims may be traumatized or confused. Deputies should:

- (a) Recognize that a victim's behavior and actions may be affected.
- (b) Provide the victim with the office's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (c) Alert the victim to any available victim advocates, shelters and community resources.
- (d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
- (e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
- (f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the deputy determines that a need exists.
- (g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (h) Seek or assist the victim in obtaining an emergency order if appropriate.

A deputy shall advise an individual protected by a Canadian domestic violence protection order of available local victim services (Family Code § 6452).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Domestic Violence

310.6 DISPATCH ASSISTANCE

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Deputies should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

310.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by deputies as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

Canadian domestic violence protection orders shall also be enforced in the same manner as if issued in this state (Family Code § 6452).

310.8 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, deputies should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Deputies should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Deputies should contact a supervisor for clarification when needed.

310.9 LEGAL MANDATES AND RELEVANT LAWS

California law provides for the following:

310.9.1 STANDARDS FOR ARRESTS

Deputies investigating a domestic violence report should consider the following:

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Domestic Violence

- (a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is probable cause to do so requires supervisor approval.
 - 1. Deputies are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the deputy makes the arrest as soon as probable cause arises (Penal Code § 836).
- (b) A deputy responding to a domestic violence call who cannot make an arrest will advise the victim of his/her right to make a private person's arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Deputies shall not dissuade victims from making a lawful private person's arrest. Deputies should refer to the provisions in the Private Persons Arrests Policy for options regarding the disposition of private person's arrests (Penal Code § 836(b)).
- (c) Deputies shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):
 - 1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
 - 2. Penal Code § 273.5 (corporal injury on spouse, cohabitant, fiancé/fiancée, person of a previous dating or engagement relationship, mother/father of the offender's child)
 - 3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
 - 4. Penal Code § 646.9 (stalking)
 - 5. Other serious or violent felonies specified in Penal Code § 1270.1
- (d) In responding to domestic violence incidents, including mutual protective order violations, deputies should generally be reluctant to make dual arrests. Deputies shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, a deputy shall consider:
 - 1. The intent of the law to protect victims of domestic violence from continuing abuse.
 - 2. The threats creating fear of physical injury.
 - 3. The history of domestic violence between the persons involved.
 - 4. Whether either person acted in self-defense.
- (e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code § 836), regardless of whether the offense was committed in the deputy's presence. After arrest, the deputy shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).

310.9.2 COURT ORDERS

- (a) A deputy who obtains an emergency protective order from the court shall serve it on the restrained person if the person can be reasonably located, and shall provide the person protected or the person's parent/guardian with a copy of the order. The deputy shall file a copy with the court as soon as practicable and shall have the order entered into the computer database system for protective and restraining orders maintained by the Department of Justice (Family Code § 6271; Penal Code § 646.91).
- (b) At the request of the petitioner, a deputy at the scene of a reported domestic violence incident shall serve a court order on a restrained person (Family Code § 6383; Penal Code § 13710).
- (c) Any deputy serving a protective order that indicates that the respondent possesses weapons or ammunition shall request that the firearm/ammunition be immediately surrendered (Family Code § 6389(c)(2)).
- (d) During the service of a protective order any firearm discovered in plain view or pursuant to consent or other lawful search shall be taken into temporary custody (Penal Code § 18250).
- (e) If a valid Canadian order cannot be enforced because the person subject to the order has not been notified or served with the order, the deputy shall notify the protected individual that reasonable efforts shall be made to contact the person subject to the order. The deputy shall make a reasonable effort to inform the person subject to the order of the existence and terms of the order and provide him/her with a record of the order, if available, and shall allow the person a reasonable opportunity to comply with the order before taking enforcement action (Family Code § 6452).

310.9.3 PUBLIC ACCESS TO POLICY

A copy of this domestic violence policy will be provided to members of the public upon request (Penal Code § 13701).

310.9.4 REPORTS AND RECORDS

- (a) A written report shall be completed on all incidents of domestic violence. All such reports should be documented on the appropriate form, which includes information and notations specific to domestic violence incidents as required by Penal Code § 13730.
- (b) Reporting deputies should provide the victim with the case number of the report. The case number may be placed in the space provided on the domestic violence victim information handout provided to the victim. If the case number is not immediately available, an explanation should be given regarding how the victim can obtain the information at a later time.
- (c) Deputies who seize any firearm or other deadly weapon in a domestic violence incident shall issue the individual possessing such weapon a receipt and notice of where the weapon may be recovered, along with the applicable time limit for recovery (Penal Code § 18250; Penal Code § 33800; Family Code § 6389(c)(2)).

Mono County Sheriff's Department

Domestic Violence

310.9.5 RECORD-KEEPING AND DATA COLLECTION

This office shall maintain records of court orders related to domestic violence and the service status of each (Penal Code § 13710), as well as records on the number of domestic violence related calls reported to the Office, including whether weapons were used in the incident or whether the incident involved strangulation or suffocation (Penal Code § 13730). This information is to be reported to the Attorney General monthly. It shall be the responsibility of the Records Manager to maintain and report this information as required.

310.9.6 DECLARATION IN SUPPORT OF BAIL INCREASE

Any deputy who makes a warrantless arrest for a felony or misdemeanor violation of a domestic violence restraining order shall evaluate the totality of the circumstances to determine whether reasonable cause exists to seek an increased bail amount. If there is reasonable cause to believe that the scheduled bail amount is insufficient to assure the arrestee's appearance or to protect the victim or family member of a victim, the deputy shall prepare a declaration in support of increased bail (Penal Code § 1269c).

Search and Seizure

311.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Mono County Sheriff's Department personnel to consider when dealing with search and seizure issues.

311.2 POLICY

It is the policy of the Mono County Sheriff's Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to deputies as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

311.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, deputies are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Search and Seizure

311.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Deputies should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching deputy, a reasonable effort should be made to summon a deputy of the same sex as the subject to conduct the search. When it is not practicable to summon a deputy of the same sex as the subject, the following guidelines should be followed:
 1. Another deputy or a supervisor should witness the search.
 2. The deputy should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

311.5 DOCUMENTATION

Deputies are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon a deputy of the same sex as the person being searched and the identification of any witness deputy

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

Temporary Custody of Juveniles

312.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Mono County Sheriff's Department (34 USC § 11133).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

312.1.1 DEFINITIONS

Definitions related to this policy include:

Juvenile non-offender - An abused, neglected, dependent or alien juvenile who may be legally held for his/her own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian or other responsible person.

Juvenile offender - A juvenile 17 years of age or younger who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

Non-secure custody - When a juvenile is held in the presence of a deputy or other custody employee at all times and is not placed in a locked room, cell or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1(d); 15 CCR 1150).

Safety checks - Direct, visual observation personally by a member of this office performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of juveniles in temporary custody.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.
- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.

Mono County Sheriff's Department

Temporary Custody of Juveniles

- (d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.

Sight and sound separation - Located or arranged to prevent physical, visual or auditory contact.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

312.2 POLICY

The Mono County Sheriff's Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Mono County Sheriff's Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

312.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit any of the following conditions should not be held at the Mono County Sheriff's Department:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated except when approved by the Watch Commander. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol or any other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).
- (e) Extremely violent or continuously violent

Deputies taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).

These juveniles should not be held at the Mono County Sheriff's Department unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).

If the deputy taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release or a transfer is completed (15 CCR 1142).

Mono County Sheriff's Department

Temporary Custody of Juveniles

312.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY

When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Watch Commander shall be notified of the need for medical attention for the juvenile. Office members should administer first aid as applicable (15 CCR 1142).

312.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY

Office members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill him/herself or any unusual behavior which may indicate the juvenile may harm him/herself while in either secure or non-secure custody (15 CCR 1142).

312.4 CUSTODY OF JUVENILES

Deputies should take custody of a juvenile and temporarily hold the juvenile at the Mono County Sheriff's Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Mono County Sheriff's Department without authorization of the arresting deputy's supervisor or the Watch Commander. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the Mono County Sheriff's Department (34 USC § 11133; Welfare and Institutions Code § 207.1(d)).

312.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Mono County Sheriff's Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (34 USC § 11133; Welfare and Institutions Code § 206).

312.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, deputies may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders shall not be held in secure custody (34 USC § 11133).

312.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Mono County Sheriff's Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Temporary Custody of Juveniles

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and suspected of using a firearm in violation of Welfare and Institutions Code § 625.3 shall be transported to a juvenile facility.

A juvenile offender suspected of committing murder or a sex offense that may subject a juvenile to criminal jurisdiction under Welfare and Institutions Code § 602(b), or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

- (a) Released upon warning or citation.
- (b) Released to a parent or other responsible adult after processing at the Office.
- (c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
- (d) Transported to his/her home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating deputy or supervisor shall prefer the alternative which least restricts the juvenile's freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the deputy should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

312.4.4 JUVENILE'S PERSONAL PROPERTY

The deputy placing a juvenile into a detention room must make a thorough search of the juvenile's property. This will ensure all items likely to cause injury to the juvenile or the facility are confiscated and placed in a property bag. The property shall be inventoried in the juvenile's presence and sealed into the bag. The property will be maintained by the responsible detective or the desk personnel or locked in a juvenile property locker until the juvenile is released from the custody of the Mono County Sheriff's Department.

312.4.5 MONITORING OF JUVENILES

The juvenile shall constantly be monitored by the audio/video system during the entire detention. An in-person visual inspection shall be done to ensure the welfare of the juvenile and shall be conducted at least once each half-hour, on an unscheduled basis, until the juvenile is released. This inspection shall not be replaced by video monitoring. This inspection shall be conducted by a designee of the Watch Commander, and the visual inspection shall be logged on the Inspection Log in the Watch Commander's office.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Temporary Custody of Juveniles

More frequent visual inspections should be made as circumstances dictate as in the case of an injured or ill juvenile being detained, or if specific circumstances exist such as a disciplinary problem or suicide risk. In such instances the Watch Commander shall be fully informed about the special circumstances in order to evaluate continued detention of such a juvenile. Juvenile Security Report Logs and Confinements of Juvenile Logs shall be turned into the Records Manager or his/her designee at the end of each month.

312.4.6 FORMAL BOOKING

No juvenile shall be formally booked (Welfare and Institutions Code § 602 only) without the authorization of the arresting deputy's supervisor, or in his or her absence, the Watch Commander.

Any juvenile, 14-years of age or older, who is taken into custody for a felony, or any juvenile whose acts amount to a sex crime, shall be booked, fingerprinted, and photographed.

For all other acts defined as crimes, juveniles may be booked, fingerprinted, or photographed upon the approval from the Watch Commander or Detective Supervisor, giving due consideration to the following:

- (a) The gravity of the offense
- (b) The past record of the offender
- (c) The age of the offender

312.5 ADVISEMENTS

Deputies shall take immediate steps to notify the juvenile's parent, guardian or a responsible relative that the juvenile is in custody, the location where the juvenile is being held and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, he/she shall be given the *Miranda* rights advisement regardless of whether questioning is intended (Welfare and Institutions Code § 625).

Anytime a juvenile offender is placed in secure custody, he/she shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1(d)).

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to his/her parent or guardian; one to a responsible relative or his/her employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Office (34 USC § 11133; Welfare and Institutions Code § 207.1(d); Welfare and Institutions Code § 208; 15 CCR 1144). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Mono County Sheriff's Department (trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

312.8 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the Mono County Sheriff's Department shall ensure the following:

- (a) The Watch Commander should be notified if it is anticipated that a juvenile may need to remain at the Mono County Sheriff's Department more than four hours. This will enable the Watch Commander to ensure no juvenile is held at the Mono County Sheriff's Department more than six hours.

The deputy taking custody of a juvenile offender or status offender at the Mono County Sheriff's Department shall ensure a thorough search of the juvenile's property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile's presence and sealed into the bag. The property should be kept in a

monitored or secure location until the juvenile is released from the custody of the Mono County Sheriff's Department.

312.10 SUICIDE ATTEMPT, DEATH OR SERIOUS INJURY OF A JUVENILE

The Watch Commander will ensure procedures are in place to address the suicide attempt, death or serious injury of any juvenile held at the Mono County Sheriff's Department (15 CCR 1142; 15 CCR 1047). The procedures will address:

- (a) Immediate notification of the on-duty supervisor, Sheriff and Investigations Division Supervisor.

- (i) Evidence preservation.

312.11 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

Prior to conducting a custodial interrogation, including the waiver of *Miranda* rights, a deputy shall permit a juvenile 15 years of age or younger to consult with legal counsel in person, by telephone or by video conference. The consultation may not be waived by the juvenile. The requirement to consult with legal counsel does not apply when (Welfare and Institutions Code § 625.6):

- (a) Information is necessary to protect life or property from an imminent threat.
- (b) The questions are limited to what is reasonably necessary to obtain the information relating to the threat.

312.11.1 MANDATORY RECORDINGS OF JUVENILES

Any interrogation of an individual under 18 years of age who is in custody and suspected of committing murder shall be audio and video recorded when the interview takes place at a office facility, jail, detention facility or other fixed place of detention. The recording shall include the entire interview and a *Miranda* advisement preceding the interrogation (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Temporary Custody of Juveniles

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The individual refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of a deputy, the individual being interrogated or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

These recordings shall be retained until a conviction is final and all direct and habeas corpus appeals are exhausted, a court no longer has any jurisdiction over the individual or the prosecution for that offense is barred (Penal Code § 859.5; Welfare and Institutions Code § 626.8).

312.12 RELEASE OF INFORMATION CONCERNING JUVENILES

Court decisions and legislation have combined to carefully specify situations in which information may be given out or exchanged when a case involves a juvenile. Members of this office shall not divulge any information regarding juveniles unless they are certain of the legal authority to do so.

A copy of the current policy of the juvenile court concerning authorized release of information and appropriate acknowledgment forms shall be kept with copies of this procedure in the Mono County Sheriff's Department Policy Manual. Such releases are authorized by Welfare and Institutions Code § 827.

Welfare and Institutions Code § 828 authorizes the release of certain information to other agencies. It shall be the responsibility of the Records Manager and the appropriate Investigations supervisors to ensure that personnel of those bureaus act within legal guidelines.

312.13 RELIGIOUS ACCOMMODATION

Juveniles have the right to the same religious accommodation as adults in temporary custody (see the Temporary Custody of Adults Policy).

Adult Abuse

313.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Mono County Sheriff's Department members as required by law.

313.1.1 DEFINITIONS

Definitions related to this policy include:

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement (Penal Code § 368).

313.2 POLICY

The Mono County Sheriff's Department will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

313.3 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating deputy in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Adult Abuse

- (j) Results of investigations shall be provided to those agencies (Adult Protective Services (APS), long-term ombudsman) that referred or reported the adult abuse (Welfare and Institutions Code § 15640(f)).
- (k) Whether a death involved the End of Life Option Act:
 - 1. Whether or not assistance was provided to the person beyond that allowed by law (Health and Safety Code § 443.14)
 - 2. Whether an individual knowingly altered or forged a request for an aid-in-dying drug to end a person's life without his/her authorization, or concealed or destroyed a withdrawal or rescission of a request for an aid-in-dying drug (Health and Safety Code § 443.17)
 - 3. Whether coercion or undue influence was exerted on the person to request or ingest an aid-in-dying drug or to destroy a withdrawal or rescission of a request for such medication (Health and Safety Code § 443.17)
 - 4. Whether an aid-in-dying drug was administered to a person without his/her knowledge or consent (Health and Safety Code § 443.17).

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

313.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to adult abuse investigations.
- (c) Present all cases of alleged adult abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 15610.55).

313.5 MANDATORY NOTIFICATION

Members of the Mono County Sheriff's Department shall notify the local office of the California Department of Social Services (CDSS) APS agency when they reasonably suspect, have observed or have knowledge of an incident that reasonably appears to be abuse of an elder (age 65 or older) or dependent adult, or are told by an elder or dependent adult that he/she has experienced abuse (Welfare and Institutions Code § 15630(b)).

Notification shall be made by telephone as soon as practicable and a written report shall be provided within two working days as provided in Welfare and Institutions Code § 15630(b)(c)).

Mono County Sheriff's Department

Adult Abuse

A dependent adult is an individual, between 18 and 64 years of age, who has physical or mental limitations that restrict his/her ability to carry out normal activities or to protect his/her rights including, but not limited to, persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age. This also includes those admitted as inpatients to a 24-hour health facility, as defined in state law (Welfare and Institutions Code § 15610.23).

For purposes of notification, abuse is physical abuse, abandonment, abduction, isolation, financial abuse or neglect. Physical abuse includes any assault or sex crime (Welfare and Institutions Code § 15610.63). Financial abuse includes taking personal or real property by undue influence or intent to defraud (Welfare and Institutions Code § 15610.30).

Notification shall also be made to the following agencies as soon as practicable or as provided below (Welfare and Institutions Code § 15630):

- (a) If the abuse is physical abuse and occurred in a long-term care facility (not a state mental health hospital or a state developmental center) notification shall be made as follows (Welfare and Institutions Code § 15630(b)(1)):
 - 1. If there is serious bodily injury, notification shall be made by telephone and, within two hours, a written report shall be made to the local ombudsman and the corresponding licensing agency.
 - 2. If there is physical abuse and no serious bodily injury, notification shall be made by telephone and, within 24 hours, a written report shall be made to the local ombudsman and the corresponding licensing agency.
 - 3. If the abuse is allegedly caused by a resident with dementia and there is no serious bodily injury, notification shall be made by telephone and a written report to the local ombudsman within 24 hours.
 - 4. When a report of abuse is received by the Office, local ombudsman shall be called to coordinate efforts to provide the most immediate and appropriate response (Welfare and Institutions Code § 15630(b)).
- (b) If the abuse is in a long-term care facility (not a state mental health or a state developmental center) and is other than physical abuse, a telephone report and a written report shall be made to the local ombudsman as soon as practicable (Welfare and Institutions Code § 15630(b)).
- (c) The California Department of Public Health (DPH) shall be notified of all known or suspected abuse in a long-term care facility.
- (d) The SDSS shall be notified of all known or suspected abuse occurring in a residential care facility for the elderly or in an adult day program.
- (e) If the abuse occurred in an adult day health care center, DPH and the California Department of Aging shall be notified.

- (g) The District Attorney's office shall be notified of all cases of physical abuse and financial abuse in a long-term care facility.
- (h) If the abuse occurred at a state mental hospital or a state developmental center, notification shall be made to the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services as soon as practicable but no later than two hours after law enforcement becomes aware of the abuse (Welfare and Institutions Code § 15630(b)).
 - 1. When a report of abuse is received by the Office, Investigation efforts shall be coordinated with the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services (Welfare and Institutions Code § 15630(b)).
- (i) If during an investigation it is determined that the adult abuse is being committed by a licensed health practitioner as identified in Welfare and Institutions Code 15640(b), the appropriate licensing agency shall be immediately notified (Welfare and Institutions Code 15640(b)).
- (j) When the Office receives a report of abuse, neglect or abandonment of an elder or dependent adult alleged to have occurred in a long-term care facility, the licensing agency shall be notified by telephone as soon as practicable (Welfare and Institutions Code § 15640(e)).

The Investigations supervisor is responsible for ensuring that proper notifications have occurred to the District Attorney's Office and any other regulatory agency that may be applicable based upon where the abuse took place (e.g., care facility, hospital) per Welfare and Institutions Code § 15630(b).

Notification is not required for a person who was merely present when a person self-administered a prescribed aid-in-dying drug or a person prepared an aid-in-dying drug so long as the person did not assist the individual in ingesting the aid-in-dying drug (Health and Safety Code § 443.14; Health and Safety Code § 443.18).

313.5.1 NOTIFICATION PROCEDURE

Adult Abuse

313.6 PROTECTIVE CUSTODY

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the deputy should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this office should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the deputy should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the deputy shall ensure that the adult is delivered to APS.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

313.6.1 EMERGENCY PROTECTIVE ORDERS

In any situation which a deputy reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the deputy may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

313.7 INTERVIEWS

313.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, deputies should audio record the preliminary interview with a suspected adult abuse victim. Deputies should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating deputies should defer interviews until a person who is specially trained in such interviews is available.

313.7.2 DETAINING VICTIMS FOR INTERVIEWS

A deputy should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Adult Abuse

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
 - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

313.8 MEDICAL EXAMINATIONS

When an adult abuse investigation requires a medical examination, the investigating deputy should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The deputy should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, deputies should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for deputies to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

313.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

313.9.1 SUPERVISOR RESPONSIBILITIES

The Investigations supervisor should:

- (a) Work with professionals from the appropriate agencies, including APS, other law enforcement agencies, medical service providers and local prosecutors, to develop community specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when a deputy notifies the Investigations supervisor that he/she has responded to a drug lab or other narcotics crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives.
- (c) Develop a report format or checklist for use when deputies respond to drug labs or other narcotics crime scenes. The checklist will help deputies document the environmental, medical, social and other conditions that may affect the adult.

Adult Abuse

313.9.2 DEPUTY RESPONSIBILITIES

Deputies responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives should:

- (a) Document the environmental, medical, social and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigations supervisor so an interagency response can begin.

313.10 STATE MANDATES AND OTHER RELEVANT LAWS

California requires or permits the following:

313.10.1 RECORDS BUREAU RESPONSIBILITIES

- (b) Retaining the original adult abuse report with the initial case file.

313.11 TRAINING

The Office should provide training on best practices in adult abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting interviews.
- (c) Availability of therapy services for adults and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to adult abuse investigations.
- (f) Availability of victim advocates or other support.

Discriminatory Harassment

314.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent office members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

314.2 POLICY

The Mono County Sheriff's Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The Office will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Office will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the Office may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

314.3 DEFINITIONS

Definitions related to this policy include:

314.3.1 DISCRIMINATION

The Office prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on the actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status and other classifications protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment, can include making derogatory comments, crude and offensive statements or remarks; making slurs or off-color jokes, stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters or material; making inappropriate physical contact; or using written material or office equipment and/or systems to transmit or receive offensive material, statements or pictures. Such conduct is contrary to office policy and to a work environment that is free of discrimination.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Discriminatory Harassment

314.3.2 SEXUAL HARASSMENT

The Office prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors or other verbal, visual or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

314.3.3 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the California Fair Employment and Housing Council guidelines.
- (b) Bona fide requests or demands by a supervisor that a member improve his/her work quality or output, that the member report to the job site on time, that the member comply with County or office rules or regulations, or any other appropriate work-related communication between supervisor and member.

314.3.4 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because he/she has engaged in protected activity, filed a charge of discrimination, participated in an investigation or opposed a discriminatory practice. Retaliation will not be tolerated.

314.4 RESPONSIBILITIES

This policy applies to all office personnel. All members shall follow the intent of these guidelines in a manner that reflects office policy, professional law enforcement standards and the best interest of the Office and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to his/her immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Sheriff, the Human Resources or the County Administrator.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Discriminatory Harassment

Any member who believes, in good faith, that he/she has been discriminated against, harassed or subjected to retaliation, or who has observed harassment or discrimination, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

314.4.1 SUPERVISOR RESPONSIBILITIES

The responsibilities of each supervisor and manager shall include, but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment or retaliation.
- (c) Ensuring that his/her subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Sheriff or Human Resources in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment or retaliation no later than the next business day.

314.4.2 SUPERVISOR'S ROLE

Because of differences in individual values, supervisors and managers may find it difficult to recognize that their behavior or the behavior of others is discriminatory, harassing or retaliatory. Supervisors and managers shall be aware of the following considerations:

- (a) Behavior of supervisors and managers should represent the values of the Office and professional law enforcement standards.
- (b) False or mistaken accusations of discrimination, harassment or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members or issuing discipline, in a manner that is consistent with established procedures.

314.4.3 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment or retaliation are encouraged to contact a supervisor, a manager, the Sheriff, the Human Resources, the County Administrator or the California Department of Fair Employment and Housing for further information, direction or clarification.

314.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Office that all complaints of discrimination, retaliation or harassment shall be fully documented and promptly and thoroughly investigated.

314.5.1 SUPERVISORY RESOLUTION

Members who believe they are experiencing discrimination, harassment or retaliation should be encouraged to inform the individual that his/her behavior is unwelcome, offensive, unprofessional or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing his/her concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

314.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint or for offering testimony or evidence in any investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include, but is not limited to, details of the specific incident, frequency and dates of occurrences and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed or retaliated against because of their protected status, are encouraged to follow the chain of command but may also file a complaint directly with the Sheriff, Human Resources or the County Administrator.

314.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Office. Members who believe that they have been harassed, discriminated or retaliated against are entitled to bring complaints of employment discrimination to federal, state and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

314.6 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on forms and in a manner designated by the Sheriff. The outcome of all reports shall be:

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Discriminatory Harassment

- Approved by the Sheriff, the County Administrator or the Human Resources, depending on the ranks of the involved parties.
- Maintained in accordance with the office's established records retention schedule.

314.6.1 NOTIFICATION OF DISPOSITION

The complainant and/or victim will be notified in writing of the disposition of the investigation and the actions taken to remedy or address the circumstances giving rise to the complaint.

314.7 TRAINING

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that he/she has been advised of this policy, is aware of and understands its contents and agrees to abide by its provisions during his/her term with the Office.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents and agree that they will continue to abide by its provisions.

314.7.1 SUPERVISOR TRAINING

All supervisors shall receive specific training and education regarding sexual harassment, prevention of abusive conduct and harassment based on gender identity, gender expression and sexual orientation within six months of assuming a supervisory position. Refresher training shall be provided every two years thereafter (Government Code § 12950.1; 2 CCR 11024).

314.7.2 TRAINING RECORDS

The Training Sergeant shall be responsible for maintaining records of all discriminatory harassment training provided to members. Records shall be retained in accordance with established records retention schedules and for a minimum of two years (2 CCR 11024).

314.8 WORKING CONDITIONS

The Administration Division Commander or the authorized designee should be responsible for reviewing facility design and working conditions for discriminatory practices. This person should collaborate with other County employees who are similarly tasked (2 CCR 11034).

314.9 REQUIRED POSTERS

The Office shall display the required posters regarding discrimination, harassment and transgender rights in a prominent and accessible location for members (Government Code § 12950).

Child Abuse

315.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Mono County Sheriff's Department members are required to notify the county Child Protective Services (CPS) of suspected child abuse.

315.1.1 DEFINITIONS

Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency or law enforcement (Penal Code § 11165.9; Penal Code § 11166).

315.2 POLICY

The Mono County Sheriff's Department will investigate all reported incidents of alleged criminal child abuse and ensure CPS is notified as required by law.

315.3 MANDATORY NOTIFICATION

The child protection agency shall be notified when (Penal Code § 11166):

- (a) There is a known or suspected instance of child abuse or neglect reported, which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or
- (b) A person responsible for the child's welfare fails to adequately protect the child from abuse when the person knew or reasonably should have known that the child was in danger of abuse.

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority (Penal Code 11166.1; Penal Code 11166.2).

For purposes of notification, the abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1); neglect (Penal Code § 11165.2); the willful harming or injuring of a child or the endangering of the person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code § 11165.4). Child abuse or neglect does not include a mutual affray between minors,

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Child Abuse

nor does it include an injury caused by the reasonable and necessary force used by a peace officer acting within the course and scope of his/her employment as a peace officer.

315.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (Penal Code § 11166):

- (a) Notification shall be made immediately, or as soon as practicable, by telephone, fax or electronic transmission.
- (b) A written follow-up report should be forwarded within 36 hours of receiving the information concerning the incident.

315.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available for child abuse investigations. These investigators should:

- (a) Conduct interviews in child appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 18961.7).

315.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Deputies shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating deputy in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if deputies interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Child Abuse

- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

315.5.1 EXTRA JURISDICTIONAL REPORTS

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, office members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. If the caller cannot be successfully transferred to the appropriate agency, a report shall be taken and immediately referred by telephone, fax or electronic transfer to the agency with proper jurisdiction (Penal Code 11165.9).

315.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the deputy should make reasonable attempts to contact CPS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this office should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the deputy should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the deputy shall ensure that the child is delivered to CPS.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Child Abuse

- (a) The deputy reasonably believes the child is a person described in Welfare and Institutions Code § 300, or a commercially exploited child under Penal Code § 647 and Penal Code § 653.22, and further has good cause to believe that any of the following conditions exist:
1. The child has an immediate need for medical care.
 2. The child is in immediate danger of physical or sexual abuse.
 3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child's health or safety. In the case of a child left unattended, the deputy shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.
- (b) The deputy reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:
1. It reasonably appears to the deputy that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.
 2. There is no lawful custodian available to take custody of the child.
 3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
 4. The child is an abducted child.
- (c) The child is in the company of, or under the control of, a person arrested for Penal Code § 278 (Detainment or concealment of child from legal custodian) or Penal Code § 278.5 (Deprivation of custody of a child or right to visitation) (Penal Code § 279.6).

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

315.6.1 CALIFORNIA SAFELY SURRENDERED BABY LAW

An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.

315.6.2 NEWBORNS TESTING POSITIVE FOR DRUGS

Under certain circumstances, deputies can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs.

Deputies shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

315.7 INTERVIEWS

315.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, deputies should record the preliminary interview with suspected child abuse victims. Deputies should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating deputies should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

315.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

A deputy should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

315.7.3 INTERVIEWS AT A SCHOOL

Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

315.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating deputy should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The deputy should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, deputies should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for deputies to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

315.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

315.9.1 SUPERVISOR RESPONSIBILITIES

The Investigations supervisor should:

- (a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when a deputy notifies the Investigations supervisor that the deputy has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when deputies respond to drug labs or other narcotics crime scenes. The checklist will help deputies document the environmental, medical, social and other conditions that may affect the child.

315.9.2 DEPUTY RESPONSIBILITIES

Deputies responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigations supervisor so an interagency response can begin.

315.10 STATE MANDATES AND OTHER RELEVANT LAWS

California requires or permits the following:

315.10.1 RELEASE OF REPORTS

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Penal Code 841.5; Penal Code § 11167.5).

315.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSE CENTRAL INDEX (CACI)

Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California's CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Child Abuse

315.10.3 CACI HEARING OFFICER

The Investigations supervisor will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person's name being submitted to CACI. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.

315.10.4 CACI HEARING PROCEDURES

The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

- (a) Case reports including any supplemental reports
- (b) Statements by investigators
- (c) Statements from representatives of the District Attorney's Office
- (d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party's name should be removed from the CACI list. Such determination shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the person's name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

315.10.5 CHILD DEATH REVIEW TEAM

This office should cooperate with any interagency child death review team investigation. Written and oral information relating to the death of a child that would otherwise be subject to release restrictions may be disclosed to the child death review team upon written request and approval of a supervisor (Penal Code § 11174.32).

315.11 TRAINING

The Office should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

Mono County Sheriff's Department

Missing Persons

316.1 PURPOSE AND SCOPE

This policy provides guidance for handling missing person investigations.

316.1.1 DEFINITIONS

At risk - Includes, but is not limited to (Penal Code § 14215):

- A victim of a crime or foul play.
- A person missing and in need of medical attention.
- A missing person with no pattern of running away or disappearing.
- A missing person who may be the victim of parental abduction.
- A mentally impaired missing person, including cognitively impaired or developmentally disabled.

Missing person - Any person who is reported missing to law enforcement when the person's location is unknown. This includes a child who has been taken, detained, concealed, enticed away or kept by a parent in violation of the law (Penal Code § 277 et seq.). Missing person networks - Databases or computer networks available to law enforcement and that are suitable for information related to missing persons investigations. These include the National Crime Information Center (NCIC), the California Law Enforcement Telecommunications System (CLETS), Missing Person System (MPS) and the Unidentified Persons System (UPS).

316.2 POLICY

The Mono County Sheriff's Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. The Mono County Sheriff's Department gives missing person cases priority over property-related cases and will not require any time frame to pass before beginning a missing person investigation (Penal Code § 14211).

Conduct

320.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Mono County Sheriff's Department and are expected of all office members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this office or a member's supervisors.

320.2 POLICY

The continued employment or appointment of every member of the Mono County Sheriff's Department shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

320.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any office supervisor or person in a position of authority, absent a reasonable and bona fide justification.

320.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or office policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, office policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

320.5 CAUSES FOR DISCIPLINE

Passwords are used for various purposes such as user accounts, web accounts, email accounts, screen saver protection, voicemail password, and local router logins. Since very few systems have support for one-time tokens (i.e., dynamic passwords which are only used once), everyone should be aware of how to select strong passwords. As such, all employees are responsible for taking the appropriate steps, as outlined below, to select and secure their passwords.

1. All passwords shall be changed on a routine basis, and the time frame of such will be identified by the Sheriff. Each system, server and or computer may have a preloaded program requiring an automatic password change which will be adhered to by all employees.

2. Passwords must not be inserted into email messages or other forms of electronic communication, and passwords should be unique between various accounts held by that employee.

3. Passwords should conform to the guidelines described below relating to strong passwords:

- Have digits and punctuation characters as well as letters
- Are at least ten alphanumeric characters long
- Is not a word in any language, slang, dialect, jargon, etc.
- Are not based on personal information, names of family, etc.

Poor or weak passwords have the following characteristics:

- Less than ten characters
- A word found in a dictionary (English or foreign)
- A common usage word such as:
 - Names of family, pets, friends, co-workers, fantasy characters, etc.
 - Computer terms and names, commands, sites, companies, hardware, software.
 - Words relating to the agency or company you work for, cities or their nicknames, etc.

Where possible, do not use the same password for various Mono County access needs. Do not share Mono County passwords with anyone, All passwords are to be treated as sensitive, Confidential Mono County Government information.

- Do not reveal a password over the phone to ANYONE

Some incidents and report forms lend themselves to block print rather than typing. In general, the narrative portion of those reports where an arrest is made or when there is a long narrative should be typed or dictated.

Supervisors may require, with the foregoing general policy in mind, block printing or typing of reports of any nature for departmental consistency.

322.3.2 GENERAL USE OF OTHER HANDWRITTEN FORMS

County, state and federal agency forms may be block printed as appropriate. In general, the form itself may make the requirement for typing apparent.

322.4 REPORT CORRECTIONS

Supervisors shall review reports for content and accuracy. If a correction is necessary, the reviewing supervisor should complete the Report Correction form stating the reasons for rejection. The original report and the correction form should be returned to the reporting employee for correction as soon as practical. It shall be the responsibility of the originating deputy to ensure that any report returned for correction is processed in a timely manner.

322.5 REPORT CHANGES OR ALTERATIONS

Reports that have been approved by a supervisor and submitted to the Records Bureau for filing and distribution shall not be modified or altered except by way of a supplemental report. Reviewed reports that have not yet been submitted to the Records Bureau may be corrected or modified by the authoring deputy only with the knowledge and authorization of the reviewing supervisor.

Media Relations

323.1 PURPOSE AND SCOPE

This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

323.2 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Sheriff, however, in situations not warranting immediate notice to the Sheriff and in situations where the Sheriff has given prior approval, Division Commanders, Watch Commanders and designated Public Information Officer(s) may prepare and release information to the media in accordance with this policy and the applicable law.

323.2.1 MEDIA REQUEST

Any media request for information or access to a law enforcement situation shall be referred to the designated department media representative, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, employees shall consider the following:

- (a) At no time shall any employee of this department make any comment or release any official information to the media without prior approval from a supervisor or the designated department media representative.
- (b) In situations involving multiple law enforcement agencies, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.
- (c) Under no circumstance should any member of this department make any comments to the media regarding any law enforcement incident not involving this department without prior approval of the Sheriff.

323.3 MEDIA ACCESS

Authorized members of the media shall be provided access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities subject to the following conditions (Penal Code § 409.5(d)):

- (a) The media representative shall produce valid press credentials that shall be prominently displayed at all times while in areas otherwise closed to the public.
- (b) Media representatives may be prevented from interfering with emergency operations and criminal investigations.
 - 1. Reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should

Mono County Sheriff's Department

Media Relations

be coordinated through the department Public Information Officer or other designated spokesperson.

2. Whenever the presence of media or other aircraft pose a threat to public or officer safety or significantly hampers incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Watch Commander. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration should be contacted (14 CFR 91.137).
- (c) No member of this department who is under investigation shall be subjected to media visits or interviews without the consent of the involved employee (Government Code § 3303(e)).
 - (d) Media interviews with individuals who are in custody should not be permitted without the approval of the Sheriff and the express consent of the person in custody.

A tactical operation should be handled in the same manner as a crime scene, except the news media shall be permitted within the outer perimeter of the scene, subject to any restrictions as determined by the supervisor in charge. Department members shall not jeopardize a tactical operation in order to accommodate the news media. All comments to the media shall be coordinated through a supervisor or the Public Information Officer.

323.3.1 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of deputies and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the news media, nor should media representatives be invited to be present at such actions except with the prior approval of the Sheriff.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception the Sheriff will consider, at minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person or is otherwise prohibited by law.

323.4 SCOPE OF INFORMATION SUBJECT TO RELEASE

The Department will maintain a daily information log of significant law enforcement activities that shall be made available, upon request, to media representatives through the Watch Commander. This log will generally contain the following information:

- (a) The date, time, location, case number, type of crime, extent of injury or loss, and names of individuals (except confidential informants) involved in crimes occurring within this jurisdiction unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation

Mono County Sheriff's Department

Media Relations

- (b) The date, time, location, case number, name, birth date and charges for each person arrested by this department unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation
- (c) The time and location of other significant law enforcement activities or requests for service with a brief summary of the incident subject to the restrictions of this policy and applicable law

At no time shall identifying information pertaining to a juvenile arrestee (13 years of age and under), victim or witness be publicly released without prior approval of a competent court. The identity of a minor 14 years of age or older shall not be publicly disclosed unless the minor has been arrested for a serious felony and the release of such information has been approved by the Watch Commander (Welfare and Institutions Code § 827.5).

Identifying information concerning deceased individuals shall not be released to the media until notification of next of kin or otherwise cleared through the Coroner's Office.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated department media representative, the custodian of records, or if unavailable, to the Watch Commander. Such requests will generally be processed in accordance with the provisions of the Public Records Act (Government Code § 6250, et seq.).

323.4.1 RESTRICTED INFORMATION

It shall be the responsibility of the authorized employee dealing with media requests to ensure that restricted information is not inappropriately released to the media by this department. When in doubt, authorized and available legal counsel should be obtained.

Subpoenas and Court Appearances

324.1 PURPOSE AND SCOPE

This policy establishes the guidelines for department members who must appear in court. It will allow the Mono County Sheriff's Department to cover any related work absences and keep the Department informed about relevant legal matters.

324.2 POLICY

Mono County Sheriff's Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

324.3 SUBPOENAS

Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so. This may be accomplished by personal service to the deputy or by delivery of two copies of the subpoena to the deputy's supervisor or other authorized departmental agent (Government Code § 68097.1; Penal Code § 1328(c)).

The party that issues a civil subpoena to a deputy to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328(d)(e)):

- (a) He/she knows that he/she will be unable to deliver a copy of the subpoena to the named deputy within sufficient time for the named deputy to comply with the subpoena.
- (b) It is less than five working days prior to the date listed for an appearance and he/she is not reasonably certain that service can be completed.

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines that he/she is unable to deliver a copy of the subpoena to the named deputy within sufficient time for the named deputy to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328(f)).

324.3.1 SPECIAL NOTIFICATION REQUIREMENTS

Any member who is subpoenaed to testify, agrees to testify or provides information on behalf of or at the request of any party other than the County Counsel or the prosecutor shall notify his/her immediate supervisor without delay regarding:

- (a) Any civil case where the County or one of its members, as a result of his/her official capacity, is a party.
- (b) Any civil case where any other city, county, state or federal unit of government or a member of any such unit of government, as a result of his/her official capacity, is a party.

The supervisor will then notify the Sheriff and the appropriate prosecuting attorney as may be indicated by the case. The Sheriff should determine if additional legal support is necessary.

No member shall be retaliated against for testifying in any matter.

324.3.2 CIVIL SUBPOENA

The Department will compensate members who appear in their official capacities on civil matters arising out of their official duties, as directed by the current memorandum of understanding or collective bargaining agreement.

The Department should seek reimbursement for the member's compensation through the civil attorney of record who subpoenaed the member.

324.3.3 OFF-DUTY RELATED SUBPOENAS

Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

324.4 FAILURE TO APPEAR

Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

324.5 STANDBY

To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes his/her location during the day, the member shall notify the designated department member of how he/she can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

324.6 COURTROOM PROTOCOL

When appearing in court, members shall:

- (a) Be punctual and prepared to proceed immediately with the case for which they are scheduled to appear.
- (b) Dress in the department uniform or business attire.

- (c) Observe all rules of the court in which they are appearing and remain alert to changes in the assigned courtroom where their matter is to be heard.

324.6.1 TESTIMONY

Before the date of testifying, the subpoenaed member shall request a copy of relevant reports and become familiar with the content in order to be prepared for court.

324.7 OVERTIME APPEARANCES

When a member appears in court on his/her off-duty time, he/she will be compensated in accordance with the current memorandum of understanding or collective bargaining agreement.

Reserve Deputies

325.1 PURPOSE AND SCOPE

The Mono County Sheriff's Department Reserve Unit was established to supplement and assist regular sworn sheriff's deputies in their duties. This unit provides professional, sworn volunteer reserve deputies who can augment regular staffing levels.

325.2 SELECTION & APPOINTMENT OF SHERIFF'S RESERVE OFFICERS_DEPUTIES

The Mono County Sheriff's Department shall endeavor to recruit and appoint to the Reserve Unit only those applicants who meet the high ethical, moral and professional standards set forth by this department.

325.2.1 PROCEDURE

All applicants shall be required to meet and pass the same pre-employment procedures as regular sheriff's deputies before appointment.

Before appointment to the Sheriff's Reserve Unit, an applicant must have completed a POST approved academy or extended academy.

325.2.2 APPOINTMENT

Applicants who are selected for appointment to the Sheriff's Reserve Unit shall, on the recommendation of the Sheriff, be sworn in by the Sheriff and take a loyalty oath to observe and obey all of the laws of the land and to carry out their duties to the best of their ability.

325.2.3 COMPENSATION FOR SHERIFF'S RESERVE OFFICERS

Compensation for reserve deputies is provided as follows:

All reserve deputy appointees are issued two sets of uniforms and all designated attire and safety equipment. All property issued to the reserve deputy shall be returned to the Department upon termination or resignation. Reserves shall receive a yearly uniform allowance equal to that of regular deputies.

If the reserve deputy is currently a Public Safety Officer for Mono County, they shall only receive an additional payment of funds bringing their current uniform allowance they receive from their bargaining unity equal to that of a regular deputy.

325.2.4 EMPLOYEES WORKING AS RESERVE DEPUTIES

Qualified employees of this department, when authorized, may also serve as reserve deputies. However, the Department must not utilize the services of a reserve or volunteer in such a way that it would violate employment laws or labor agreements (e.g., a detention deputy working as a reserve deputy for reduced or no pay). Therefore, the Reserve Coordinator should consult the Department of Human Resources prior to an employee serving in a reserve or volunteer capacity (29 CFR 553.30).

Mono County Sheriff's Department

Reserve Deputies

325.3 DUTIES OF RESERVE DEPUTIES

Reserve deputies assist regular deputies in the enforcement of laws and in maintaining peace and order within the community. Assignments of reserve deputies will usually be to augment the Operations Division. Reserve deputies may be assigned to other areas within the Department as needed. Reserve deputies are required to work a minimum of 16 hours per month.

325.3.1 POLICY COMPLIANCE

Sheriff's reserve deputies shall be required to adhere to all departmental policies and procedures. A copy of the policies and procedures will be made available to each reserve deputy upon appointment and he/she shall become thoroughly familiar with these policies.

Whenever a rule, regulation, or guideline in this manual refers to a sworn regular full-time deputy, it shall also apply to a sworn reserve deputy unless by its nature it is inapplicable.

325.3.2 RESERVE DEPUTY ASSIGNMENTS

All reserve deputies will be assigned to duties by the Reserve Coordinator or his/her designee.

325.3.3 RESERVE COORDINATOR

The Sheriff shall delegate the responsibility for administering the Reserve Deputy Program to a Reserve Coordinator.

The Reserve Coordinator shall have the responsibility of, but not be limited to:

- (a) Assignment of reserve personnel
- (b) Conducting reserve meetings
- (c) Establishing and maintaining a reserve call-out roster
- (d) Maintaining and ensuring performance evaluations are completed
- (e) Monitoring individual reserve deputy performance
- (f) Monitoring overall Reserve Program
- (g) Maintaining liaison with other agency Reserve Coordinators

325.4 FIELD TRAINING

Penal Code § 832.6(a)(2) requires Level I reserve deputies, who have not been released from the immediate supervision requirement per Policy Manual § 350.4.7, to work under the immediate supervision of a peace officer who possesses a Basic POST Certificate.

325.4.1 TRAINING OFFICERS

All reserve deputies will be assigned a Field Training Officer (FTO) who has been designated an FTO by the Department.

325.4.2 FIELD TRAINING MANUAL

Each new reserve deputy will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and/or skills necessary to properly

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Reserve Deputies

function as a deputy with the Mono County Sheriff's Department. The reserve deputy shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

325.4.3 COMPLETION OF THE PRIMARY TRAINING PHASE

Upon completion of the Level II Academy, reserve deputies will be assigned a Field Training Officer (FTO). The FTO will be selected by members of the FTO Committee. The reserve deputy will be assigned to work with his/her FTO(s) to complete 200 hours of Reserve Deputy Level II training.

During this training period, the reserve deputy's performance will be closely monitored and evaluated by both the FTO and Reserve Coordinator. Over the course of training, the reserve deputy will have meetings with both his/her FTO and the Coordinator to discuss the progress of the reserve deputy.

At the end of this training phase, the FTO(s) and coordinator will determine if the reserve deputy has satisfactorily completed the training. If the reserve deputy's progress is not satisfactory, the Coordinator will decide upon the appropriate action to be taken.

When a reserve deputy has satisfactorily completed the training program, he/she will no longer be required to ride with an FTO. The reserve deputy may now be assigned to ride with any deputy, who is off probationary status.

325.5 SUPERVISION OF RESERVE DEPUTIES

Reserve deputies who have attained the status of Level II shall be under the immediate supervision of a regular sworn deputy (Penal Code 832.6(a)(2)). The immediate supervision requirement shall also continue for reserve deputies who have attained Level I status unless special authorization is received from the Reserve Coordinator with the approval of the Division Commander.

325.5.1 SPECIAL AUTHORIZATION REQUIREMENTS

Reserve deputies certified as Level I may, with prior authorization of the Reserve Coordinator and on approval of the Division Commander, be relieved of the "immediate supervision" requirement. Level I reserve deputies may function under the authority of Penal Code § 832.6(a)(1) only for the duration of the assignment or purpose for which the authorization was granted.

In the absence of the Reserve Coordinator and the Division Commander, the Watch Commander may assign a certified Level I reserve deputy to function under the authority of Penal Code § 832.6(a)(1) for specific purposes and duration.

325.5.2 RESERVE DEPUTY MEETINGS

All reserve deputy meetings will be scheduled and conducted by the Reserve Coordinator. All reserve deputies are required to attend scheduled meetings. Any absences must be satisfactorily explained to the Reserve Coordinator.

325.5.3 IDENTIFICATION OF RESERVE DEPUTIES

All reserve deputies will be issued a uniform badge and a Department identification card. The uniform badge shall be the same as that worn by a regular full-time deputy. The identification card

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Reserve Deputies

will be the standard identification card with the exception that "Reserve" will be indicated on the card.

325.5.4 UNIFORM

Reserve deputies shall conform to all uniform regulation and appearance standards of this department.

325.5.5 INVESTIGATIONS AND COMPLAINTS

If a reserve deputy has a complaint made against him/her or becomes involved in an internal investigation, that complaint or internal investigation may be investigated by the Reserve Coordinator, at the discretion of the Operations Division Commander.

Reserve deputies are considered at-will employees. Government Code § 3300 et seq. applies to reserve deputies with the exception that the right to hearing is limited to the opportunity to clear their name.

Any disciplinary action that may have to be administered to a reserve deputy shall be accomplished as outlined in the Policy Manual.

325.5.6 RESERVE DEPUTY EVALUATIONS

While in training reserves will be continuously evaluated using standardized daily and weekly observation reports. The reserve will be considered a trainee until all of the training phases have been completed. Reserves having completed their field training will be evaluated annually using performance dimensions applicable to the duties and authorities granted to that reserve.

325.6 FIREARMS REQUIREMENTS

Penal Code § 830.6(a)(1) designates a reserve deputy as having peace officer powers during his/her assigned tour of duty, provided the reserve deputy qualifies or falls within the provisions of Penal Code § 832.6.

325.6.1 CARRYING WEAPON ON DUTY

Penal Code § 830.6(a)(1) permits qualified reserve deputies to carry a loaded firearm while on-duty. It is the policy of this department to allow reserves to carry firearms only while on-duty or to and from duty.

325.6.2 CONCEALED FIREARMS PROHIBITED

No reserve deputy will be permitted to carry a concealed firearm while in an off-duty capacity, other than to and from work, except those reserve deputies who possess a valid CCW permit. An instance may arise where a reserve deputy is assigned to a plainclothes detail for his/her assigned tour of duty. Under these circumstances, the reserve deputy may be permitted to carry a weapon more suited to the assignment with the knowledge and approval of the supervisor in charge of the detail.

Any reserve deputy who is permitted to carry a firearm other than the assigned duty weapon may do so only after verifying that the weapon conforms to departmental standards. The weapon

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Reserve Deputies

must be registered by the reserve deputy and be inspected and certified as fit for service by a departmental armorer.

Before being allowed to carry any optional firearm during an assigned tour of duty, the reserve deputy shall have demonstrated his/her proficiency with said weapon.

When a reserve deputy has satisfactorily completed all three phases of training (as outlined in Policy Manual § 350.4), he/she may be issued a permit to carry a concealed weapon. The decision to issue a concealed weapon permit will be made by the Sheriff with input from the Reserve Program Coordinator and administrative staff. In issuing a concealed weapon permit a reserve deputy's qualification will be individually judged. A reserve deputy's dedication to the program and demonstrated maturity, among other factors, will be considered before a concealed weapon permit will be issued. Once issued, the concealed weapon permit will be valid only for as long as the reserve deputy remains in good standing with the Mono County Sheriff's Department Reserve Deputy Program.

325.6.3 RESERVE DEPUTY FIREARM TRAINING

All reserve deputies are required to maintain proficiency with firearms used in the course of their assignments. Reserve deputies shall comply with all areas of the firearms training section of the Policy Manual, with the following exceptions:

- (a) All reserve deputies are required to qualify at least every other month
- (b) Reserve deputies may fire at the department approved range at least once each month and more often with the approval of the Reserve Coordinator
- (c) Should a reserve deputy fail to qualify over a two-month period, that reserve deputy will not be allowed to carry a firearm until he/she has reestablished his/her proficiency

325.7 EMERGENCY CALL-OUT FOR RESERVE PERSONNEL

The Reserve Coordinator shall develop a plan outlining an emergency call-out procedure for reserve personnel.

Outside Agency Assistance

325.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

325.2 POLICY

It is the policy of the Mono County Sheriff's Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this office.

325.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from another agency should be routed to the Watch Commander's office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this office, the Watch Commander may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this office.

Deputies may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this office until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this office will not ordinarily be booked at this office. Only in exceptional circumstances, and subject to supervisor approval, will this office provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

325.3.1 INITIATED ACTIVITY

Any on-duty deputy who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Mono County Sheriff's Department shall notify his/her supervisor or the Watch Commander and Dispatch as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

325.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Outside Agency Assistance

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

325.5 REPORTING REQUIREMENTS

Incidents of outside assistance or law enforcement activities that are not documented in a crime report shall be documented in a general case report or as directed by the Watch Commander.

325.6 MANDATORY SHARING

Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administration Division Commander or the authorized designee.

The documentation should include:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
 - 1. The use of the supplies and equipment.
 - 2. The members trained in the use of the supplies and equipment.
- (c) Any other requirements for use of the equipment and supplies.

Copies of the documentation should be provided to Dispatch and the Watch Commander to ensure use of the equipment and supplies is in compliance with the applicable sharing agreements.

The Training Sergeant should maintain documentation that the appropriate members have received the required training.

Registered Offender Information

326.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the Mono County Sheriff's Department will address issues associated with certain offenders who are residing in the jurisdiction and how the Office will disseminate information and respond to public inquiries for information about registered sex, arson and drug offenders.

326.2 POLICY

It is the policy of the Mono County Sheriff's Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

326.3 REGISTRATION

The Investigations supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the California Department of Justice (DOJ) in accordance with applicable law (Health and Safety Code § 11594; Penal Code § 457.1; Penal Code § 290 et seq.).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

326.3.1 CONTENTS OF REGISTRATION

The information collected from the registering offenders shall include a signed statement as required by the California DOJ, fingerprints and a photograph and any other information required by applicable law (Health and Safety Code § 11594; Penal Code § 457.1; Penal Code § 290 et seq.).

326.4 MONITORING OF REGISTERED OFFENDERS

The Investigations supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.
- (b) Review of information on the California DOJ website for sex offenders.
- (c) Contact with a registrant's parole or probation officer.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Registered Offender Information

Any discrepancies should be reported to the California DOJ.

The Investigations supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Mono County Sheriff's Department personnel, including timely updates regarding new or relocated registrants.

326.5 DISSEMINATION OF PUBLIC INFORMATION

Members will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Members who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Sheriff if warranted. A determination will be made by the Sheriff, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on sex registrants should be provided the Megan's Law website or the Mono County Sheriff's Department's website. Information on sex registrants placed on the Mono County Sheriff's Department's website shall comply with the requirements of Penal Code § 290.46.

The Records Manager may release local registered offender information to residents only in accordance with applicable law (Penal Code § 290.45; Penal Code § 290.46; Penal Code § 457.1; Health and Safety Code § 11594), and in compliance with a California Public Records Act (Government Code § 6250-6276.48) request.

326.5.1 LIMITED RELEASE WITHIN COLLEGE CAMPUS COMMUNITY

California law allows the following additional information regarding a registered sex offender on campus, whose information is not available to the public via the internet website, to be released to a campus community (Penal Code § 290.01(d)):

- (a) The offender's full name
- (b) The offender's known aliases
- (c) The offender's sex
- (d) The offender's race
- (e) The offender's physical description
- (f) The offender's photograph
- (g) The offender's date of birth
- (h) Crimes resulting in the registration of the offender under Penal Code § 290
- (i) The date of last registration

For purposes of this section, campus community shall be defined as those persons present at or regularly frequenting any place constituting campus property, satellite facilities, laboratories, public areas contiguous to the campus and other areas set forth in Penal Code § 290.01(d).

326.5.2 RELEASE NOTIFICATIONS

Registrant information that is released should include notification that:

- (a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.
- (b) The information is provided as a public service and may not be current or accurate.
- (c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.
- (d) The crime for which a person is convicted may not accurately reflect the level of risk.
- (e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.
- (f) The purpose of the release of information is to allow members of the public to protect themselves and their children from sex offenders (Penal Code 290.45).

Major Incident Notification

327.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of this department in determining when, how and to whom notification of major incidents should be made.

327.2 POLICY

The Mono County Sheriff's Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

327.3 MINIMUM CRITERIA FOR NOTIFICATION

Most situations where the media show a strong interest are also of interest to the Sheriff and the affected Division Commander. The following list of incident types is provided as a guide for notification and is not intended to be all inclusive:

- Significant injury or death to employee - on or off duty
- Death of a prominent Mono official
- Arrest of a department employee or prominent Mono official
- Aircraft crash with major damage and/or injury or death
- In-custody deaths

327.4 WATCH COMMANDER RESPONSIBILITY

The Watch Commander is responsible for making the appropriate notifications. The Watch Commander shall make reasonable attempts to obtain as much information on the incident as possible before notification. The Watch Commander shall attempt to make the notifications as soon as practicable. Notification should be made by calling the home telephone number first and then by any other available contact numbers.

327.4.1 STAFF NOTIFICATION

In the event an incident occurs described in the Major Incident Notification Policy, the Sheriff shall be notified along with the affected Division Commander and the Detective Lieutenant if that division is affected.

If the incident requires that a detective respond from home, the immediate supervisor of the appropriate detail shall be contacted who will then contact the appropriate detective.

327.4.3 PUBLIC INFORMATION OFFICER (PIO)

The Public Information Officer shall be called after members of staff have been notified that it appears the media may have a significant interest in the incident.

Death Investigation

328.1 PURPOSE AND SCOPE

The investigations of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

328.2 INVESTIGATION CONSIDERATIONS

Death investigation cases require certain actions be taken. Paramedics shall be called in all suspected death cases unless the death is obvious (e.g., decapitated, decomposed). A supervisor shall be notified in all death investigations.

328.2.1 CORONER REQUEST

Government Code § 27491 and Health & Safety Code § 102850 direct the Coroner to inquire into and determine the circumstances, manner and cause of certain deaths. The Coroner shall be called in any of the following cases:

- (a) Unattended deaths (No physician in attendance or during the continued absence of the attending physician. Also, includes all deaths outside hospitals and nursing care facilities).
- (b) Deaths where the deceased has not been attended by either a physician or a registered nurse, who is a member of a hospice care interdisciplinary team, as defined by Health and Safety Code § 1746 in the 20 days prior to death.
- (c) Physician unable to state the cause of death. Unwillingness does not apply. Includes all sudden, unexpected and unusual deaths and fetal deaths when the underlying cause is unknown.
- (d) Known or suspected homicide.
- (e) Known or suspected suicide.
- (f) Involving any criminal action or suspicion of a criminal act. Includes child and dependent adult negligence and abuse.
- (g) Related to or following known or suspected self-induced or criminal abortion.
- (h) Associated with a known or alleged rape or crime against nature.
- (i) Following an accident or injury (primary or contributory). Deaths known or suspected as resulting (in whole or in part) from or related to accident or injury, either old or recent.
- (j) Drowning, fire, hanging, gunshot, stabbing, cutting, starvation, exposure, alcoholism, drug addiction, strangulation or aspiration.
- (k) Accidental poisoning (food, chemical, drug, therapeutic agents).

Death Investigation

- (l) Occupational diseases or occupational hazards.
- (m) Known or suspected contagious disease and constituting a public hazard.
- (n) All deaths in operating rooms and all deaths where a patient has not fully recovered from an anesthetic, whether in surgery, recovery room or elsewhere.
- (o) In prison or while under sentence. Includes all in-custody and sheriff's involved deaths.
- (p) All deaths of unidentified persons.
- (q) All deaths of state hospital patients.
- (r) Suspected Sudden Infant Death Syndrome (SIDS) deaths.
- (s) All deaths where the patient is comatose throughout the period of the physician's attendance. Includes patients admitted to hospitals unresponsive and expire without regaining consciousness.

The body shall not be disturbed or moved from the position or place of death without permission of the coroner.

328.2.2 SEARCHING DEAD BODIES

The Coroner or Deputy Coroner is generally the only person permitted to search a body known to be dead from any of the circumstances set forth in Government Code § 27491. The only exception is that a deputy is permitted to search the body of a person killed in a traffic collision for the limited purpose of locating an anatomical donor card (Government Code § 27491.3). If such a donor card is located, the Coroner or a designee shall be promptly notified. Should exigent circumstances indicate to a deputy that any search of a known dead body is warranted prior to the arrival of the Coroner or a designee; the investigating deputy shall first obtain verbal consent from the Coroner or a designee (Government Code § 27491.2).

Whenever possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain at the scene with the deputy pending the arrival of the Coroner or a designee. The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Coroner or a designee, a receipt shall be obtained. This receipt shall be attached to the death report.

328.2.3 DEATH NOTIFICATION

When practical, and if not handled by the Coroner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the deputy assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Coroner may be requested to make the notification. The Coroner needs to know if notification has been made. Assigned detectives may need to talk to the next-of-kin.

Mono County Sheriff's Department

Death Investigation

328.2.4 UNIDENTIFIED DEAD BODIES

If the identity of a dead body cannot be established after the Coroner arrives, the Coroner's office will issue a "John Doe" or "Jane Doe" number for the report.

328.2.5 DEATH INVESTIGATION REPORTING

All incidents involving a death shall be documented on the appropriate form.

328.2.6 SUSPECTED HOMICIDE

If the initially assigned deputy suspects that the death involves a homicide or other suspicious circumstances, the Investigations Division shall be notified to determine the possible need for a detective to respond to the scene for further immediate investigation.

328.2.7 EMPLOYMENT RELATED DEATHS OR INJURIES

Any member of this agency who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's employment shall ensure that the nearest office of Cal-OSHA is notified by telephone immediately or as soon as practicable with all pertinent information (8 CCR 342(b)).

Identity Theft

329.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

329.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, deputies presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report for victims residing within the jurisdiction of this department when the crime occurred. For incidents of identity theft occurring outside this jurisdiction, deputies should observe the following:
 1. For any victim not residing within this jurisdiction, the deputy may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides.
- (b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, deputies of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).
- (c) Deputies should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Deputies should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.
- (e) The reporting deputy should inform victims of identity theft that the California Identity Theft Registry is available to help those who are wrongly linked to crimes. The registry can be checked by law enforcement and other authorized persons to investigate whether a criminal history or want was created in the victim's name (Penal Code § 530.7). Information regarding the California Identity Theft Registry can be obtained by calling toll free (888) 880-0240.
- (f) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.

Private Persons Arrests

330.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

330.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

Penal Code § 836(b) expressly mandates that all deputies shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, deputies should use sound discretion in determining whether or not to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, deputies should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

330.3 ARRESTS BY PRIVATE PERSONS

Penal Code § 837 provides that a private person may arrest another:

- (a) For a public offense committed or attempted in his or her presence;
- (b) When the person arrested has committed a felony, although not in his or her presence;
- (c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

330.4 DEPUTY RESPONSIBILITIES

Any deputy presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

- (a) Should any deputy determine that there is no reasonable cause to believe that a private person's arrest is lawful, the deputy should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.
 - 1. Any deputy who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b)

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Private Persons Arrests

- (1). The deputy must include the basis of such a determination in a related report.
 2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the deputy, the deputy should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever a deputy determines that there is reasonable cause to believe that a private person's arrest is lawful, the deputy may exercise any of the following options:
1. Take the individual into physical custody for booking
 2. Release the individual pursuant to a Notice to Appear
 3. Release the individual pursuant to Penal Code § 849

330.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a department Private Person's Arrest form under penalty of perjury.

In addition to the Private Person's Arrest Form (and any other related documents such as citations, booking forms, etc.), deputies shall complete a narrative report regarding the circumstances and disposition of the incident.

Anti-Reproductive Rights Crimes Reporting

331.1 PURPOSE AND SCOPE

This policy shall establish a procedure for the mandated reporting of Anti-Reproductive Rights Crimes (ARRC) to the Attorney General pursuant to the Reproductive Rights Law Enforcement Act (Penal Code § 13775 et seq.).

331.2 DEFINITIONS

Penal Code § 423.2 provides that the following acts shall be considered Anti-Reproductive Rights Crimes (ARRC) when committed by any person, except a parent or guardian acting towards his or her minor child or ward:

- (a) By force, threat of force, or physical obstruction that is a crime of violence, intentionally injures, intimidates, interferes with, or attempts to injure, intimidate, or interfere with any person or entity because that person or entity is a reproductive health services client, provider, or assistant, or in order to intimidate any person or entity, or any class of persons or entities, from becoming or remaining a reproductive health services client, provider, or assistant
- (b) By non-violent physical obstruction, intentionally injures, intimidates, or interferes with, or attempts to injure, intimidate, or interfere with, any person or entity because that person or entity is a reproductive health services client, provider, or assistant, or in order to intimidate any person or entity, or any class of persons or entities, from becoming or remaining a reproductive health services client, provider or assistant
- (c) Intentionally damages or destroys the property of a person, entity, or facility, or attempts to do so, because the person, entity, or facility is a reproductive health services client, provider, assistant, or facility

331.3 REPORTING REQUIREMENTS TO THE ATTORNEY GENERAL

- (a) Upon the receipt of the report of an ARRC, it shall be the responsibility of the employee taking such a report to also complete an ARRC Data Collection Worksheet (BCIA 8371) in accordance with the instructions contained on such forms.
- (b) The ARRC Data Collection Worksheet shall be processed with all related reports and forwarded to the Investigation Division Commander.
- (c) By the tenth day of each month, it shall be the responsibility of the Investigation Division Commander to ensure that a Summary Worksheet (BCIA 8370) is submitted to the Department of Justice Criminal Justice Statistics Center.
 1. In the event that no ARRC(s) were reported during the previous month, a Summary Worksheet shall be submitted to Department of Justice with an indication that no such crimes were reported.

Limited English Proficiency Services

332.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

332.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

Qualified bilingual member - A member of the Mono County Sheriff's Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

332.2 POLICY

It is the policy of the Mono County Sheriff's Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

332.2.1 IDENTIFICATION OF LEP INDIVIDUAL'S LANGUAGE

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language in an effort to avoid misidentifying that language.

332.3 LEP COORDINATOR

The Sheriff shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Operations Division Commander or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

- (a) Coordinating and implementing all aspects of the Mono County Sheriff's Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Watch Commander and Sergeant, Public Safety Officer (SPSO). The list should include information regarding the following:
 1. Languages spoken
 2. Contact information
 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

332.4 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

332.5 TYPES OF LEP ASSISTANCE AVAILABLE

Mono County Sheriff's Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

332.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

332.7 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Limited English Proficiency Services

332.8 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other County departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

332.8.1 LEP COORDINATOR

The Sheriff will appoint an LEP Coordinator who is responsible for coordinating and implementing all aspects of the Mono County Sheriff's Department LEP services to LEP individuals.

The LEP Coordinator shall assess demographic data, review contracted language access services utilization data, and consult with community-based organizations annually in order to determine if there are additional languages into which vital documents should be translated.

The LEP Coordinator will also be responsible for annually reviewing all new documents issued by the Mono County Sheriff's Department to assess whether they should be considered vital documents and be translated.

332.9 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Limited English Proficiency Services

- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

332.9.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other County departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

332.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

332.10 CONTACT AND REPORTING

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Limited English Proficiency Services

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

332.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Mono County Sheriff's Department will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

332.11.1 EMERGENCY CALLS TO 9-1-1

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in Dispatch, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

332.12 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the deputy is unable to effectively communicate with an LEP individual.

If available, deputies should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Limited English Proficiency Services

332.13 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, deputies should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

332.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

332.15 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

Mono County Sheriff's Department

332.16 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

332.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

332.18 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Sergeant shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

332.18.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Sergeant shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

Communications with Persons with Disabilities

333.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

333.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

Qualified interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

333.2 POLICY

It is the policy of the Mono County Sheriff's Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

333.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Sheriff shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Operations Division Commander or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the County ADA coordinator regarding the Mono County Sheriff's Department's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Communications with Persons with Disabilities

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Watch Commander and Sergeant, Public Safety Officer (SPSO). The list should include information regarding the following:
 - 1. Contact information
 - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

333.4 FACTORS TO CONSIDER

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

Mono County Sheriff's Department

Communications with Persons with Disabilities

333.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Mono County Sheriff's Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

333.6 TYPES OF ASSISTANCE AVAILABLE

Mono County Sheriff's Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Communications with Persons with Disabilities

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

333.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

333.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

333.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Communications with Persons with Disabilities

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

333.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

333.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

333.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Communications with Persons with Disabilities

333.13 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the deputy is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, deputies should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

333.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

333.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Communications with Persons with Disabilities

has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

333.15 ARREST AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting deputy shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the deputy reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

333.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

333.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

Mono County Sheriff's Department

333.18 TRAINING

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Sergeant shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

333.18.1 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all Dispatch members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.

334.2.4 ARREST OF COMMUNITY COLLEGE INSTRUCTOR

In the event a teacher or instructor employed in a community college district school is arrested for any controlled substance offense enumerated in Health and Safety Code § 11590 or Health and Safety § 11364, in so far as that section relates to Health and Safety Code § 11054(d)(9), or for any of the offenses enumerated in Penal Code § 290 or in Penal Code § 261(a)(1), the Sheriff or the authorized designee is mandated to immediately notify by telephone the superintendent of the community college district employing the person, and shall immediately give written notice of the arrest to the California Community Colleges Chancellor's Office (Health and Safety Code § 11591.5; Penal Code § 291.5).

The Mono County Sheriff's Department will meet the reporting requirements of California law to minimize the risks to children and others.

334.4 ARREST OF PERSONS EMPLOYED IN COMMUNITY CARE FACILITIES

In the event an employee of a community treatment facility, a day treatment facility, a group home, a short-term residential therapeutic program or a foster family agency is arrested for child abuse (as defined in Penal Code § 11165.6) and the employee is free to return to work where children are present, the investigating member shall notify the licensee of the charge of abuse (Health and Safety Code § 1522.2).

Biological Samples

335.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples from those required to register, for example, sex offenders.

335.2 POLICY

The Mono County Sheriff's Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

335.3 PERSONS SUBJECT TO DNA COLLECTION

Those who must submit a biological sample include (Penal Code § 296):

- (a) A person, including a juvenile, upon conviction or other adjudication of any felony offense.
- (b) A person, including a juvenile, upon conviction or other adjudication of any offense if the person has a prior felony on record.
- (c) An adult arrested or charged with any felony.

335.4 PROCEDURE

When an individual is required to provide a biological sample, a trained employee shall obtain the sample in accordance with this policy.

335.4.1 COLLECTION

The following steps should be taken to collect a sample:

- (a) Verify that the individual is required to provide a sample pursuant to Penal Code § 296; Penal Code § 296.1.
- (b) Verify that a biological sample has not been previously collected from the offender by querying the individual's criminal history record for a DNA collection flag or, during regular business hours, calling the California Department of Justice (DOJ) designated DNA laboratory. There is no need to obtain a biological sample if one has been previously obtained.
- (c) Use a DNA buccal swab collection kit provided by the California DOJ to perform the collection and take steps to avoid cross contamination.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Biological Samples

335.5 USE OF FORCE TO OBTAIN SAMPLES

If a person refuses to cooperate with the sample collection process, deputies should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order and only with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

- (a) The person's parole or probation officer when applicable.
- (b) The prosecuting attorney to seek additional charges against the person for failure to comply or to otherwise bring the refusal before a judge.
- (c) The judge at the person's next court appearance.
- (d) The person's attorney.
- (e) A chaplain.
- (f) Another custody facility with additional resources, where an arrestee can be transferred to better facilitate sample collection.
- (g) A supervisor who may be able to authorize custodial disciplinary actions to compel compliance, if any are available.

The supervisor shall review and approve any plan to use force and be present to document the process.

335.5.1 VIDEO RECORDING

A video recording should be made anytime force is used to obtain a biological sample. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the department's records retention schedule (15 CCR 1059).

335.5.2 CELL EXTRACTIONS

If the use of force includes a cell extraction, the extraction shall be video recorded, including audio. Video shall be directed at the cell extraction event. The video recording shall be retained by the Department for the length of time required by statute. Notwithstanding the use of the video as evidence in a criminal proceeding, the tape shall be retained administratively (15 CCR 1059).

335.6 LEGAL MANDATES AND RELEVANT LAWS

California law provides for the following:

335.6.1 DOCUMENTATION RELATED TO FORCE

The Watch Commander shall prepare prior written authorization for the use of any force (15 CCR 1059). The written authorization shall include information that the subject was asked to provide the requisite specimen, sample or impression and refused, as well as the related court order authorizing the force.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Biological Samples

335.6.2 BLOOD SAMPLES

A blood sample should only be obtained under this policy when:

- (a) The California DOJ requests a blood sample and the subject consents, or
- (b) A court orders a blood sample following a refusal.

The withdrawal of blood may only be performed in a medically approved manner by health care providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this purpose (Penal Code § 298(a); Penal Code § 298(b)(2)).

335.6.3 LITIGATION

The Sheriff or authorized designee should notify the California DOJ's DNA Legal Unit in the event this department is named in a lawsuit involving the DNA Data Bank sample collection, sample use or any aspect of the state's DNA Data Bank Program.

Child and Dependent Adult Safety

336.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this office (Penal Code § 833.2(a)).

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Adult Abuse policies.

336.2 POLICY

It is the policy of this office to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Mono County Sheriff's Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

336.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, deputies should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, deputies should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Deputies should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, deputies should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, deputies should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the deputy at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Child and Dependent Adult Safety

336.3.1 AFTER AN ARREST

Whenever an arrest is made, the deputy should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Deputies should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Deputies should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), deputies should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
 - 1. Except when a court order exists limiting contact, the deputy should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify Child Protective Services or the Division of Aging and Adult Services, if appropriate.
- (e) Notify the field supervisor or Watch Commander of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting deputy should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

336.3.2 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law (Penal Code § 851.5(c)).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Child and Dependent Adult Safety

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

336.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Special needs (e.g., medical, mental health)
 - 5. How, where and with whom or which agency the child was placed
 - 6. Identities and contact information for other potential caregivers
 - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Whether he/she reasonably appears able to care for him/herself
 - 5. Disposition or placement information if he/she is unable to care for him/herself

336.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling deputies, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

336.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or office adult, the handling deputy should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate (Welfare and Institutions Code § 305).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the sheriff's facility, transported in a marked patrol car or taken into formal protective custody.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Child and Dependent Adult Safety

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

336.5 TRAINING

The Training Sergeant is responsible to ensure that all personnel of this office who may be involved in arrests affecting children or dependent adults receive approved POST-approved training on effective safety measures when a parent, guardian or caregiver is arrested (Penal Code § 13517.7).

Service Animals

337.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA).

337.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

337.2 POLICY

It is the policy of the Mono County Sheriff's Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

337.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Service Animals

- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

337.4 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Mono County Sheriff's Department affords to all members of the public (28 CFR 35.136).

Off-Duty Law Enforcement Actions

338.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place a deputy as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for deputies of the Mono County Sheriff's Department with respect to taking law enforcement action while off-duty.

338.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Deputies should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Deputies are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, deputies should first consider reporting and monitoring the activity and only take direct action as a last resort.

338.3 FIREARMS

Deputies of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms Policy. When carrying firearms while off-duty deputies shall also carry their department-issued badge and identification.

Deputies should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any deputy who has consumed an amount of an alcoholic beverage or taken any drugs or medications or any combination thereof that would tend to adversely affect the deputy's senses or judgment.

338.4 DECISION TO INTERVENE

There is no legal requirement for off-duty deputies to take law enforcement action. However, should deputies decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.

Mono County Sheriff's Department

- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty deputy to be misidentified by other peace officers or members of the public.

Deputies should consider waiting for on-duty uniformed deputies to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

338.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary the deputy should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty deputy is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the deputy should loudly and repeatedly identify him/herself as an Mono County Sheriff's Department deputy until acknowledged. Official identification should also be displayed.

338.4.2 INCIDENTS OF PERSONAL INTEREST

Deputies should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances deputies should call the responsible agency to handle the matter.

338.4.3 NON-SWORN RESPONSIBILITIES

Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

338.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed deputy in public, uniformed deputies should wait for acknowledgement by the non-uniformed deputy in case he/she needs to maintain an undercover capability.

338.5 REPORTING

Any off-duty deputy who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Watch Commander as soon as practicable. The Watch Commander shall determine whether a report should be filed by the employee.

Deputies should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

a complaint to the office regarding alleged misconduct or inappropriate job performance by office members.

343.9 SAFETY AND OTHER CONSIDERATIONS

Office members responsible for community relations activities should consider the safety of the community participants and, as much as reasonably practicable, not allow them to be present in any location or situation that would jeopardize their safety.

Office members in charge of community relations events should ensure that participating community members have completed waiver forms before participation, if appropriate. A parent or guardian must complete the waiver form if the participating community member has not reached 18 years of age.

Community members are subject to a criminal history check before approval for participation in certain activities, such as citizen academies.

343.10 COMMUNITY ADVISORY COMMITTEE

The Sheriff should establish a committee of volunteers consisting of community members, community leaders and other community stakeholders (e.g., representatives from schools, churches, businesses, social service organizations). The makeup of the committee should reflect the demographics of the community as much as practicable.

The committee should convene regularly to:

- (a) Provide a public forum for gathering information about public safety concerns in the community.
- (b) Work with the Office to develop strategies to solve public safety problems.
- (c) Generate plans for improving the relationship between the Office and the community.
- (d) Participate in community outreach to solicit input from community members, including youth from the community.

The Training Sergeant should arrange for initial and ongoing training for committee members on topics relevant to their responsibilities.

The Sheriff may include the committee in the evaluation and development of office policies and procedures and may ask them to review certain personnel complaints for the purpose of providing recommendations regarding supervisory, training or other issues as appropriate.

343.10.1 LEGAL CONSIDERATIONS

The Sheriff and the community relations coordinator should work with the County Counsel as appropriate to ensure the committee complies with any legal requirements such as public notices, records maintenance and any other associated obligations or procedures.

Community Relations

343.11 TRANSPARENCY

The Office should periodically publish statistical data and analysis regarding the office's operations. The reports should not contain the names of deputies, suspects or case numbers. The community relations coordinator should work with the community advisory committee to identify information that may increase transparency regarding office operations.

343.12 TRAINING

Subject to available resources, members should receive training related to this policy, including training on topics such as:

- (a) Effective social interaction and communication skills.
- (b) Cultural, racial and ethnic diversity and relations.
- (c) Building community partnerships.
- (d) Community policing and problem-solving principles.
- (e) Enforcement actions and their effects on community relations.

Chapter 4 - Patrol Operations

Patrol Function

400.1 PURPOSE AND SCOPE

The purpose of this policy is to define the patrol function and address intraorganizational cooperation and information sharing.

400.2 INFORMATION SHARING

To the extent feasible, all information relevant to the mission of the Office should be shared among all divisions and specialized units on a timely basis. Members should be provided with opportunities on a regular basis to share information during the daily briefings and to attend briefings of other divisions or specialized units.

Additionally, information should be shared with outside agencies and the public in conformance with office policies and applicable laws. Members are encouraged to share information with other units and divisions.

400.3 CROWDS, EVENTS AND GATHERINGS

Deputies may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Deputies should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Deputies responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action.

Generally, deputies should consider seeking compliance through advisements and warnings for minor violations and should reserve greater enforcement options for more serious violations or when voluntary compliance with the law is not achieved.

Deputies are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Deputies should consider enforcement of applicable state and local laws, such as Penal Code 602.1 (obstructing or intimidating business operators), when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

400.4 FUNCTION

Patrol will generally be conducted by uniformed deputies in clearly marked law enforcement vehicles in assigned jurisdictional areas of Mono. The function of patrol is to respond to calls for assistance and reports of criminal activity, act as a deterrent to crime, enforce state and local laws, identify community needs, provide support and assistance to the community and respond to emergencies.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Patrol services include, but are not limited to:

- (a) Responding to emergency calls for service.
- (b) Apprehending criminal offenders.

- (d) Preventing criminal acts, traffic violations and collisions, maintaining public order and discovering hazardous situations or conditions.
- (e) Responding to reports of criminal and non-criminal acts.
- (f) Responding to routine calls for service, such as public assistance or public safety.
- (g) Carrying out crime prevention activities such as residential inspections, business inspections and community presentations.
- (h) Carrying out community oriented policing and problem-solving activities including the application of resources to improve or resolve specific problems or situations and contacting or assisting members of the public in a positive way.
- (i) Directing and controlling traffic.

400.5 POLICY

The Mono County Sheriff's Department provides patrol services 24 hours a day, seven days a week and will prioritize responses to requests for emergency services using available resources to enhance the safety of the public and office members.

Human and Bear Management

401.1 PURPOSE AND SCOPE

Keeping in mind that public safety is our number one concern, this policy is to provide a standard, decision making process and response plan to minimize human-bear conflict within the areas that the Mono County Sheriff's Department oversees.

401.2 EDUCATION

The American black bear (*Ursus americanus*) is a common resident throughout the Mono County area. They are omnivorous, naturally feeding on a variety of foods, including insects and vegetation. However, in the presence of human food and refuse, they will incorporate this food source into their diet, potentially exhibiting aggressive behavior toward humans and causing property damage to obtain it.

Every resident and visitor should receive a clear and consistent message addressing the fact that there is human-bear conflict, the causes of the conflict, and the proper steps to take to minimize this conflict. This information can be given out by Department employees, but both the resident and visitor should be directed to contact the California Department of Fish and Game for more in depth information. The information our Department members shall disseminate is the following:

1. Information about bears, proper food and refuse storage is available on various brochures and the DFG website at: www.keepmewild.org.
2. All residents and visitors that witness violations of wildlife regulations should inform our Department or other proper law enforcement personnel (ie. DFG).
3. There will be NO TOLERANCE for non-compliance with the food and refuse storage regulations within the County. If there is non-compliance a warning should be given to the party involved, if continued non-compliance is witnessed, Department members will determine if any citations (if necessary) shall be issued.

401.3 HAZING / AVERSIVE CONDITIONING

Hazing involves moving a bear out of a specific area and is a response based conditioning which only periodically offers a negative stimulus (ie. noise, physical appearance, etc.).

Aversive Conditioning is a learning process in which some form of 'punishment' is used to teach a bear to associate negative feelings with an undesirable behavior in an attempt to reduce the frequency and intensity of that behavior. It may be used to teach a bear to avoid humans, to discourage it from visiting a developed site, or to make it distrustful of human food attractants.

Aversive Conditioning may be helpful in some situations when coupled with knowledge of bear behavior and should be utilized only after other proactive measures (i.e., education, enforcement of food and refuse regulations, etc.) have been implemented to mitigate the human-bear conflict. It will not be used as a tool in lieu of education or proper food storage and refuse management practices.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Human and Bear Management

Prior to any hazing or aversive conditioning the following must occur:

1. A safe avenue of retreat to a non-developed area if possible for the bear will be identified; hazing and/or aversion will aim to move the bear in that direction. The safety of the public must be insured at all times.

After any action of hazing or aversive conditioning the following must occur:

1. Identify the stimulus that brought the bear into the developed area and correct it if possible. This may include actions such as contacting the resident or visitor and educating them on proper food storage, etc.

2. Interpret the hazing or aversive conditioning action to any people that are in the area and may have witnessed it, stress that "a fed bear is a dead bear" and that by removing it from the developed area its' life may be saved.

3. Complete appropriate report/paperwork to document incident for our Department, which will also be forwarded to State Department of Fish and Game.

Hazing or Aversive conditioning consists of various levels:

Level 1. Noise and physical appearance deterrence, make your appearance larger through actions such as holding arms out, raising a backpack, or holding a jacket open. These actions help to establish dominance by the human over the bear. Noise making is encouraged and includes screaming "Go away bear" and banging items such as pots and pans to create an unpleasant situation to deter the bear. Noise making may also include the use of noisemakers such as air horns and sirens.

Level 2. Level 1 deterrent, especially screaming "Go away bear", is paired with chasing and/or the use of projectiles. Screaming "Go away bear" is to be part of every aversion activity. Projectiles can include less-lethal ammunition, paint balls, pepper balls, etc. At no time should these tools be aimed at a bear's head or used to intentionally result in permanent injury to the bear. The appropriate projectile will be determined by the Department employee based on the individual situation. The Department employee shall contact the Watch Commander prior to deploying any projectile(s), unless the circumstances deem it necessary to deploy immediately due to the safety of the public or the employee.

The Department employee should, if possible, have dispatch contact the California Department of Fish and Game to ascertain if their Department will be responding to the incident. If they will be responding, determine the ETA and if the situation will allow our member on scene to monitor the incident until they arrive. If and when the California Department of Fish and Game arrive on scene, our Department employee will work together with them as they are ultimately responsible for wildlife in Mono County.

Items to remember while implementing various deterrents:

1. Identification - an identification or description of the bear's approximate weight, size, color and any distinguishing marks should be documented for the purpose of maintaining a log on each

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Human and Bear Management

nuisance animal. This information will be important when considering if a bear must ultimately be put down (killed).

2. Chasing " a bear may be removed from a developed area by chasing (on foot or in a vehicle) while screaming "Go away bear". Before chase is initiated, a safe escape route for the bear to an undeveloped area is to be identified and then the bear is to be chased in that direction. A bear should not be chased to the point that it goes up a tree, if it starts toward a tree, cease or slow the chasing until the bear can be pushed out of the developed area again. If a bear is treed, the Department member should remain in the vicinity (if at all possible) until the bear comes down and can be pushed out of the developed area.

3. Projectiles " a negative physical stimulus may be delivered by a projectile in conjunction with screaming "Go away bear" and chasing the bear out of the developed area.

Projectiles may only be deployed at safe distances.

Projectiles may include less-lethal, paintballs, pepper balls, etc.

Before use of projectiles is initiated, a safe escape route for the bear to an undeveloped area is to be identified and then the bear is to be encouraged to use that route.

Projectiles should only be directed at the rear of the bear, unless using pepper balls then they should be directed at the chest. Under NO circumstances are projectiles to be aimed at the head of the bear.

If deployment of less-lethal ammunition to condition a bear is needed, it shall be done with shotguns that are designated for that type of ammunition.

401.4 THE ULTIMATE DECISION (TO PUT DOWN A BEAR)

If all hazing and aversive conditioning attempts to deter the bear fail, and the bear continues to threaten public safety, the Department employee will contact the Watch Commander immediately. The Watch Commander will determine at that time, with all available information, to approve the Department member to put the bear down (killed) by use of lethal ammunition. This should only occur if all attempts to remove the bear from the area fail, and the Department member on scene and the Watch Commander believe the bear is an immediate threat to public safety.

Factors that should be considered in the decision to destroy a bear include:

Behavioral factors:

1. Aggression that results in human injury.
2. Aggression in the form of continual harassment of people to obtain food.
3. Advancing toward people unprovoked while displaying threatening behavior such as ears laid back, huffing and teeth barred.
4. Continual attempts to seek food despite corrective measures to eliminate food attractants and efforts at behavioral modification, such as aversive conditioning.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Human and Bear Management

5. Continual attempts to break into cars and structures despite implementation of corrective measures for the proper storage of food and refuse.

Biological Factors:

1. Bears that have sustained disabling injuries may be considered for destruction.
2. If a sow with cubs must be destroyed, the Department of Fish and Game should be notified immediately to determine the best course of action for the cubs per the California Department of Fish and Game Statewide Black Bear Policy (2071).

Since several different bears may often visit a food source, a decision to destroy a bear must include a positive identification of the bear that is a threat to public safety. This will include using the best available information on the bear's approximate size, color and any distinguishing marks or features, such as white chest blazes, wounds, etc. If the bear is ultimately put down, the California Department of Fish and Game will be immediately notified.

Per the California Department of Fish and Game Statewide Black Bear Policy (2071), "Bears which are threats to public safety, as determined by a public safety officer or Department [of Fish and Game] employee, may be killed at any time without a permit".

The content of this policy was created with information obtained from and/or meetings and trainings with various agencies including the California State Department of Fish and Game, Yosemite National Park, and California State Parks

403.3 SCENE RESPONSIBILITY

The first deputy at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Crime and Disaster Scene Integrity

403.5 SEARCHES

Deputies arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once deputies are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Deputies should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

403.5.1 CONSENT

When possible, deputies should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

403.6 EXECUTION OF HEALTH ORDERS

Any sworn member of this department is authorized to enforce all orders of the local health officer that have been issued for the purpose of preventing the spread of any contagious, infectious or communicable disease (Health and Safety Code § 120155).

Hazardous Material Response

405.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees resulting from their exposure. To comply with Title 8, California Code of Regulations, § 5194, the following is to be the policy of this department.

405.1.1 HAZARDOUS MATERIAL DEFINED

A hazardous material is a substance which by its nature, containment and reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

405.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Attempt to identify the type of hazardous substance. (Identification can be determined by placard, driver's manifest or statements from the person transporting).
- (b) Notify the Fire Department.
- (c) Provide first-aid for injured parties if it can be done safely and without contamination.
- (d) Begin evacuation of the immediate area and surrounding areas, depending on the substance. Voluntary evacuation should be considered; however, depending on the substance, mandatory evacuation may be necessary.
- (e) Notify the local health authority. Such notification is mandatory when a spilled or released item is a pesticide (Health and Safety Code § 105215).
- (f) Notify the Department of Toxic Substances Control. This is mandatory when a deputy comes in contact with, or is aware of, the presence of a suspected hazardous substance at a site where an illegal controlled substance is or was manufactured (Health and Safety § 25354.5).

405.3 REPORTING EXPOSURE(S)

Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum that shall be forwarded via chain of command to the Commanding Officer. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

405.3.1 SUPERVISOR RESPONSIBILITY

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the Fire Department.

Hostage and Barricade Incidents

406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where deputies have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the deputies by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that deputies encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

406.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is:

- (a) Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- (b) Unlawfully held against his/her will under threat or actual use of force.

406.2 POLICY

It is the policy of the Mono County Sheriff's Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

406.3 COMMUNICATION

When circumstances permit, initial responding deputies should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Deputies should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, office-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

406.3.1 EMERGENCY COMMUNICATIONS

Only a deputy who has been designated by the District Attorney or Attorney General may use or authorize the use of an electronic amplifying or recording device to eavesdrop on or record,

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Hostage and Barricade Incidents

or both, oral communication in response to an emergency situation involving a hostage or the barricading of a location, and only when (Penal Code § 633.8(b)):

- (a) The deputy reasonably determines an emergency situation exists that involves the immediate danger of death or serious physical injury to any person within the meaning of 18 USC § 2518(7)(a)(i),
- (b) The deputy reasonably determines that the emergency situation requires that eavesdropping on oral communication occur immediately, and
- (c) There are grounds upon which an order could be obtained pursuant to 18 USC § 2516(2).
- (d) An application for an order approving the eavesdropping and complying with the requirements of Penal Code § 629.50 is made within 48 hours of the beginning of the eavesdropping.
- (e) The contents of any oral communications overheard are recorded on tape or other comparable device.

406.4 FIRST RESPONDER CONSIDERATIONS

First responding deputies should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding deputy should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding deputy shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The deputy shall continually evaluate the situation, including the level of risk to deputies, to the persons involved and to bystanders, and the resources currently available.

The handling deputy should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

406.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, deputies handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

Mono County Sheriff's Department

Hostage and Barricade Incidents

- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Office, such as command officers and the Public Information Officer (PIO).
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

406.4.2 HOSTAGE SITUATION

Deputies presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that deputies react quickly to developing or changing threats. The following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.

Mono County Sheriff's Department

Hostage and Barricade Incidents

- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt to obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the Office, such as command officers and the PIO.
- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

406.5 SUPERVISOR RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a Interagency Tactical Team (Interagency Tactical Team) response if appropriate and apprising the Interagency Tactical Team Commander of the circumstances. In addition, the following options should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Consider contacting utility and communication providers to restrict such services (e.g., restricting electric power, gas, telephone service).
 1. When considering restricting communication services, a supervisor should make the determination that there is reason to believe an emergency situation exists involving immediate danger of death or great bodily harm and that an interruption to communication services is necessary to protect public safety (Penal Code § 11471). The supervisor must ensure the Office obtains a court order, in accordance with Penal Code § 11472, prior to requesting the interruption. In the case of an extreme emergency when there is insufficient time to obtain an order prior to the request, application for the order must be submitted within six hours after initiating the interruption. If six hours is not possible, then the application

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Hostage and Barricade Incidents

for the court order shall be made at the first reasonably available opportunity, but no later than 24 hours in accordance with Penal Code § 11475.

- (h) Ensure adequate law enforcement coverage for the remainder of the County during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or Dispatch.
- (i) Identify a media staging area outside the outer perimeter and have the office Public Information Officer or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

406.6 INTERAGENCY TACTICAL TEAM RESPONSIBILITIES

The Incident Commander will decide, with input from the Interagency Tactical Team Commander, whether to deploy the Interagency Tactical Team during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the Interagency Tactical Team Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the Interagency Tactical Team. The Incident Commander and the Interagency Tactical Team Commander or the authorized designee shall maintain communications at all times.

406.7 REPORTING

Unless otherwise relieved by a supervisor or Incident Commander, the handling deputy at the scene is responsible for completion and/or coordination of incident reports.

Response to Bomb Calls

407.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Mono County Sheriff's Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

407.2 POLICY

It is the policy of the Mono County Sheriff's Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

407.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Watch Commander is immediately advised and informed of the details. This will enable the Watch Commander to ensure that the appropriate personnel are dispatched, and, as appropriate, the threatened location is given an advance warning.

407.4 GOVERNMENT FACILITY OR PROPERTY

A bomb threat targeting a government facility may require a different response based on the government agency.

407.4.1 MONO COUNTY SHERIFF'S DEPARTMENT FACILITY

If the bomb threat is against the Mono County Sheriff's Department facility, the Watch Commander will direct and assign deputies as required for coordinating a general building search or evacuation of the sheriff's department, as he/she deems appropriate.

407.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the Mono County Sheriff's Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Watch Commander deems appropriate.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Response to Bomb Calls

407.4.3 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

407.5 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the County of Mono, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting sheriff's assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
 1. No evacuation of personnel and no search for a device.
 2. Search for a device without evacuation of personnel.
 3. Evacuation of personnel without a search for a device.
 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Watch Commander is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

407.5.1 ASSISTANCE

The Watch Commander should be notified when sheriff's assistance is requested. The Watch Commander will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including sheriff's control over the facility.

Should the Watch Commander determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Response to Bomb Calls

- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
 - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
 - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request sheriff's assistance to clear the interior of a building, based upon the circumstances and known threat, deputies may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

407.6 FOUND DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
 - 1. Two-way radios
 - 2. Cell phones
 - 3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Watch Commander including:
 - 1. The time of discovery.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Response to Bomb Calls

2. The exact location of the device.
3. A full description of the device (e.g., size, shape, markings, construction).
4. The anticipated danger zone and perimeter.
5. The areas to be evacuated or cleared.

407.7 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multitudes of considerations which may confront the responding deputies. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

407.7.1 CONSIDERATIONS

Deputies responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

407.7.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Field supervisor
- Watch Commander
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Response to Bomb Calls

407.7.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

407.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Watch Commander should assign deputies to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

Mental Illness Commitments

408.1 PURPOSE AND SCOPE

This policy establishes the guidelines that should be used to determine if deputies should or should not respond to a mental health crisis. The Mono County Sheriff's Office recognizes that a law enforcement response can escalate a mental health crisis.

408.2 POLICY

It is the policy of the Mono County Sheriff's Office NOT to respond to mental health crisis unless; The person(s) have been reported to be suffering from a mental health crisis and have committed a felonious crime or pose an immediate threat to the public.

There will be no response for welfare checks of suicidal or depressed subjects unless the above criteria have been met. This includes both juveniles and adults.

408.3 AUTHORITY

If the above listed criteria have been met, deputies should respond and detain the subject for a mental health evaluation. Contact should then be made with the county mental health crisis team so they can respond and determine whether the person being detained/in custody has a mental disorder, is a danger to him/herself or others or the person is gravely disabled (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5585.50).deputy deputies

408.3.1 VOLUNTARY EVALUATION

If a deputy encounters an individual who may qualify for a 5150 commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the person so desires, the deputies should:

- (a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a 5150 commitment.
- (b) If at any point the person changes his/her mind regarding voluntary evaluation, deputies should proceed with the 5150 commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

408.3.2 RESTRAINTS

If the patient is violent or potentially violent, the deputy will notify the staff of this concern. The staff member in charge will have discretion as to whether soft-restraints will be used. If these restraints are desired, the deputy will wait while they are being applied to help provide physical control of the patient, if needed.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Mental Illness Commitments

408.4 CONSIDERATIONS AND RESPONSIBILITIES

Any deputy handling a call involving an individual who may qualify for a 5150 commitment should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the person's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade deputies from taking reasonable action to ensure the safety of the deputies and others.

Deputies should consider a 5150 commitment over arrest when mental health issues appear to be a mitigating factor for people who are suspected of committing minor crimes or creating other public safety issues.

408.4.1 SECURING OF PROPERTY

When a person is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian or conservator is in possession of the person's personal property, the deputy shall take reasonable precautions to safeguard the individual's personal property in his/her possession or on the premises occupied by the person (Welfare and Institutions Code § 5150).

The deputy taking the person into custody shall provide a report to the court that describes the person's property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the deputy shall only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

408.5 TRANSPORTATION

When transporting any individual for a 5150 commitment, the transporting deputy should have Dispatch notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Deputies may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of a deputy during the transport, Watch Commander approval is required before transport commences.

408.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the deputy will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the deputy should

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Mental Illness Commitments

provide the staff member with the written application for 5150 commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting deputy should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the deputy may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, deputies will not apply facility-ordered restraints.

408.7 DOCUMENTATION

The deputy shall complete an application for a 72-Hour detention for evaluation and treatment, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for deputy involvement; the probable cause to believe the person is, as a result of a mental health disorder, a danger to others or him/herself or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05).

The deputy should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

408.7.1 ADVISEMENT

The deputy taking a person into custody for evaluation shall advise the person of:

- (a) The deputy's name and agency.
- (b) The fact that the person is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise him/her of their rights.
- (c) The name of the facility to which the person is being taken.
- (d) If the person is being taken into custody at his/her residence, he/she should also be advised that he/she may take a few personal items, which the deputy must approve, and may make a telephone call or leave a note indicating where he/she is being taken. The deputy should also ask if the person needs assistance turning off any appliance or water.

The advisement shall be given in a language the person understands. If the person cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

408.8 CRIMINAL OFFENSES

Deputies investigating an individual who is suspected of committing a minor criminal offense and who is being taken on a 5150 commitment should resolve the criminal matter by issuing a warning or a Notice to Appear as appropriate.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Mental Illness Commitments

When an individual who may qualify for a 5150 commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the deputy should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 5150 commitment.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 5150 commitment.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this office to regain custody of the individual, office resources (e.g., posting a guard) and other relevant factors in making this decision.

408.9 FIREARMS AND OTHER WEAPONS

Whenever a person is taken into custody for a 5150 commitment, the handling deputies should seek to determine if the person owns or has access to any firearm or other deadly weapon defined in Welfare and Institutions Code § 8100. Deputies should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g. safekeeping, evidence, consent).

Deputies are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A search warrant may also be needed before searching for or seizing weapons

The handling deputies shall issue a receipt describing the deadly weapon or any firearm seized, and list any serial number or other identification that is on the firearm. Deputies shall advise the person of the procedure for the return of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102 (b)) (see Property and Evidence Policy).

408.9.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS

Whenever the handling deputy has cause to believe that the future return of any confiscated weapon might endanger the person or others, the deputy shall detail those facts and circumstances in a report. The report shall be forwarded to the Investigations, which shall be responsible for initiating a petition to the Superior Court for a hearing in accordance with Welfare and Institutions Code § 8102(c), to determine whether the weapon will be returned.

The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon has been confiscated, unless the Office makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the Office shall send written notice to the individual informing him/her of the

right to a hearing on the issue, that he/she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon.

408.10 TRAINING

This office will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, 5150 commitments and crisis intervention.

Cite and Release Policy

409.1 PURPOSE AND SCOPE

This policy provides guidance on when to release adults who are arrested for a criminal misdemeanor offense on a written notice to appear (citation) and when to hold for court or bail.

409.2 POLICY

It is the policy of the Mono County Sheriff's Department to release all persons arrested on misdemeanor or other qualifying charges on a citation with certain exceptions (Penal Code § 853.6).

If there is a reason for non-release, the Department's mission to protect the community will be the primary consideration when determining whether to release any individual in lieu of holding for court or bail.

409.3 RELEASE BY CITATION

Except in cases where a reason for non-release as described below exists, adults arrested for a misdemeanor offense, including a private persons arrest, shall be released from custody on a citation (Penal Code § 853.6).

The citing deputy shall, at the time the defendant signs the notice to appear, call attention to the time and place for appearance and take any other steps he/she deems necessary to ensure that the defendant understands his/her written promise to appear.

409.3.1 FIELD CITATIONS

In most cases an adult arrested for a misdemeanor offense may be released in the field on a citation in lieu of physical arrest when booking and fingerprinting is not practicable or immediately required provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6; Penal Code § 1270.1). In such cases the arresting deputy should check the booking required box on the citation form to indicate that the person will be photographed and fingerprinted at a later time when ordered by the court.

When a booking photo or fingerprints are needed for the furtherance of any investigation, the person should be released on citation after booking instead of on a field citation.

409.3.2 RELEASE AFTER BOOKING

In some cases it may not be feasible or desirable to release a person in the field. The person should instead be released on citation after booking at the jail. All bookings shall be approved by the Watch Commander or the authorized designee.

409.4 NON-RELEASE

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Cite and Release Policy

409.4.1 DISQUALIFYING OFFENSES

An adult arrested on any of the following disqualifying charges shall not be released on citation and shall be transported to the appropriate detention facility or held for court or bail after booking:

Disqualifying offenses include (Penal Code § 1270.1):

- (a) Misdemeanor domestic battery (Penal Code § 243(e)(1)).
- (b) Felony domestic battery (Penal Code § 273.5).
- (c) Serious or violent felonies (Penal Code § 1270.1(a)(1)).
- (d) Violation of a protective order and the arrested person has made threats, used violence or has gone to the protected person's workplace or residence (Penal Code § 273.6).
- (e) Stalking (Penal Code § 646.9).
- (f) Misdemeanor violations of a protective order relating to domestic violence if there is a reasonable likelihood the offense will continue or the safety of the individuals or property would be endangered (Penal Code § 853.6).

409.4.2 REASONS FOR NON-RELEASE

A person arrested for a misdemeanor shall be released on a citation unless there is a reason for non-release. The Watch Commander may authorize a release on citation regardless of whether a reason for non-release exists when it is determined to be in the best interest of the Department and does not present an unreasonable risk to the community (e.g., release of an intoxicated or ill person to a responsible adult).

Reasons for non-release include (Penal Code § 853.6(i)):

- (a) The person arrested is so intoxicated that he/she could be a danger to him/herself or to others. Release may occur as soon as this condition no longer exists.
- (b) The person arrested requires medical examination or medical care or is otherwise unable to care for his/her own safety
 1. The Mono County Sheriff's Department shall not release an arrestee from custody for the purpose of allowing that person to seek medical care at a hospital, and then immediately re-arrest the same individual upon discharge from the hospital, unless the hospital determines this action will enable it to bill and collect from a third-party payment source (Penal Code § 4011.10).
- (c) The person is arrested for one or more of the offenses listed in Vehicle Code §§ 40302, 40303 and 40305.
- (d) There are one or more outstanding arrest warrants for the person (see Misdemeanor Warrants elsewhere in this policy).
- (e) The person could not provide satisfactory evidence of personal identification.
 1. If a person released on citation does not have satisfactory identification in his/her possession, a right thumbprint or fingerprint should be obtained on the citation form.

Cite and Release Policy

- (k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear

Release under this section shall be done in accordance with the provisions of this policy.

409.6 JUVENILE CITATIONS

Completion of criminal citations for juveniles is generally not appropriate with the following exceptions:

All other misdemeanor violations for juveniles shall be documented with a case number and the case should be referred to the Investigations for further action including diversion.

409.7 REQUESTING CASE NUMBERS

Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most Penal Code sections will require a case number to document the incident properly in a report. This section does not preclude a deputy from requesting a case number if he/she feels the situation should be documented more thoroughly in a case report.

If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

Rapid Response and Deployment

411.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding deputies in situations that call for rapid response and deployment.

411.2 POLICY

The Mono County Sheriff's Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Office in protecting themselves or others from death or serious injury.

411.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding deputies should consider reasonable options to reduce, prevent or eliminate the threat. Deputies must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, deputies should take immediate action, if reasonably practicable, while requesting additional assistance.

Deputies should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action deputies should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual deputy from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the deputies have the ability to effectively communicate with other personnel or resources.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Rapid Response and Deployment

- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, deputies should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

411.4 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

411.5 PLANNING

The Operations Division Commander should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Patrol first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

Mono County Sheriff's Department

Rapid Response and Deployment

411.6 TRAINING

The Training Sergeant should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
 - 1. This should include the POST terrorism incident training required for deputies assigned to field duties (Penal Code § 13519.12).
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Immigration Violations

413.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Mono County Sheriff's Department relating to immigration and interacting with federal immigration officials.

413.2 POLICY

It is the policy of the Mono County Sheriff's Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this office in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

413.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and without regard to race, ethnicity or national origin in any way that would violate the United States or California constitutions.

413.4 IMMIGRATION INQUIRIES PROHIBITED

Deputies shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).

413.5 DETENTIONS

A deputy shall not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant (Government Code § 7284.6).

A deputy who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of 8 UCS § 1326(a) (unlawful reentry) that may be subject to enhancement may detain the person for a reasonable period of time to contact federal immigration officials to verify whether the United States Attorney General has granted the individual permission for reentry and whether the violation is subject to enhancement (Government Code § 7284.6). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the deputy has facts that establish probable cause to believe that a person already lawfully detained has violated 8 USC § 1326(a) and the penalty may be subject to enhancement due to prior conviction for specified aggravated felonies, he/she may arrest the individual for that offense (Government Code § 7284.6).

Mono County Sheriff's Department

Immigration Violations

A deputy shall not detain any individual, for any length of time, for any other criminal violation of federal immigration laws (Government Code § 7284.6).

- (b) Transfer the person to jail.

413.6 FEDERAL REQUESTS FOR ASSISTANCE

Requests by federal immigration officials for assistance from this office should be directed to a supervisor. The supervisor is responsible for determining whether the requested assistance would be permitted under the California Values Act (Government Code § 7284.2 et seq.).

413.7 INFORMATION SHARING

No member of this office will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373; Government Code § 7284.6):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in office records
- (c) Exchanging such information with any other federal, state or local government entity

Nothing in this policy restricts sharing information that is permissible under the California Values Act.

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 (Government Code § 7284.6).

Notification to a federal authority may be made prior to release of an individual who is the subject of a notification request only if the individual meets one of the following conditions (Government Code § 7282.5; Government Code § 7284.6):

413.8 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.
 1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.

Emergency Utility Service

414.1 PURPOSE AND SCOPE

The County Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Sheriff's Department. Requests for such service received by this department should be handled in the following manner.

414.1.1 BROKEN WATER LINES

The County's responsibility ends at the water meter; any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer's responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the County side of the meter, emergency personnel should be called as soon as practical by the Communications Center.

414.1.2 ELECTRICAL LINES

County Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, a deputy should be dispatched to protect against personal injury or property damage that might be caused by power lines. The Electric Company or Public Works should be promptly notified, as appropriate.

414.1.3 RESERVOIRS, PUMPS, WELLS, ETC.

Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

414.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by the Communications Center.

414.2 TRAFFIC SIGNAL MAINTENANCE

The County of Mono contracts with a private maintenance company to furnish maintenance for all traffic signals within the County, other than those maintained by the State of California.

414.2.1 DEPUTY'S RESPONSIBILITY

Upon observing a damaged or malfunctioning signal, the deputy will advise the the Communications Center of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Aircraft Accidents

415.4 INJURIES AND CASUALTIES

Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

415.5 NOTIFICATIONS

When an aircraft accident is reported to this office, the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department
- (b) Appropriate airport tower
- (c) Emergency medical services (EMS)

415.6 CONTROLLING ACCESS AND SCENE AUTHORITY

Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

- (a) FAA.
- (b) Fire department, EMS or other assisting law enforcement agencies.

After the NTSB or military representative arrives on-scene, the efforts of this office will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene office supervisor should ensure the accident is still appropriately investigated and documented.

In either case, this patrol rifle will be made available to properly trained and qualified deputies as a supplemental resource to their duty handgun or shotgun.

416.3 SPECIFICATIONS

Only weapons and ammunition that meet agency authorized specifications, approved by the Sheriff, may be used by deputies in their law enforcement responsibilities. The authorized patrol rifle issued by the Department is the Colt AR-15.

If an officer wishes to carry a personally owned rifle, it must be from a reputable manufacturer (approved by the Rangemaster or armorer), use either 5.54 or .223Cal. ammunition, and also fit correctly into the weapon storage rack in the patrol vehicle.

If an officer chooses to carry a rifle other than one issued by the department, the officer is responsible for the purchase of the rifle, magazines, slings, specialty sights*, lights, etc. The officer shall also be responsible for maintaining the rifle and associated equipment in good working order at all times, and it shall be subject to inspection whenever deemed necessary. The personally owned rifle shall mirror, in all aspects, the rifle issued by the department. (*Specialty sights shall be manufactured by either Eotech or Airpoint with a 1 power magnification*).

416.4 RIFLE MAINTENANCE

- (a) The Rangemaster shall be the only person authorized to repair or modify any department owned rifle. The maintenance of patrol rifles falls on the Rangemaster or armorer who shall inspect and service each patrol rifle on an annual basis.
- (b) All repairs and/or factory approved modifications of personally owned rifles, shall be approved in advance, and the rifle shall be inspected and approved by the Rangemaster prior to being put into service. These repairs or modifications to the officer's personally owned rifle shall be done at his or her own expense.
- (c) Each patrol deputy carrying a patrol rifle may be required to field strip and clean an assigned patrol rifle as needed.

Mono County Sheriff's Department

Patrol Rifles

- (d) Each patrol deputy shall be responsible for immediately reporting any damage or malfunction of an assigned patrol rifle to the Rangemaster or armorer.
- (e) Each patrol rifle shall be subject to inspection by a supervisor, the Rangemaster or Armorer at any time.
- (f) No modification shall be made to any patrol rifle without prior written authorization from the Rangemaster or armorer.
- (g) Rifles shall be maintained in a clean, serviceable condition. Since the use of personally owned rifles is at the option of the individual officer, that officer will be responsible for the furnishing, maintenance and repair of such rifle.

416.5 TRAINING

Deputies shall not carry or utilize the patrol rifle unless they have successfully completed departmental training. Deputies shall thereafter be required to, at a minimum, successfully complete bi-annual training and qualification conducted by a certified patrol rifle instructor.

Any deputy who fails to qualify or who fails to successfully complete two or more department sanctioned training/qualification sessions within a calendar year will no longer be authorized to carry the patrol rifle without successfully retaking the initial patrol deputies user's course and qualification.

416.6 DEPLOYMENT OF THE PATROL RIFLE

Deputies may deploy the patrol rifle in any circumstance where the deputy can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

- (a) Situations where the deputy reasonably anticipates an armed encounter.
- (b) When a deputy is faced with a situation that may require the delivery of accurate and effective fire at long range.
- (c) Situations where a deputy reasonably expects the need to meet or exceed a suspect's firepower.
- (d) When a deputy reasonably believes that there may be a need to deliver fire on a barricaded suspect or a suspect with a hostage.
- (e) When a deputy reasonably believes that a suspect may be wearing body armor.
- (f) When authorized or requested by a supervisor.
- (g) When needed to euthanize an animal.

416.7 DISCHARGE OF THE PATROL RIFLE

The discharge of the patrol rifle shall be governed by the Department's Deadly Force Policy, Policy Manual § 300.

416.8 PATROL READY

Any qualified deputy carrying a patrol rifle in the field shall maintain the weapon in a patrol ready condition until deployed. A rifle is considered in a patrol ready condition when it has been inspected by the assigned deputy, the fire selector switch is in the safe position, the chamber is empty and a fully loaded magazine is inserted into the magazine well.

Field Training Officer Program

416.1 PURPOSE AND SCOPE

The Field Training Officer Program is intended to provide a standardized program to facilitate the deputy's transition from the academic setting to the actual performance of general law enforcement duties of the Mono County Sheriff's Department.

It is the policy of this department to assign all new sheriff's deputies to a structured Field Training Officer Program that is designed to prepare the new deputy to perform in a patrol assignment, and possessing all skills needed to operate in a safe, productive and professional manner.

416.4 TRAINEE DEFINED

Any entry level or lateral sheriff's deputy newly appointed to the Mono County Sheriff's Department who has successfully completed a POST approved Basic Academy.

416.5 REQUIRED TRAINING

Entry level deputies shall be required to successfully complete the Field Training Program, consisting of a minimum of 10 weeks.

The training period for a lateral deputy may be modified depending on the trainee's demonstrated performance and level of experience, but shall consist of a minimum of eight weeks.

To the extent practicable, entry level and lateral deputies should be assigned to a variety of Field Training Officers, shifts and geographical areas during their Field Training Program.

416.5.1 FIELD TRAINING MANUAL

Each new deputy will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and/or skills necessary to properly function as a deputy with the Mono County Sheriff's Department. The deputy shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

The Field Training Manual will specifically cover those policies, procedures, rules and regulations adopted by the Mono County Sheriff's Department.

416.6 EVALUATIONS

Evaluations are an important component of the training process and shall be completed as outlined below.

416.6.1 FIELD TRAINING OFFICER

The FTO will be responsible for the following:

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Field Training Officer Program

- (a) Complete and submit a written evaluation on the performance of his/her assigned trainee to the FTO Coordinator on a daily basis.
- (b) Review the Daily Trainee Performance Evaluations with the trainee each day.
- (c) Complete a detailed end-of-phase performance evaluation on his/her assigned trainee at the end of each phase of training.

- (a) Daily Trainee Performance Evaluations
- (b) End of phase evaluations
- (c) A Certificate of Completion certifying that the trainee has successfully completed the required number of hours of field training

Obtaining Air Support

417.1 PURPOSE AND SCOPE

The use of a helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

417.2 REQUEST FOR HELICOPTER ASSISTANCE

If a supervisor or deputy in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

417.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for a helicopter, the Watch Commander, or his/her designee, will call the closest agency having helicopter support available. The Watch Commander on duty will apprise that agency of the specific details of the incident prompting the request.

417.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Police helicopters may be requested under any of the following conditions:

- (a) When the helicopter is activated under existing mutual aid agreements
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard
- (c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community
- (d) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard
- (e) Vehicle pursuits

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for deputies on the ground.

Detentions And Photographing Detainees

418.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for conducting field interviews (FI) and pat-down searches, and the taking and retention of photographs of persons detained in the field but not arrested. Due to a variety of situations confronting the deputy, the decision to FI or photograph a field detainee shall be left to the discretion of the involved deputy based on the totality of the circumstances available to them at the time of the detention.

418.2 DEFINITIONS

Detention - Occurs when a deputy intentionally, through words, actions or physical force causes an individual to reasonably believe he/she is being required to restrict his/her movement. Detentions also occur when a deputy actually restrains a person's freedom of movement.

Consensual Encounter - Occurs when a deputy contacts an individual but does not create a detention through words, actions or other means. In other words, a reasonable individual would believe that his/her contact with the deputy is voluntary.

Field Interview - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purposes of determining the individual's identity and resolving the deputy's suspicions.

Field Photographs - Field photographs are defined as posed photographs taken of a person during a contact, detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-Down Search - This type of search is used by deputies in the field to check an individual for weapons. It involves a thorough patting down of clothing to locate any weapons or dangerous items that could pose a danger to the deputy, the detainee, or others.

Reasonable Suspicion - Occurs when, under the totality of the circumstances, a deputy has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

418.3 FIELD INTERVIEWS

Deputies may stop individuals for the purpose of conducting an FI where reasonable suspicion is present. In justifying the stop, the deputy should be able to point to specific facts which, when taken together with rational inferences, reasonably warrant the stop. Such facts include, but are not limited to, the following:

- (a) The appearance or demeanor of an individual suggests that he/she is part of a criminal enterprise or is engaged in a criminal act.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Detentions And Photographing Detainees

- (b) The actions of the suspect suggest that he/she is engaged in a criminal activity.
- (c) The hour of day or night is inappropriate for the suspect's presence in the area.
- (d) The suspect's presence in the particular area is suspicious.
- (e) The suspect is carrying a suspicious object.
- (f) The suspect's clothing bulges in a manner that suggests he/she is carrying a weapon.
- (g) The suspect is located in proximate time and place to an alleged crime.
- (h) The deputy has knowledge of the suspect's prior criminal record or involvement in criminal activity.

418.3.1 INITIATING A FIELD INTERVIEW

A deputy may initiate the stop of a person when there is articulable, reasonable suspicion to do so. A person however, should not be detained longer than is reasonably necessary to resolve the deputy's suspicions.

Nothing in this policy is intended to discourage consensual contacts. Frequent and random casual contacts with consenting individuals are encouraged by the Mono County Sheriff's Department to strengthen our community involvement, community awareness and problem identification.

418.3.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, deputies should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigators to utilize available personnel for the following:

- (a) Identify all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, deputies should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department personnel.
 - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness in a department vehicle. When the witness is a minor,

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Detentions And Photographing Detainees

consent should be obtained from the parent or guardian, if available, prior to transportation.

418.4 PAT-DOWN SEARCHES

A pat-down search of a detained subject may be conducted whenever a deputy reasonably believes that the person may possess an object that can be utilized as an offensive weapon or whenever the deputy has a reasonable fear for his/her own safety or the safety of others. Circumstances that may establish justification for performing a pat-down search include, but are not limited to the following:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single deputy.
- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry deadly weapons.
- (e) The appearance and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.
- (g) The age and gender of the suspect.

Whenever possible, pat-down searches should be performed by deputies of the same gender.

418.5 FIELD PHOTOGRAPHS

Before photographing any field detainee, the deputy shall carefully consider, among other things, the factors listed below.

418.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject of the photograph knowingly and voluntarily gives consent. When taking a consensual photograph, the deputy should have the individual read and sign the appropriate form accompanying the photograph.

418.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. Mere knowledge or suspicion of gang membership or affiliation is not a sufficient justification for taking a photograph without consent. The deputy must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct.

If, prior to taking a photograph, the deputy's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Detentions And Photographing Detainees

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

418.6 SUPERVISOR RESPONSIBILITY

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph. Access to field photographs shall be strictly limited to law enforcement purposes.

418.7 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Watch Commander with either an associated FI card or other memorandum explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Watch Commander should review and forward the photograph to one of the following locations:

- (a) If the photo and associated FI or memorandum is relevant to criminal street gang enforcement, the Watch Commander will forward the photo and documents to the Gang Supervisor. The Gang Supervisor will ensure the photograph and supporting documents are retained as prescribed by the Criminal Organizations Policy.
- (b) Photographs that do not qualify for Criminal Street Gang file retention or which are not evidence in an investigation with an assigned case number should be forwarded to the Records Bureau. These photographs will be purged as described in the Purging the Field Photo File subsection of this policy.

When a photograph is taken in association with a particular case, the detective may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs will be kept in the Records Bureau in a separate non-booking photograph file in alphabetical order.

418.7.1 PURGING THE FIELD PHOTO FILE

The Records Manager will be responsible for ensuring that photographs maintained by the Records Bureau that are more than one year old and no longer serve a law enforcement purpose are periodically purged and destroyed. Photographs that continue to serve a legitimate law enforcement purpose may be retained longer than one year provided that a notation of that fact is added to the file for each additional year that they are retained. Access to the FI photo file shall be strictly limited to law enforcement purposes.

A photograph need not be purged but may be retained as an updated photograph in a prior booking file if the person depicted in the photograph has been booked at the Mono County Sheriff's Department and the booking file remains in the Records Bureau.

418.8 PHOTO REVIEW POLICY

Any person who has been the subject of a field photograph or an FI by this agency during any contact other than an arrest may file a written request within 30 days of the contact requesting a review of the status of the photograph/FI. The request shall be directed to the office of the Sheriff who will ensure that the status of the photograph or FI is properly reviewed according to this policy as described below. Upon a verbal request, the Department will send a request form to the requesting party along with a copy of this policy.

418.8.1 REVIEW PROCESS

Upon receipt of such a written request, the Sheriff or his or her designee will permit the individual to appear in person (any minor must be accompanied by their parent or legal guardian) for a review of the status of the photograph/FI.

Such a meeting will generally be scheduled during regular business hours within 30 days of the receipt of the written request. An extension of the 30-day limit may be made either upon the mutual convenience of the parties or if, at the discretion of the Sheriff, there appears to be an ongoing legitimate law enforcement interest which warrants a delay. If the delay could jeopardize an ongoing investigation, nothing in this policy shall require the Sheriff to disclose the reason(s) for the delay.

A meeting for the review of the status of any non-arrest photograph/FI is not intended to be a formal hearing, but simply an informal opportunity for the individual to meet with the Sheriff or his/her designee to discuss the matter.

After carefully considering the information available, the Sheriff or designee will determine, generally within 30 days of the original meeting, whether the photograph/FI was obtained in accordance with existing law and Mono County Sheriff's Department policy and, even if properly obtained, then whether there is any ongoing legitimate law enforcement interest in retaining the photograph/FI.

If the Sheriff or his/her designee determines that the photograph/FI was obtained in accordance with existing law and department policy and that there is an ongoing legitimate law enforcement interest in retaining the non-arrest photograph, the photograph/FI shall be retained according to this policy and applicable law.

If the Sheriff or his/her designee determines that the original legitimate law enforcement interest in retaining a non-arrest photograph no longer exists or that it was obtained in violation of existing law or Mono County Sheriff's Department policy, the original photograph will be destroyed or returned to the person photographed, if requested. All other associated reports or documents, however, will be retained according to department policy and applicable law.

If the Sheriff or his/her designee determines that the original legitimate law enforcement interest in retaining a non-arrest FI no longer exists or that the original F/I was not obtained in accordance with established law or Mono County Sheriff's Department policy, the original FI may only be destroyed upon the execution of a full and complete waiver of liability by the individual (and guardian if a minor) arising out of that field contact.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Detentions And Photographing Detainees

If the Sheriff or his/her designee determines that any involved Mono County Sheriff's Department personnel violated existing law or department policy, the Sheriff or designee shall initiate a separate internal investigation which may result in additional training, discipline or other appropriate action for the involved employees.

The person photographed/FI'd will be informed in writing within 30 days of the Sheriff's determination whether or not the photograph/FI will be retained. This does not entitle any person to any discovery or access to any law enforcement records not otherwise authorized by law.

Criminal Organizations

419.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Mono County Sheriff's Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

419.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

419.2 POLICY

The Mono County Sheriff's Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this office to collect and share relevant information while respecting the privacy and legal rights of the public.

419.3 CRIMINAL INTELLIGENCE SYSTEMS

No office member may create, submit to or obtain information from a criminal intelligence system unless the Sheriff has approved the system for office use.

Any criminal intelligence system approved for office use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for office use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

419.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this office, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Bureau. Any

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Criminal Organizations

supporting documentation for an entry shall be retained by the Records Bureau in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Bureau are appropriately marked as intelligence information. The Records Manager may not purge such documents without the approval of the designated supervisor.

419.3.2 GANG DATABASES

The Sheriff may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Members must obtain the requisite training before accessing any such database.

It is the gang unit supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into the database. Prior to designating any person as a suspected gang member, associate or affiliate in a shared gang database; or submitting a document to the Attorney General's office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the gang unit supervisor shall provide written notice to the person and, if the person is under the age of 18, to his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor. Notice shall also describe the process to contest the designation (Penal Code § 186.34).

The person, an attorney working on his/her behalf or his/her parent or guardian (if the person is under 18 years of age) may request, in writing, information as to whether the person is designated as a suspected gang member, associate or affiliate in a shared gang database accessible by the office, the basis for that designation and the name of the agency that made the designation. The office shall respond to a valid request in writing within 30 days, and shall provide the information requested unless doing so would compromise an active investigation or compromise the health and safety of the person if he/she is under 18 years of age (Penal Code § 186.34).

The person, or his/her parent or guardian if the person is under 18 years of age, may contest the designation by submitting written documentation which shall be reviewed by the gang unit supervisor. If it is determined that the person is not a suspected gang member, associate or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the office's decision within 30 days of receipt of the written documentation contesting the designation and shall include the reason for a denial when applicable (Penal Code § 186.34).

The gang unit supervisor should forward reports or FIs to the Records Bureau after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Criminal Organizations

It is the responsibility of the Records Bureau supervisor to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

Records contained in a shared gang database shall not be disclosed for employment or military screening purposes, and shall not be disclosed for the purpose of enforcing federal immigration law unless required by state or federal statute or regulation (Penal Code § 186.36).

419.3.3 REPORT TO THE CALIFORNIA DEPARTMENT OF JUSTICE

The Investigations Division Commander or the authorized designee shall ensure that the annual report of information submitted to a shared gang database as required by Penal Code § 186.34 is submitted to the California Department of Justice.

419.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the office-approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

419.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible office supervisor.
- (b) Should not be originals that would ordinarily be retained by the Records Bureau or Property Office, but should be copies of, or references to, retained documents such as copies of reports, FI forms, Dispatch records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

419.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

Criminal Organizations

419.5 INFORMATION RECOGNITION

Office members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Office supervisors who utilize an authorized criminal intelligence system should work with the Training Sergeant to train members to identify information that may be particularly relevant for inclusion.

419.6 RELEASE OF INFORMATION

Office members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to office members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

419.7 CRIMINAL STREET GANGS

The Investigations supervisor should ensure that there are an appropriate number of office members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:
 - 1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).
 - 2. Identification of a person as a criminal street gang member and criminal street gang-related crimes.
 - 3. The California Street Terrorism Enforcement and Prevention Act (Penal Code § 186.21 et seq.), associated crimes and what defines a criminal street gang (Penal Code § 186.22).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Criminal Organizations

- (b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

419.8 TRAINING

The Training Sergeant should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

Watch Commanders

420.1 PURPOSE AND SCOPE

Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with departmental policies, procedures, practices, functions and objectives. To accomplish this goal, a Sergeant heads each watch.

420.2 DESIGNATION AS ACTING WATCH COMMANDER

When a Sergeant is unavailable for duty as Watch Commander, in most instances the senior qualified senior deputy shall be designated as acting Watch Commander. This policy does not preclude designating a less senior senior deputy as an acting Watch Commander when operational needs require or training permits.

Mobile Audio/Video

421.1 PURPOSE AND SCOPE

The Mono County Sheriff's Department has equipped marked patrol cars with Mobile Audio/Video (MAV) recording systems to provide records of events and assist deputies in the performance of their duties. This policy provides guidance on the use of these systems.

421.1.1 DEFINITIONS

Definitions related to this policy include:

Activate - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

In-car camera system and Mobile Audio/Video (MAV) system - Synonymous terms which refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at minimum, a camera, microphone, recorder and monitor.

MAV technician - Personnel certified or trained in the operational use and repair of MAVs, duplicating methods, storage and retrieval methods and procedures, and who have a working knowledge of video forensics and evidentiary procedures.

Recorded media - Audio-video signals recorded or digitally stored on a storage device or portable media.

421.2 POLICY

It is the policy of the Mono County Sheriff's Department to use mobile audio and video technology to more effectively fulfill the department's mission and to ensure these systems are used securely and efficiently.

421.3 DEPUTY RESPONSIBILITIES

Prior to going into service, each deputy will properly equip him/herself to record audio and video in the field. At the end of the shift, each deputy will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each deputy should have adequate recording media for the entire duty assignment. In the event a deputy works at a remote location and reports in only periodically, additional recording media may be issued. Only Mono County Sheriff's Department identified and labeled media with tracking numbers is to be used.

At the start of each shift, deputies should test the MAV system's operation in accordance with manufacturer specifications and department operating procedures and training.

System documentation is accomplished by the deputy recording his/her name, serial number, badge or PIN number and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the deputy shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

Mobile Audio/Video

421.4 ACTIVATION OF THE MAV

The MAV system is designed to turn on whenever the unit's emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the deputy whenever appropriate. When audio is being recorded, the video will also record.

421.4.1 REQUIRED ACTIVATION OF MAV

This policy is not intended to describe every possible situation in which the MAV system may be used, although there are many situations where its use is appropriate. A deputy may activate the system any time the deputy believes it would be appropriate or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However, the audio portion can be valuable evidence and is subject to the same activation requirements as the MAV. The MAV system should be activated in any of the following situations:

- (a) All field contacts involving actual or potential criminal conduct within video or audio range:
 - 1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
 - 2. Priority responses
 - 3. Vehicle pursuits
 - 4. Suspicious vehicles
 - 5. Arrests
 - 6. Vehicle searches
 - 7. Physical or verbal confrontations or use of force
 - 8. Pedestrian checks
 - 9. DWI/DUI investigations including field sobriety tests
 - 10. Consensual encounters
 - 11. Crimes in progress
 - 12. Responding to an in-progress call
- (b) All self-initiated activity in which a deputy would normally notify Dispatch
- (c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
 - 1. Domestic violence calls
 - 2. Disturbance of peace calls

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Mobile Audio/Video

3. Offenses involving violence or weapons
 - (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording
 - (e) Any other circumstance where the deputy believes that a recording of an incident would be appropriate

421.4.2 CESSATION OF RECORDING

Once activated, the MAV system should remain on until the incident has concluded. For purposes of this section, conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if a deputy is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

For priority responses, the MAV shall be activated and recording during the entire response. At no time shall the MAV be stopped from recording while the unit is responding to a call.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

421.4.3 WHEN ACTIVATION IS NOT REQUIRED

Activation of the MAV system is not required when exchanging information with other deputies or during breaks, lunch periods, when not in service or actively on patrol.

No member of this department may surreptitiously record a conversation of any other member of this department except with a court order or when lawfully authorized by the Sheriff or the authorized designee for the purpose of conducting a criminal or administrative investigation.

421.4.4 SUPERVISOR RESPONSIBILITIES

Supervisors should determine if vehicles with non-functioning MAV systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made, including notification of Dispatch.

At reasonable intervals, supervisors should validate that:

- (a) Beginning and end-of-shift recording procedures are followed.
- (b) Logs reflect the proper chain of custody, including:
 1. The tracking number of the MAV system media.
 2. The date it was issued.
 3. The law enforcement operator or the vehicle to which it was issued.
 4. The date it was submitted.
 5. Law enforcement operators submitting the media.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Mobile Audio/Video

6. Holds for evidence indication and tagging as required.
- (c) The operation of MAV systems by new employees is assessed and reviewed no less than biweekly.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, department-involved collisions), a supervisor shall respond to the scene and ensure that the appropriate supervisor, MAV technician or crime scene investigator properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

Supervisors may activate the MAV system remotely to monitor a developing situation, such as a chase, riot or an event that may threaten public safety, officer safety or both, when the purpose is to obtain tactical information to assist in managing the event. Supervisors shall not remotely activate the MAV system for the purpose of monitoring the conversations or actions of a deputy.

421.5 REVIEW OF MAV RECORDINGS

All recording media, recorded images and audio recordings are the property of the Department. Dissemination outside of the agency is strictly prohibited, except to the extent permitted or required by law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department MAV technician or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

- (a) For use when preparing reports or statements
- (b) By a supervisor investigating a specific act of deputy conduct
- (c) By a supervisor to assess deputy performance
- (d) To assess proper functioning of MAV systems
- (e) By department investigators who are participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
- (f) By department personnel who request to review recordings
- (g) By a deputy who is captured on or referenced in the video or audio data and reviews and uses such data for any purpose relating to his/her employment
- (h) By court personnel through proper process or with permission of the Sheriff or the authorized designee
- (i) By the media through proper process or with permission of the Sheriff or the authorized designee

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Mobile Audio/Video

- (j) To assess possible training value
- (k) Recordings may be shown for training purposes. If an involved deputy objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the deputy's objection

Employees desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Watch Commander. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

421.6 DOCUMENTING MAV USE

If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the deputy's report. If a citation is issued, the deputy shall make a notation on the back of the records copy of the citation, indicating that the incident was recorded.

421.7 RECORDING MEDIA STORAGE AND INTEGRITY

All video media that becomes full shall be checked in immediately. It shall be labeled and placed in a designated secure area (evidence room). The labeling should include start and stop dates for the media, as well as the employee name. Media that is not booked as evidence will be retained for a minimum of one year after which time it will be erased, destroyed or recycled in accordance with the established records retention schedule (Government Code § 34090.6).

421.8 SYSTEM OPERATIONAL STANDARDS

- (a) MAV system vehicle installations should be based on officer safety requirements and the vehicle and device manufacturer's recommendations.
- (b) The MAV system should be configured to minimally record for 30 seconds prior to an event.
- (c) The MAV system may not be configured to record audio data occurring prior to activation.
- (d) Unless the transmitters being used are designed for synchronized use, only one transmitter, usually the primary initiating deputy's transmitter, should be activated at a scene to minimize interference or noise from other MAV transmitters.
- (e) Deputies using digital transmitters that are synchronized to their individual MAV shall activate both audio and video recordings when responding in a support capacity. This is to obtain additional perspectives of the incident scene.
- (f) With the exception of law enforcement radios or other emergency equipment, other electronic devices should not be used inside MAV-equipped law enforcement vehicles

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Mobile Audio/Video

to minimize the possibility of causing electronic or noise interference with the MAV system.

- (g) Deputies shall not erase, alter, reuse, modify or tamper with MAV recordings. Only a supervisor, MAV technician or other authorized designee may erase and reissue previous recordings and may only do so pursuant to the provisions of this policy.
- (h) To prevent damage, original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MAV technician.

421.9 TRAINING

All members who are authorized to use the MAV system shall successfully complete an approved course of instruction prior to its use.

Portable Audio/Video Recorders

422.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this office while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Mono County Sheriff's Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

422.2 POLICY

The Mono County Sheriff's Department will provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Office by accurately capturing contacts between members of the Office and the public.

422.3 MEMBER PRIVACY EXPECTATION

All recordings made by members on any office-issued device at any time, and any recording made while acting in an official capacity for this office, regardless of ownership of the device it was made on, shall remain the property of the Office. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

422.4 MEMBER RESPONSIBILITIES

At the start of each shift, every uniformed member will be responsible for making sure that he/ she is equipped with a portable recorder issued by the Office, and that the recorder is fully charged and in good working order. The device memory shall be completely downloaded prior to placing the camera into service. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable. The recorder will be powered on at all times and ready for activation.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a portable recorder, the assigned member shall record his/her name, MCSO identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Portable Audio/Video Recorders

required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

422.4.1 SUPERVISOR RESPONSIBILITIES

Supervisors should take custody of a portable audio/video recording device as soon as practicable when the device may have captured an incident involving the use of force, an officer-involved shooting or death or other serious incident, and ensure the data is downloaded (Penal Code § 832.18).

422.5 ACTIVATION OF THE PORTABLE RECORDER

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The portable recorder shall be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview (FI) situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording
- (d) All calls for service

Members should remain sensitive to the dignity of all individuals being recorded and may exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

422.5.1 SURREPTITIOUS USE OF THE PORTABLE RECORDER

Members of the Office may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation (Penal Code § 633).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Portable Audio/Video Recorders

Members shall not surreptitiously record another office member without a court order unless lawfully authorized by the Sheriff or the authorized designee.

422.5.2 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

422.5.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

422.6 PROHIBITED USE OF PORTABLE RECORDERS

Members are prohibited from using office-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with office-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate office business purposes. All such recordings shall be retained at the Office.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Watch Commander. Any member who uses a personally owned recorder for office-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

422.7 IDENTIFICATION AND PRESERVATION OF RECORDINGS

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Portable Audio/Video Recorders

- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

422.7.1 RETENTION REQUIREMENTS

All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 731 days.

422.8 REVIEW OF RECORDED MEDIA FILES

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Office who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Sheriff or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

422.9 COORDINATOR

The Sheriff or the authorized designee shall appoint a member of the Office to coordinate the use and maintenance of portable audio/video recording devices and the storage of recordings, including (Penal Code § 832.18):

- (a) Establishing a system for downloading, storing and security of recordings.
- (b) Designating persons responsible for downloading recorded data.
- (c) Establishing a maintenance system to ensure availability of operable portable audio/video recording devices.
- (d) Establishing a system for tagging and categorizing data according to the type of incident captured.
- (e) Establishing a system to prevent tampering, deleting and copying recordings and ensure chain of custody integrity.
- (f) Working with counsel to ensure an appropriate retention schedule is being applied to recordings and associated documentation.
- (g) Maintaining logs of access and deletions of recordings.

422.10 RETENTION OF RECORDINGS

Recordings of the following should be retained for a minimum of two years (Penal Code § 832.18):

- (a) Incident involving use of force by a deputy
- (b) Officer-involved shootings
- (c) Incidents that lead to the detention or arrest of an individual
- (d) Recordings relevant to a formal or informal complaint against a deputy or the Mono County Sheriff's Department

Recordings containing evidence that may be relevant to a criminal prosecution should be retained for any additional period required by law for other evidence relevant to a criminal prosecution (Penal Code § 832.18).

All other recordings should be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

Records or logs of access and deletion of recordings should be retained permanently (Penal Code § 832.18).

422.10.1 RELEASE OF AUDIO/VIDEO RECORDINGS

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

Medical Marijuana

423.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this office with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under California's medical marijuana laws.

423.1.1 DEFINITIONS

Definitions related to this policy include:

Cardholder - A person issued a current identification card.

Compassionate Use Act (CUA) (Health and Safety Code § 11362.5) - California law intended to provide protection from prosecution to those who are seriously ill and whose health would benefit from the use of marijuana in the treatment of illness for which marijuana provides relief. The CUA does not grant immunity from arrest but rather provides an affirmative defense from prosecution for possession of medical marijuana.

Identification card - A valid document issued by the California Department of Public Health to both persons authorized to engage in the medical use of marijuana and also to designated primary caregivers.

Medical marijuana - Marijuana possessed by a patient or primary caregiver for legitimate medical purposes.

Medical Marijuana Program (MMP) (Health and Safety Code § 11362.7 et seq.) - California laws passed following the CUA to facilitate the prompt identification of patients and their designated primary caregivers in order to avoid unnecessary arrests and provide needed guidance to law enforcement officers. MMP prohibits arrest for possession of medical marijuana in certain circumstances and provides a defense in others.

Patient - A person who is entitled to the protections of the CUA because he/she has received a written or oral recommendation or approval from a physician to use marijuana for medical purposes or any person issued a valid identification card.

Primary caregiver - A person designated by the patient, who has consistently assumed responsibility for the patient's housing, health or safety, who may assist the patient with the medical use of marijuana under the CUA or the MMP (Health and Safety Code § 11362.5; Health and Safety Code § 11362.7).

Statutory amount - No more than 8 ounces of dried, mature, processed female marijuana flowers ("bud") or the plant conversion (e.g., kief, hash, hash oil), and no more than six mature or 12 immature marijuana plants (roots, stems and stem fibers should not be considered) (Health and Safety Code § 11362.77).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Medical Marijuana

423.2 POLICY

It is the policy of the Mono County Sheriff's Department to prioritize resources to forgo making arrests related to marijuana that the arresting deputy reasonably believes would not be prosecuted by state or federal authorities.

California's medical marijuana laws are intended to provide protection to those who are seriously ill and whose health would benefit from the use of medical marijuana.

However, California medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The Mono County Sheriff's Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under California law and public resources.

423.3 INVESTIGATION

Investigations involving the possession, delivery, production or use of marijuana generally fall into one of several categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a medicinal claim is made by a cardholder.
- (c) Investigations when a medicinal claim is made by a non-cardholder.

423.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM

In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the deputy should proceed with a criminal investigation if the amount is greater than permitted for personal use under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1; Health and Safety Code § 11362.2). A medicinal defense may be raised at any time, so deputies should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

423.3.2 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A CARDHOLDER

A cardholder or designated primary caregiver in possession of an identification card shall not be arrested for possession, transportation, delivery or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person is otherwise in violation of the provisions of the MMP.
- (d) The person possesses marijuana but not for personal medical purposes.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Medical Marijuana

Deputies who reasonably believe that a person who does not have an identification card in his/her possession has been issued an identification card may treat the investigation as if the person had the card in his/her possession.

Cardholders may possess, transport, deliver or cultivate medical marijuana in amounts above the statutory amount if their doctor has concluded that the statutory amount does not meet the patient's medical needs (Health and Safety Code § 11362.71; Health and Safety Code § 11362.77). Investigations involving cardholders with more than the statutory amount of marijuana should be addressed as provided in this policy for a case involving a medicinal claim made by a non-cardholder.

423.3.3 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A NON-CARDHOLDER

No patient or primary caregiver should be arrested for possession or cultivation of an amount of medical marijuana if the deputy reasonably believes that marijuana is in a form and amount reasonably related to the qualified patient's current medical needs (Health and Safety Code § 11362.5). This arrest guidance also applies to sales, transportation or delivery of medical marijuana, or maintaining/renting a drug house or building that may be a nuisance if otherwise in compliance with MMP (Health and Safety Code § 11362.765).

Deputies are not obligated to accept a person's claim of having a physician's recommendation when the claim cannot be readily verified with the physician but are expected to use their judgment to assess the validity of the person's medical-use claim.

Deputies should review any available written documentation for validity and whether it contains the recommending physician's name, telephone number, address and medical license number for verification.

Deputies should generally accept verified recommendations by a physician that statutory amounts do not meet the patient's needs (Health and Safety Code § 11362.77).

423.3.4 ADDITIONAL CONSIDERATIONS

Deputies should consider the following when investigating an incident involving marijuana possession, delivery, production or use:

- (a) Because enforcement of medical marijuana laws can be complex, time consuming and call for resources unavailable at the time of initial investigation, deputies may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
 1. The suspect has been identified and can be easily located at a later time.
 2. The case would benefit from review by a person with expertise in medical marijuana investigations.
 3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Medical Marijuana

4. Other relevant factors, such as available office resources and time constraints prohibit making an immediate arrest.
- (b) Whenever the initial investigation reveals an amount of marijuana greater than the statutory amount, deputies should consider the following when determining whether the form and amount is reasonably related to the patient's needs:
1. The amount of marijuana recommended by a medical professional to be ingested.
 2. The quality of the marijuana.
 3. The method of ingestion (e.g., smoking, eating, nebulizer).
 4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
 5. Whether the marijuana is being cultivated indoors or outdoors, the climate, etc.
- (c) Before proceeding with enforcement related to collective gardens or dispensaries, deputies should consider conferring with a supervisor, an applicable state regulatory agency or other member with special knowledge in this area and/or appropriate legal counsel (Business and Professions Code § 26010; Business and Professions Code § 26060). Licensing, zoning and other related issues can be complex. Patients, primary caregivers and cardholders who collectively or cooperatively cultivate marijuana for medical purposes are provided a defense under the MMP (Health and Safety Code § 11362.775; Business and Professions Code § 26032).
- (d) Investigating members should not order a patient to destroy marijuana plants under threat of arrest.

423.3.5 EXCEPTIONS

This policy does not apply to, and deputies should consider taking enforcement action for the following:

- (a) Persons who engage in illegal conduct that endangers others, such as driving under the influence of marijuana in violation of the Vehicle Code (Health and Safety Code § 11362.5).
- (b) Marijuana possession in jails or other correctional facilities that prohibit such possession (Health and Safety Code § 11362.785).
- (c) Smoking marijuana (Health and Safety Code § 11362.79):
 1. In any place where smoking is prohibited by law.
 2. In or within 1,000 feet of the grounds of a school, recreation center or youth center, unless the medical use occurs within a residence.
 3. On a school bus.
 4. While in a motor vehicle that is being operated.
 5. While operating a boat.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Medical Marijuana

- (d) Use of marijuana by a person on probation or parole, or on bail and use is prohibited by the terms of release (Health and Safety Code § 11362.795).

423.3.6 INVESTIGATIONS INVOLVING A STATE LICENSEE

No person issued a state license under the Business and Professions Code shall be arrested or cited for cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution or sale of medical cannabis or a medical cannabis product related to qualifying patients and primary caregivers when conducted lawfully. Whether conduct is lawful may involve questions of license classifications, local ordinances, specific requirements of the Business and Professions Code and adopted regulations. Deputies should consider conferring with a supervisor, the applicable state agency or other member with special knowledge in this area and/or appropriate legal counsel before taking enforcement action against a licensee or an employee or agent (Business and Professions Code § 26032).

423.4 FEDERAL LAW ENFORCEMENT

Deputies should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the deputy believes those authorities would have a particular interest in the information.

423.5 PROPERTY OFFICE SUPERVISOR RESPONSIBILITIES

The Property Office supervisor should ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed pending any charges and without a court order. The Property Office supervisor is not responsible for caring for live marijuana plants.

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property Office supervisor should, as soon as practicable, return to the person from whom it was seized any useable medical marijuana, plants, drug paraphernalia or other related property.

The Property Office supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigations supervisor.

Foot Pursuits

424.1 PURPOSE AND SCOPE

This policy provides guidelines to assist deputies in making the decision to initiate or continue the pursuit of suspects on foot.

424.2 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Deputies must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Deputies may be justified in initiating a foot pursuit of any individual the deputy reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that a deputy must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no deputy or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, a deputy should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.
- (e) Air support.
- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

Foot Pursuits

424.3 GENERAL GUIDELINES

When reasonably practicable, deputies should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory
- (b) The deputy is acting alone.
- (c) Two or more deputies become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single deputy keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The deputy is unsure of his/her location and direction of travel.
- (e) The deputy is pursuing multiple suspects and it is not reasonable to believe that the deputy would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the deputy renders him/her incapable of controlling the suspect if apprehended.
- (g) The deputy loses radio contact with the Public Safety Officer or with assisting or backup deputies.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient deputies to provide backup and containment. The primary deputy should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The deputy becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to deputies or the public.
- (j) The deputy reasonably believes that the danger to the pursuing deputies or public outweighs the objective of immediate apprehension.
- (k) The deputy loses possession of his/her firearm or other essential equipment.
- (l) The deputy or a third party is injured during the pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer definitely known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.

Mono County Sheriff's Department

- (o) The deputy's ability to safely continue the pursuit is impaired by inclement weather, darkness or other environmental conditions.

424.4 RESPONSIBILITIES IN FOOT PURSUITS

424.4.1 INITIATING DEPUTY RESPONSIBILITIES

Unless relieved by another deputy or a supervisor, the initiating deputy shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating deputy should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient deputies are present to safely apprehend the suspect.

Early communication of available information from the involved deputies is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Deputies initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Deputies should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any deputy unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the deputy will notify the Public Safety Officer of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for deputies, suspects or members of the public.

424.4.2 ASSISTING DEPUTY RESPONSIBILITIES

Whenever any deputy announces that he/she is engaged in a foot pursuit, all other deputies should minimize non-essential radio traffic to permit the involved deputies maximum access to the radio frequency.

424.4.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible;

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Foot Pursuits

the supervisor does not, however, need not be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing deputies or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

424.4.4 DISPATCH RESPONSIBILITIES

Upon notification or becoming aware that a foot pursuit is in progress, the Public Safety Officer is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved deputies.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the foot pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Watch Commander as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

424.5 REPORTING REQUIREMENTS

The initiating deputy shall complete appropriate crime/arrest reports documenting, at minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and deputies.
- (f) Whether a suspect was apprehended as well as the means and methods used.
 - 1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Foot Pursuits

Assisting deputies taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating deputy need not complete a formal report.

424.6 POLICY

It is the policy of this department that deputies, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Deputies are expected to act reasonably, based on the totality of the circumstances.

Public Recording of Law Enforcement Activity

425.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

425.2 POLICY

The Mono County Sheriff's Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Deputies should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

425.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (Penal Code § 69; Penal Code § 148).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the deputies.
 - 4. Being so close to the activity as to interfere with a deputy's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the deputies, him/herself or others.

425.4 DEPUTY RESPONSE

Deputies should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, deputies should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, deputies or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Public Recording of Law Enforcement Activity

behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, a deputy could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, deputies shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

425.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the deputy and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

425.6 SEIZING RECORDINGS AS EVIDENCE

Deputies should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Public Recording of Law Enforcement Activity

evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.

Crisis Intervention Incidents

426.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires a deputy to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

426.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

426.2 POLICY

The Mono County Sheriff's Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Office will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

426.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Crisis Intervention Incidents

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

426.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Sheriff should designate an appropriate Division Commander to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide office interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

426.5 FIRST RESPONDERS

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to deputies; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit a deputy's authority to use reasonable force when interacting with a person in crisis.

Deputies are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

A deputy responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup deputies and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
 1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the deputy.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Crisis Intervention Incidents

- (k) If circumstances reasonably permit, consider and employ alternatives to force.

426.6 DE-ESCALATION

Deputies should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding deputies generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

426.7 INCIDENT ORIENTATION

When responding to an incident that may involve mental illness or a mental health crisis, the deputy should request that the Public Safety Officer provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous sheriff's response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Crisis Intervention Incidents

426.8 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Division Commander.

Evaluate whether a critical incident stress management debriefing for involved members is warranted.

426.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to office reporting procedures or other official mental health or medical proceedings.

426.9.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Mental Illness Commitments Policy.

426.10 NON-SWORN INTERACTION WITH PEOPLE IN CRISIS

Non-sworn members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Crisis Intervention Incidents

person may be harmful to him/herself or others, a deputy should be promptly summoned to provide assistance.

426.11 EVALUATION

The Division Commander designated to coordinate the crisis intervention strategy for this office should ensure that a thorough review and analysis of the office response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, deputies or incidents and will be submitted to the Sheriff through the chain of command.

426.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Office will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This office will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, welfare checks and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

Mobile Data Terminal Use

427.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Data Terminal (MDT) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between office members and Dispatch.

427.2 POLICY

Mono County Sheriff's Department members using the MDT shall comply with all appropriate federal and state rules and regulations and shall use the MDT in a professional manner, in accordance with this policy.

427.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any office technology system (see the Information Technology Use Policy for additional guidance).

427.4 RESTRICTED ACCESS AND USE

MDT use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDT system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDT by another member to their supervisors or Watch Commanders.

Use of the MDT system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Office. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDT system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDT system unless directed to do so by a supervisor. Members are required to log off the MDT or secure the MDT when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

427.4.1 USE WHILE DRIVING

Use of the MDT by the vehicle operator should be limited to times when the vehicle is stopped.

Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Mobile Data Terminal Use

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

427.5 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Watch Commander or other office-established protocol, all calls for service assigned by a Public Safety Officer should be communicated by voice over the sheriff's radio and electronically via the MDT unless security or confidentiality prevents such broadcasting.

MDT and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a Public Safety Officer.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDT.

427.5.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the sheriff's radio or through the MDT system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDT when the vehicle is not in motion.

427.5.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available deputy should respond in accordance with the Deputy Response to Calls Policy.

Members should ensure a field supervisor and the Watch Commander are notified of the incident without delay.

Deputies not responding to the emergency shall refrain from transmitting on the sheriff's radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

427.6 EQUIPMENT CONSIDERATIONS

427.6.1 MALFUNCTIONING MDT

Whenever possible, members will not use vehicles with malfunctioning MDTs. Whenever members must drive a vehicle in which the MDT is not working, they shall notify Dispatch. It shall be the responsibility of the Public Safety Officer to document all information that will then be transmitted verbally over the sheriff's radio.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Mobile Data Terminal Use

427.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDTs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDT could cause some devices to detonate.

First Amendment Assemblies

428.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

428.2 POLICY

The Mono County Sheriff's Department respects the rights of people to peaceably assemble. It is the policy of this office not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

428.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, deputies shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors deputies may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Deputies should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless a deputy is placing a person under lawful arrest.

Supervisors should continually observe office members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

First Amendment Assemblies

428.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating office performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

428.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding deputy should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to Dispatch, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

428.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

428.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

First Amendment Assemblies

- The potential time, duration, scope and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or the race, ethnicity, national origin or religion of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

428.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with County government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

428.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Mutual Aid and Outside Agency Assistance Policy).

428.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

428.7 USE OF FORCE

Use of force is governed by current office policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and TASER® devices should be considered only when the participants' conduct reasonably appears to present the potential to harm deputies, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

First Amendment Assemblies

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this office shall be documented promptly, completely and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

428.8 ARRESTS

The Mono County Sheriff's Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of deputies and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

428.9 MEDIA RELATIONS

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the News Media Relations Policy).

428.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

First Amendment Assemblies

428.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, Dispatch records/tapes
- (g) Media accounts (print and broadcast media)

428.11.1 AFTER-ACTION REPORTING

The Incident Commander should work with County legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

428.12 TRAINING

Office members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The Office should, when practicable, train with its external and mutual aid partners.

Civil Disputes

429.1 PURPOSE AND SCOPE

This policy provides members of the Mono County Sheriff's Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to "court orders" apply to any order of a court that does not require arrest or enforcement by the terms of the order or by California law.

429.2 POLICY

The Mono County Sheriff's Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this office will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

429.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Civil Disputes

429.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for a deputy to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating deputy should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating deputy should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

429.4.1 STANDBY REQUESTS

Deputy responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Deputies should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

429.5 VEHICLES AND PERSONAL PROPERTY

Deputies may be faced with disputes regarding possession or ownership of vehicles or other personal property. Deputies may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, deputies should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

429.6 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

Suspicious Activity Reporting

430.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

430.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Race, ethnicity, national origin or religious affiliation should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include, but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

430.2 POLICY

The Mono County Sheriff's Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

430.3 RESPONSIBILITIES

The Investigations Division Commander and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for office participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Investigations Division Commander include, but are not limited to:

- (a) Remaining familiar with those databases available to the Office that would facilitate the purpose of this policy.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Suspicious Activity Reporting

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Office.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Office conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

430.4 REPORTING AND INVESTIGATION

Any office member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any non-sworn member who receives such information should ensure that it is passed on to a deputy in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, a deputy becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

430.5 HANDLING INFORMATION

The Records Bureau will forward copies of SARs, in a timely manner, to the following:

- Investigations supervisor
- Crime Analysis Unit
- Other authorized designees

Medical Aid and Response

431.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons who appear to be in need of medical aid and establishes a law enforcement response to such situations.

431.2 POLICY

It is the policy of the Mono County Sheriff's Department that all deputies and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

431.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR and use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact Dispatch and request response by emergency medical services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide Dispatch with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex and age, if known.
 - 4. Whether the person is conscious, breathing and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Medical Aid and Response

431.4 TRANSPORTING ILL AND INJURED PERSONS

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Deputies should search any person who is in custody before releasing that person to EMS for transport.

A deputy should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

431.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, a deputy shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the deputy should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If a deputy believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The deputy may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person still refuses, the deputy will require the person to be transported to the nearest medical facility. In such cases, the deputy should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

431.5.1 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the deputy has reason to believe the arrestee is feigning injury or illness, the deputy should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the deputy should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Medical Aid and Response

Arrestees who appear to have a serious medical issue should be transported by ambulance. Deputies shall not transport an arrestee to a hospital without a supervisor's approval.

431.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

431.7 AIR AMBULANCE

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Operations Division Commander should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Office should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One office member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Medical Aid and Response

- Ensure that no one smokes near the aircraft.

431.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

431.8.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in office vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Sergeant who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact Dispatch as soon as possible and request response by EMS.

431.8.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

431.8.3 AED TRAINING AND MAINTENANCE

The Training Sergeant should ensure appropriate training and refresher training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency (LEMSA) or EMS authority upon request (22 CCR 100021; 22 CCR 100022; 22 CCR 100029).

The Training Sergeant is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100021).

431.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Members may administer opioid overdose medication in accordance with protocol specified by the licensed health care provider who prescribed the overdose medication for use by the member and (Civil Code § 1714.22; 22 CCR 100019):

- (a) When trained and tested to demonstrate competence following initial instruction.
- (b) When authorized by the medical director of the LEMSA.
- (c) In accordance with California Peace Officer Standards and Training (POST) standards.

431.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure

Mono County Sheriff's Department

they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Sergeant.

Any member who administers an opioid overdose medication should contact Dispatch as soon as possible and request response by EMS.

431.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Sergeant will ensure that the Records Manager is provided enough information to meet applicable state reporting requirements.

431.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Sergeant should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication. Training should be coordinated with the local health department and comply with the requirements in 22 CCR 100019 and any applicable POST standards (Civil Code § 1714.22).

431.10 ADMINISTRATION OF EPINEPHRINE AUTO-INJECTORS

The Operations Division Commander may authorize the acquisition of epinephrine auto-injectors for use by Office members as provided by Health and Safety Code § 1797.197a. The Training Sergeant shall create and maintain an operations plan for the storage, maintenance, use and disposal of epinephrine auto-injectors as required by Health and Safety Code § 1797.197a(f).

Trained members who possess valid certification may administer an epinephrine auto-injector for suspected anaphylaxis (Health and Safety Code § 1797.197a(b); 22 CCR 100019).

431.10.1 EPINEPHRINE USER RESPONSIBILITIES

Members should handle, store and administer epinephrine auto-injectors consistent with their training and the Office operations plan. Members should check the auto-injectors at the beginning of their shift to ensure the medication is not expired. Any expired medication should be removed from service in accordance with the Office Operations Plan.

Any member who administers an epinephrine auto-injector medication should contact Dispatch as soon as possible and request response by EMS (Health and Safety Code § 1797.197a(b)).

431.10.2 EPINEPHRINE AUTO-INJECTOR REPORTING

Any member who administers an epinephrine auto-injector should detail its use in an appropriate report.

The Training Sergeant should ensure that the Records Manager is provided enough information for required reporting to the EMS Authority within 30 days after each use (Health and Safety Code § 1797.197a(f)).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Medical Aid and Response

Records regarding the acquisition and disposition of epinephrine auto-injectors shall be maintained pursuant to the Office established records retention schedule but no less than three years (Business and Professions Code § 4119.4(d)).

431.10.3 EPINEPHRINE AUTO-INJECTOR TRAINING

The Training Sergeant should ensure that members authorized to administer epinephrine auto-injectors are provided with initial and refresher training that meets the requirements of Health and Safety Code § 1797.197a(c) and 22 CCR 100019.

Chapter 5 - Traffic Operations

Traffic Function and Responsibility

500.1 HIGH-VISIBILITY VESTS

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; 8 CCR 1598).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

500.1.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, deputies should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes deputy might benefit from being readily identified as a member of law enforcement.

500.1.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS

High-visibility vests shall be issued to each deputy and will be maintained and be accessible at all times. It is recommended the vest be stored inside a re-sealable plastic bag to protect and maintain the vest in a serviceable condition.

There will be a vest maintained in each of the Jail Transport Vehicles for use by any Public Safety Officer, that comes upon a scene that he/she is needed for any type of traffic control.

Vehicle Towing and Release

501.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Mono County Sheriff's Department. Nothing in this policy shall require the Office to tow a vehicle.

501.2 STORAGE AND IMPOUNDS

When circumstances permit, for example when towing a vehicle for parking or registration violations, the handling employee should, prior to having the vehicle towed, make a good faith effort to notify the owner of the vehicle that it is subject to removal. This may be accomplished by personal contact, telephone or by leaving a notice attached to the vehicle at least 24 hours prior to removal. If a vehicle presents a hazard, such as being abandoned on the roadway, it may be towed immediately.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

501.2.1 VEHICLE STORAGE REPORT

Office members requesting towing, storage or impound of a vehicle shall complete CHP Form 180 and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850). A copy of the storage report should be given to the tow truck operator and the original shall be submitted to the Records Bureau as soon as practicable after the vehicle is stored.

501.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES

When a vehicle has been involved in a traffic collision and must be removed from the scene, the deputy shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in Dispatch.

If the owner is incapacitated, or for any reason it is necessary for the Office to assume responsibility for a vehicle involved in a collision, the deputy shall request the dispatcher to call the official towing garage for the County of Mono. The deputy will then store the vehicle using a CHP Form 180.

501.2.3 STORAGE AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this office to provide reasonable safekeeping by storing the arrestee's vehicle subject to the exceptions described below. The vehicle, however, shall be stored whenever it is needed for the furtherance of the investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored (e.g., traffic hazard, high crime area).

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic related warrant arrest.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Towing and Release

- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing, and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene. In such cases the owner shall be informed that the Office will not be responsible for theft or damages.

501.2.4 IMPOUNDMENT AT SOBRIETY CHECKPOINTS

Whenever a driver is stopped at a sobriety checkpoint and the only violation is that the operator is driving without a valid driver's license, the deputy shall make a reasonable attempt to identify the registered owner of the vehicle (Vehicle Code § 2814.2). The deputy shall release the vehicle to the registered owner if the person is a licensed driver, or to another licensed driver authorized by the registered owner, provided the vehicle is claimed prior to the conclusion of the checkpoint operation.

If the vehicle is released at the checkpoint, the deputy shall list on his/her copy of the notice to appear the name and driver's license number of the person to whom the vehicle is released.

When a vehicle cannot be released at the checkpoint, it shall be towed (Vehicle Code § 22651(p)). When a vehicle is removed at the checkpoint, it shall be released during the normal business hours of the storage facility to the registered owner or his/her agent upon presentation of a valid driver's license and current vehicle registration.

501.2.5 DRIVING A NON-CITY VEHICLE

Vehicles which have been towed by or at the direction of the Office should not be driven by sheriff's personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

501.2.6 DISPATCHER'S RESPONSIBILITIES

Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The deputy shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.

501.2.7 RECORDS BUREAU RESPONSIBILITY

Records personnel shall promptly enter pertinent data from the completed storage form (CHP Form 180) into the Stolen Vehicle System and return the form to the Watch Commander for approval (Vehicle Code § 22651.5(b); Vehicle Code § 22851.3(b); Vehicle Code § 22854.5).

Vehicle Towing and Release

Approved storage forms shall be promptly placed into the auto-file so that they are immediately available for release or review should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of the Records Bureau to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice shall be sent to all such individuals by first-class mail (Vehicle Code § 22851.3(d); Vehicle Code § 22852(a); Vehicle Code § 14602.6(a)(2)). The notice shall include the following (Vehicle Code § 22852(b)):

- (a) The name, address, and telephone number of this Office.
- (b) The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage.
- (c) The authority and purpose for the removal of the vehicle.
- (d) A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, writing, or by telephone within 10 days of the date appearing on the notice.

501.3 TOWING SERVICES

If the County of Mono selects a firm to act as the official tow service and awards a contract to that firm, this firm will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal from the streets of vehicles obstructing traffic in violation of state or local regulations.

501.4 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while in sheriff's custody, to provide for the safety of deputies, and to protect the Office against fraudulent claims of lost, stolen, or damaged property.

501.5 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, deputies should make reasonable accommodations to permit

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Towing and Release

a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) which are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

501.6 RELEASE OF VEHICLE

The Office will maintain a listed, 24-hour telephone number to provide information regarding impoundment of vehicles and the right of the registered owner to request a storage hearing. Releases for towed vehicles will be made available during regular, non-emergency business hours (Vehicle Code § 14602.6).

- (a) Vehicles removed pursuant to Vehicle Code § 22850 shall be released after proof of current registration is provided by the owner or the person in control of the vehicle and after all applicable fees are paid (Vehicle Code § 22850.3; Vehicle Code § 22850.5).
- (b) Vehicles removed that require payment of parking fines or proof of valid driver's license shall only be released upon presentation of proof of compliance, proof of payment, completion of affidavit and payment of applicable fees related to the removal (Vehicle Code § 22651 et seq., Vehicle Code § 22652 et seq., Vehicle Code § 22850.3; Vehicle Code § 22850.5).
- (c) A vehicle removed pursuant to Vehicle Code § 14602.6(a) shall be released to the registered owner or his/her agent with proof of current registration, proof of a valid driver's license and applicable fees paid prior to the end of the 30-day impoundment period under any of the following circumstances:
 - 1. The vehicle was stolen.
 - 2. If the driver reinstates his/her driver's license or acquires a license and provides proof of proper insurance.
 - 3. Any other circumstance as set forth in Vehicle Code § 14602.6.
 - 4. When there is no remaining community caretaking need to continue impound of the vehicle or the continued impound would not otherwise comply with the Fourth Amendment.

Personnel whose duties include releasing towed vehicles should consult the Vehicle Code under which the vehicle was towed or impounded for any specific requirements prior to release.

Employees who suspect that a vehicle was impounded in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the registered owner or his/her agent to request a hearing, as described in the Vehicle Impound Hearings Policy.

Vehicle Impound Hearings

502.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings pursuant to Vehicle Code § 22852.

502.2 STORED OR IMPOUND HEARING

When a vehicle is stored or impounded by any member of the Mono County Sheriff's Department, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent (Vehicle Code § 22650(a); Vehicle Code § 22852(a)).

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle (Vehicle Code § 22852(c)).

502.2.1 HEARING PROCEDURES

The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone within 10 days of the date appearing on the notice (Vehicle Code § 22852(b)). The Watch Commander will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing requirement (Vehicle Code § 22851.3(e)(2); Vehicle Code § 22852(d)).

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of the period the vehicle is impounded (Vehicle Code § 14602.6(b); Vehicle Code § 14602.8(b)).

Aside from those mitigating circumstances enumerated in the Vehicle Code, the registered owner's lack of actual knowledge that the driver to whom the vehicle was loaned was not validly licensed may constitute a mitigating circumstance under Vehicle Code § 14602.6(b) or 14602.8(b), warranting release of the vehicle. This mitigating circumstance exception is not limited to situations

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Vehicle Impound Hearings

where the owner made a reasonable inquiry as to the licensed status of the driver before lending the vehicle.

The legislative intent and this department's policy is to prevent unlicensed driving pursuant to Vehicle Code §14602.6. If this purpose is not furthered by the continued impoundment of a vehicle, release is most often appropriate.

- (a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision and that the inquiring party may pursue further civil remedies if desired.
 - 1. If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage or assessment of fees as warranted.
- (b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be paid at the Department's expense (Vehicle Code § 22852(e)).
- (c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Division Commander. The hearing officer will recommend to the appropriate Division Commander that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.

Impaired Driving

503.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

503.2 POLICY

The Mono County Sheriff's Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California's impaired driving laws.

503.3 INVESTIGATIONS

Deputies should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All deputies are expected to enforce these laws with due diligence.

The Watch Commander will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating deputies in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The deputy's observations that indicate impairment on the part of the individual, and the deputy's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in California or another jurisdiction.

503.4 FIELD TESTS

The Watch Commander should identify standardized FSTs and any approved alternate tests for deputies to use when investigating violations of DUI laws.

503.5 CHEMICAL TESTS

A person implies consent to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Vehicle Code § 23612):

- (a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Impaired Driving

- (b) The person is under 21 years of age and is arrested by a deputy having reasonable cause to believe that the person's blood alcohol content is 0.05 or more (Vehicle Code § 23140).
- (c) The person is under 21 years of age and detained by a deputy having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).
- (d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the deputy should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

503.5.1 CHOICE OF TESTS

Deputies shall respect a viable choice of chemical test made by an arrestee, as provided for by law (e.g., breath will not be acceptable for suspected narcotics influence).

A person arrested for DUI has the choice of whether the test is of his/her blood or breath, and the deputy shall advise the person that he/she has that choice. If the person arrested either is incapable, or states that he/she is incapable, of completing the chosen test, the person shall submit to the remaining test.

If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the deputy may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

503.5.2 BREATH SAMPLES

The Watch Commander should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Deputies obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Watch Commander.

When the arrested person chooses a breath test, the handling deputy shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

The deputy should also require the person to submit to a blood test if the deputy has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Impaired Driving

alcoholic beverage and any drug. Evidence of the deputy's belief shall be included in the deputy's report (Vehicle Code § 23612(a)(2)(C)).

503.5.3 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (Vehicle Code § 23158). The blood draw should be witnessed by the assigned deputy. No deputy, even if properly certified, should perform this task.

Deputies should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

503.5.4 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The deputy shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by a deputy or jail staff member of the same sex as the individual giving the sample. The arrestee should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample (Vehicle Code § 23158(i)).

The sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

503.5.5 STATUTORY NOTIFICATIONS

Deputies requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

503.5.6 PRELIMINARY ALCOHOL SCREENING

Deputies may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The deputy shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs, or a combination of the two. Unless the person is under the age of 21, he/she shall be advised that the PAS test is voluntary. The deputy shall also advise the person that submitting to a PAS test does not satisfy his/her obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Impaired Driving

503.5.7 PRELIMINARY ALCOHOL SCREENING FOR A PERSON UNDER AGE 21

If a deputy lawfully detains a person under 21 years of age who is driving a motor vehicle and the deputy has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the deputy shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the deputy may request the person to submit to chemical testing of his/her blood, breath or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the deputy shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

503.6 REFUSALS

When an arrestee refuses to provide a viable chemical sample, deputies should:

- (a) Advise the person of the requirement to provide a sample (Vehicle Code § 23612).
- (b) Audio- and/or video-record the admonishment when it is practicable.
- (c) Document the refusal in the appropriate report.

Upon refusal to submit to a chemical test as required by law, deputies shall personally serve the notice of order of suspension upon the person and take possession of any state-issued license to operate a motor vehicle that is held by that person (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

503.6.1 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained (Penal Code § 1524).
- (b) The deputy can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts such as a lengthy time delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

503.6.2 FORCED BLOOD SAMPLE

If an arrestee indicates by word or action that he/she will physically resist a blood draw, the deputy should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Impaired Driving

- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another deputy) and attempt to persuade the individual to submit to such a sample without physical resistance.
 - 1. This dialogue should be recorded on audio and/or video if practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure the forced blood draw is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
 - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
 - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
 - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, deputies are expected to use sound judgment and perform as a responding supervisor, as set forth above.

503.6.3 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, deputies shall personally serve the notice of order of suspension upon the arrestee and take possession of any state-issued license to operate a motor vehicle that is held by that individual (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

503.7 RECORDS BUREAU RESPONSIBILITIES

The Records Manager will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

503.8 ADMINISTRATIVE HEARINGS

The Records Manager will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any deputy who receives notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Impaired Driving

A deputy called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.

503.9 TRAINING

The Training Sergeant should ensure that deputies participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training Sergeant should confer with the prosecuting attorney's office and update training topics as needed.

503.10 ARREST AND INVESTIGATION

503.10.1 WARRANTLESS ARREST

In addition to the arrest authority granted to deputies pursuant to Penal Code § 836, a deputy may make a warrantless arrest of a person that the deputy has reasonable cause to believe has been driving under the influence of an alcoholic beverage or any drug, or under the combined influence of the same when (Vehicle Code § 40300.5):

- (a) The person is involved in a traffic accident.
- (b) The person is observed in or about a vehicle that is obstructing the roadway.
- (c) The person will not be apprehended unless immediately arrested.
- (d) The person may cause injury to him/herself or damage property unless immediately arrested.
- (e) The person may destroy or conceal evidence of a crime unless immediately arrested.

503.10.2 DEPUTY RESPONSIBILITIES

The deputy serving the arrested person with a notice of an order of suspension shall immediately (Vehicle Code § 23612):

- (a) Forward a copy of the completed notice of suspension or revocation form and any confiscated driver's license to the Department of Motor Vehicles (DMV).
- (b) Forward a sworn report to DMV that contains the required information in Vehicle Code § 13380.
- (c) Forward the results to the appropriate forensic laboratory if the person submitted to a blood or urine test.

Traffic Citations

504.1 PURPOSE AND SCOPE

This policy outlines the responsibility for traffic citations, the procedure for dismissal, correction, and voiding of traffic citations.

504.2 RESPONSIBILITIES

The Administrative Division Lieutenant shall be responsible for the development and design of all Department traffic citations in compliance with state law and the Judicial Council.

The Records Bureau shall be responsible for the supply and accounting of all traffic citations issued to employees of this department.

504.3 DISMISSAL OF TRAFFIC CITATIONS

Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued (Vehicle Code § 40500(d)). Any request from a recipient to dismiss a citation shall be referred to the Field Operations Lieutenant. Upon a review of the circumstances involving the issuance of the traffic citation, the Field Operations Lieutenant may dismiss the traffic citation. If approved, the citation will be forwarded to the appropriate court with a request for dismissal. All recipients of traffic citations whose request for the dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should a deputy determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the deputy may request the court to dismiss the citation. Upon dismissal of the traffic citation by the court, the deputy shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Field Operations Lieutenant for review.

504.4 VOIDING TRAFFIC CITATIONS

Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the Field Operations Lieutenant.

504.5 CORRECTION OF TRAFFIC CITATIONS

When a traffic citation is issued and in need of correction, the deputy issuing the citation shall submit the citation and a letter requesting a specific correction to his/her immediate supervisor. The citation and letter shall then be forwarded to the Field Operations Lieutenant. The Lieutenant, or his/her designee, shall prepare a letter of correction to the court having jurisdiction and to the recipient of the citation.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Traffic Citations

504.6 DISPOSITION OF TRAFFIC CITATIONS

The court and file copies of all traffic citations issued by members of this department shall be forwarded to the employee's immediate supervisor for review. The citation copies shall then be filed with the Records Bureau.

Upon separation from employment with this department, all employees issued traffic citations books shall return any unused citations to the Administrative Division Lieutenant.

504.7 NOTICE OF PARKING VIOLATION APPEAL PROCEDURE

Disposition of notice of parking violation appeals is conducted pursuant to Vehicle Code § 40215.

504.7.1 APPEAL STAGES

Appeals may be pursued sequentially at three different levels:

- (a) Administrative reviews are conducted by the Field Operations Lieutenant who will review written/documentary data. Requests for administrative reviews are informal written statements by the violator outlining why the notice of parking violation should be dismissed. Copies of documentation relating to the notice of parking violation and the request for dismissal must be mailed to the current mailing address of the processing agency.
- (b) If the violator wishes to pursue the matter beyond administrative review, an administrative hearing may be conducted in person or by written application, at the election of the violator. Independent referees review the existent administrative file, amendments, and/or testimonial material provided by the violator and may conduct further investigation or follow-up on their own.
- (c) If the violator wishes to pursue the matter beyond an administrative hearing, a Superior Court review may be presented in person by the violator after an application for review and designated filing fees have been paid to The Superior Court of California.

504.7.2 TIME REQUIREMENTS

Administrative review or appearance before a hearing examiner will not be provided if the mandated time limits are not adhered to by the violator.

- (a) Requests for an administrative review must be postmarked within 21 calendar days of issuance of the notice of parking violation, or within 14 calendar days of the mailing of the Notice of Delinquent Parking (Violation Vehicle Code § 40215(a)).
- (b) Requests for administrative hearings must be made no later than 21 calendar days following the notification mailing of the results of the administrative review (Vehicle Code § 40215(b)).
- (c) An administrative hearing shall be held within 90 calendar days following the receipt of a request for an administrative hearing, excluding time tolled pursuant to Vehicle Code

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Traffic Citations

§ 40200 - 40225. The person requesting the hearing may request one continuance, not to exceed 21 calendar days (Vehicle Code § 40215).

- (d) Registered owners of vehicles may transfer responsibility for the violation via timely affidavit of non-liability when the vehicle has been transferred, rented or under certain other circumstances (Vehicle Code § 40209 and Vehicle Code § 40210).

504.7.3 COSTS

- (a) There is no cost for an administrative review.
- (b) Appellants must pay the full amount due for the citation, or provide satisfactory proof of their inability to pay, before receiving an administrative hearing.
- (c) An appeal through Superior Court requires prior payment of filing costs including applicable court charges and fees. These costs will be reimbursed to the appellant in addition to any previously paid fines if appellant's liability is overruled by the Superior Court.

504.8 JUVENILE CITATIONS

Completion of traffic citations for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency, and the type of offense should be considered before issuing the juvenile a citation.

Disabled Vehicles

505.1 PURPOSE AND SCOPE

Vehicle Code § 20018 provides that all law enforcement agencies having responsibility for traffic enforcement may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

505.2 DEPUTY RESPONSIBILITY

When an on-duty deputy observes a disabled vehicle on the roadway, the deputy should make a reasonable effort to provide assistance. If that deputy is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available deputy to respond for assistance as soon as practical.

505.3 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

505.3.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

505.3.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

505.3.3 RELOCATION OF DISABLED MOTORIST

The relocation of a disabled motorist should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the disabled motorist or transport him/her to a safe area to await pickup.

505.4 PUBLIC ACCESS TO THIS POLICY

This written policy is available upon request.

Chapter 6 - Investigation Operations

Investigation and Prosecution

600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

600.2 POLICY

It is the policy of the Mono County Sheriff's Department to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

600.3 INITIAL INVESTIGATION

600.3.1 DEPUTY RESPONSIBILITIES

A deputy responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
 - 1. An initial statement from any witnesses or complainants.
 - 2. A cursory examination for evidence.
- (b) If information indicates a crime has occurred, the deputy shall:
 - 1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
 - 2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
 - 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Watch Commander.
 - 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
 - 5. Collect any evidence.
 - 6. Take any appropriate law enforcement action.
 - 7. Complete and submit the appropriate reports and documentation.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

600.3.2 NON-SWORN MEMBER RESPONSIBILITIES

A non-sworn member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Investigation and Prosecution

any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of a deputy shall be requested.

600.4 CUSTODIAL INTERROGATION REQUIREMENTS

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

600.4.1 AUDIO/VIDEO RECORDINGS

Any custodial interrogation of an individual who is suspected of having committed any violent felony offense should be recorded (audio or video with audio as available) in its entirety. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigations supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

600.4.2 MANDATORY RECORDING OF ADULTS

Any custodial interrogation of an adult who is suspected of having committed any murder shall be recorded in its entirety. The recording should be video with audio if reasonably feasible (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The suspect refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Investigation and Prosecution

- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of a deputy, the individual being interrogated or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

The Office shall maintain an original or an exact copy of the recording until a conviction relating to the interrogation is final and all appeals are exhausted or prosecution is barred by law (Penal Code § 859.5).

600.5 DISCONTINUATION OF INVESTIGATIONS

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
 - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
 - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted or requested, and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

600.6 COMPUTERS AND DIGITAL EVIDENCE

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, deputies should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, deputies should take reasonable steps to prepare for such seizure and use the resources that are available.

600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES

Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this office. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using office equipment.

Information obtained via the Internet should not be archived or stored in any manner other than office-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

600.7.1 ACCESS RESTRICTIONS

Information that can be accessed from any office computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any Internet source should be evaluated for its validity, authenticity, accuracy and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an Internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

600.7.2 INTERCEPTING ELECTRONIC COMMUNICATION

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Deputies should seek legal counsel before any such interception.

600.8 CELLULAR COMMUNICATIONS INTERCEPTION TECHNOLOGY

The Investigations Division Commander is responsible for ensuring the following for cellular communications interception technology operations (Government Code § 53166):

- (a) Security procedures are developed to protect information gathered through the use of the technology.
- (b) A usage and privacy policy is developed that includes:
 1. The purposes for which using cellular communications interception technology and collecting information is authorized.
 2. Identification by job title or other designation of employees who are authorized to use or access information collected through the use of cellular communications interception technology.
 3. Training requirements necessary for those authorized employees.
 4. A description of how the Office will monitor the use of its cellular communications interception technology to ensure the accuracy of the information collected and compliance with all applicable laws.
 5. Process and time period system audits.
 6. Identification of the existence of any memorandum of understanding or other agreement with any other local agency or other party for the shared use of cellular communications interception technology or the sharing of information collected through its use, including the identity of signatory parties.
 7. The purpose of, process for and restrictions on the sharing of information gathered through the use of cellular communications interception technology with other local agencies and persons.
 8. The length of time information gathered through the use of cellular communications interception technology will be retained, and the process the local agency will utilize to determine if and when to destroy retained information.

Members shall only use approved devices and usage shall be in compliance with office security procedures, the office's usage and privacy procedures and all applicable laws.

600.9 MODIFICATION OF CHARGES FILED

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Division Commander or the Sheriff. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

Sexual Assault Investigations

601.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Adult Abuse policies.

601.1.1 DEFINITIONS

Definitions related to this policy include:

Sexual assault - Any crime or attempted crime of a sexual nature, to include, but not limited to, offenses defined in Penal Code § 243.4, Penal Code § 261 et seq., and Penal Code § 285 et seq.

Sexual Assault Response Team (SART) - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

601.2 POLICY

It is the policy of the Mono County Sheriff's Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

601.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates and support for the victim.
- (f) Participate in or coordinate with SART.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Sexual Assault Investigations

601.4 REPORTING

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

601.5 RELEASING INFORMATION TO THE PUBLIC

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Investigations supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

601.6 TRAINING

Subject to available resources, periodic training will be provided to:

- (a) Members who are first responders. Training should include:
 - 1. Initial response to sexual assaults.
 - 2. Legal issues.
 - 3. Victim advocacy.
 - 4. Victim's response to trauma.
- (b) Qualified investigators who should receive advanced training on additional topics. Advanced training should include:
 - 1. Interviewing sexual assault victims.
 - 2. SART.
 - 3. Medical and legal aspects of sexual assault investigations.
 - 4. Serial crimes investigations.
 - 5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
 - 6. Techniques for communicating with victims to minimize trauma.

601.7 VICTIM INTERVIEWS

The primary considerations in sexual assault investigations, which begin with the initial call to Dispatch, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of SART should be included in the initial victim interviews. An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Sexual Assault Investigations

of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (34 USC § 10451; Penal Code § 637.4).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

601.7.1 VICTIM RIGHTS

Whenever there is an alleged sexual assault, the assigned deputy shall accomplish the following:

- (a) Advise the victim in writing of the right to have a victim advocate and a support person of the victim's choosing present at any interview or contact by law enforcement, any other rights of a sexual assault victim pursuant to Penal Code § 680.2 and the right to have a person of the same or opposite gender present in the room during any interview with a law enforcement official unless no such person is reasonably available (Penal Code § 679.04).
- (b) If the victim is transported to a hospital for any medical evidentiary or physical examination, the deputy shall immediately cause the local rape victim counseling center to be notified (Penal Code § 264.2).
 1. The deputy shall not discourage a victim from receiving a medical evidentiary or physical examination (Penal Code § 697.04).
 2. A support person may be excluded from the examination by the deputy or the medical provider if his/her presence would be detrimental to the purpose of the examination (Penal Code § 264.2).

601.7.2 VICTIM CONFIDENTIALITY

Deputies investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim's parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting deputy shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim's parent or guardian (Penal Code § 293).

Except as authorized by law, members of this office shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

601.8 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Sexual Assault Investigations

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

601.8.1 COLLECTION AND TESTING REQUIREMENTS

Members investigating a sexual assault offense should take every reasonable step to ensure that DNA testing of such evidence is performed in a timely manner and within the time periods prescribed by Penal Code § 803(g). Generally, rape kits should be submitted to the crime lab within 20 days after being booked into evidence (Penal Code § 680).

In order to maximize the effectiveness of such testing and identify the perpetrator of any sexual assault, the assigned deputy shall ensure that an information profile for the sexual assault kit evidence has been created in the California Department of Justice (DOJ) SAFE-T database within 120 days of collection and should further ensure that the results of any such test have been timely entered into and checked against both the DOJ Cal-DNA database and the Combined DNA Index System (CODIS) (Penal Code § 680.3).

If the assigned deputy determines that a kit submitted to a private laboratory for analysis has not been tested within 120 days after submission, the deputy shall update the SAFE-T database to reflect the reason for the delay in testing. The assigned deputy shall continue to update the status every 120 days thereafter until the evidence has been analyzed or the statute of limitations has run (Penal Code § 680.3).

If, for any reason, DNA evidence in a sexual assault case in which the identity of the perpetrator is in issue and is not going to be analyzed within 18 months of the crime, the assigned deputy shall notify the victim of such fact in writing no less than 60 days prior to the expiration of the 18-month period (Penal Code § 680(d)).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

601.8.2 DNA TEST RESULTS

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Sexual Assault Investigations

- (a) Upon receipt of a written request from a sexual assault victim or the victim's authorized designee, members investigating sexual assault cases shall inform the victim of the status of the DNA testing of any evidence from the victim's case (Penal Code § 680).
 - 1. Although such information may be communicated orally, the assigned deputy should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 - 2. Absent a written request, no member of this office is required to, but may, communicate with the victim or the victim's authorized designee regarding the status of any DNA testing.
- (b) Subject to the commitment of sufficient resources to respond to requests for information, sexual assault victims shall further have the following rights (Penal Code § 680):
 - 1. To be informed if a DNA profile of the assailant was obtained from the testing of the rape kit or other crime scene evidence from their case.
 - 2. To be informed if there is a match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the DOJ Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.
 - 3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the DOJ Databank of case evidence.
- (c) Provided that the sexual assault victim or the victim's authorized designee has kept the assigned deputy informed with regard to current address, telephone number and email address (if available), any victim or the victim's authorized designee shall, upon request, be advised of any known significant changes regarding the victim's case (Penal Code § 680).
 - 1. Although such information may be communicated orally, the assigned deputy should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 - 2. No deputy shall be required or expected to release any information which might impede or compromise any ongoing investigation.

601.9 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Investigations supervisor.

Classification of a sexual assault case as unfounded requires the Investigations supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Sexual Assault Investigations

601.10 CASE REVIEW

The Investigations supervisor should ensure case dispositions are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Sheriff.

Asset Forfeiture

602.1 PURPOSE AND SCOPE

This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with designated offenses.

602.1.1 DEFINITIONS

Definitions related to this policy include:

Fiscal agent - The person designated by the Sheriff to be responsible for securing and maintaining seized assets and distributing any proceeds realized from any forfeiture proceedings. This includes any time the Mono County Sheriff's Department seizes property for forfeiture or when the Mono County Sheriff's Department is acting as the fiscal agent pursuant to a multi-agency agreement.

Forfeiture - The process by which legal ownership of an asset is transferred to a government or other authority.

Forfeiture reviewer - The office member assigned by the Sheriff who is responsible for reviewing all forfeiture cases and for acting as the liaison between the Office and the assigned attorney.

Property subject to forfeiture - The following may be subject to forfeiture:

- (a) Property related to a narcotics offense, which includes (Heath and Safety Code § 11470; Health and Safety Code § 11470.1):
 1. Property (not including real property or vehicles) used, or intended for use, as a container for controlled substances, materials to manufacture controlled substances, etc.
 2. Interest in a vehicle (car, boat, airplane, other vehicle) used to facilitate the manufacture, possession for sale or sale of specified quantities of controlled substances.
 3. Money, negotiable instruments, securities or other things of value furnished or intended to be furnished by any person in exchange for a controlled substance, proceeds traceable to an exchange, etc.
 4. Real property when the owner is convicted of violating Health and Safety Code § 11366, Health and Safety Code § 11366.5 or Health and Safety Code § 11366.6 (drug houses) when the property was not used as a family residence or for other lawful purposes, or property owned by two or more persons, one of whom had no knowledge of its unlawful use.
 5. The expenses of seizing, eradicating, destroying or taking remedial action with respect to any controlled substance or its precursors upon conviction for the unlawful manufacture or cultivation of any controlled substance or its precursors.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Asset Forfeiture

- (b) Property related to criminal profiteering (may include gang crimes), to include (Penal Code § 186.2; Penal Code § 186.3):
 - 1. Any property interest, whether tangible or intangible, acquired through a pattern of criminal profiteering activity.
 - 2. All proceeds acquired through a pattern of criminal profiteering activity, including all things of value that may have been received in exchange for the proceeds immediately derived from the pattern of criminal profiteering activity.

Seizure - The act of law enforcement officials taking property, cash or assets that have been used in connection with or acquired by specified illegal activities.

602.2 POLICY

The Mono County Sheriff's Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Mono County Sheriff's Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

602.3 ASSET SEIZURE

Property may be seized for forfeiture as provided in this policy.

602.3.1 PROPERTY SUBJECT TO SEIZURE

The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

- (a) Property subject to forfeiture authorized for seizure under the authority of a search warrant or court order.
- (b) Property subject to forfeiture not authorized for seizure under the authority of a search warrant or court order when any of the following apply (Health and Safety Code § 11471; Health and Safety Code § 11488):
 - 1. The property subject to forfeiture is legally seized incident to an arrest.
 - 2. There is probable cause to believe that the property was used or is intended to be used in a violation of the Uniform Controlled Substances Act and the seizing deputy can articulate a nexus between the property and the controlled substance offense that would lead to the item being property subject for forfeiture.

Deputies aware of assets that may be forfeitable as a result of criminal profiteering or human trafficking should consider contacting the district attorney regarding a court order to protect the assets (Penal Code § 186.6; Penal Code § 236.6).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Asset Forfeiture

Whenever practicable, a search warrant or court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

602.3.2 PROPERTY NOT SUBJECT TO SEIZURE

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the forfeiture counsel's current minimum forfeiture thresholds should not be seized.
- (b) Real property is not subject to seizure, absent exigent circumstances, without a court order (Health and Safety Code § 11471).
- (c) A vehicle which may be lawfully driven on the highway if there is a community property interest in the vehicle by a person other than the suspect and the vehicle is the sole vehicle available to the suspect's immediate family (Health and Safety Code § 11470).
- (d) Vehicles, boats or airplanes owned by an "innocent owner," such as a common carrier with no knowledge of the suspected offense (Health and Safety Code § 11490).
- (e) Any property when the associated activity involves the possession of marijuana or related paraphernalia that is permissible under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1).

602.4 PROCESSING SEIZED PROPERTY FOR FORFEITURE PROCEEDINGS

When property or cash subject to this policy is seized, the deputy making the seizure should ensure compliance with the following:

- (a) Complete applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the deputy must leave the copy in the place where the property was found, if it is reasonable to do so.
- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.
- (c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

The deputy will book seized property as evidence with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should be booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Asset Forfeiture

Deputies who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

602.5 MAINTAINING SEIZED PROPERTY

The Property Office Supervisor is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition.
- (b) All property received for forfeiture is checked to determine if the property has been stolen.
- (c) All property received for forfeiture is retained in the same manner as evidence until forfeiture is finalized or the property is returned to the claimant or the person with an ownership interest.
- (d) Property received for forfeiture is not used unless the forfeiture action has been completed.

602.6 FORFEITURE REVIEWER

The Sheriff will appoint a deputy as the forfeiture reviewer. Prior to assuming duties, or as soon as practicable thereafter, the forfeiture reviewer should attend a office-approved course on asset forfeiture.

The responsibilities of the forfeiture reviewer include:

- (a) Remaining familiar with forfeiture laws, particularly Health and Safety Code § 11469 et seq. and Penal Code § 186.2 et seq. and the forfeiture policies of the forfeiture counsel.
- (b) Serving as the liaison between the Office and the forfeiture counsel and ensuring prompt legal review of all seizures.
- (c) Making reasonable efforts to obtain annual training that includes best practices in pursuing, seizing and tracking forfeitures.
- (d) Ensuring that property seized under state law is not referred or otherwise transferred to a federal agency seeking the property for federal forfeiture as prohibited by Health and Safety Code § 11471.2.
- (e) Ensuring that responsibilities, including the designation of a fiscal agent, are clearly established whenever multiple agencies are cooperating in a forfeiture case.
- (f) Ensuring that seizure forms are available and appropriate for office use. These should include notice forms, a receipt form and a checklist that provides relevant guidance to

 3. A space for the signature of the person from whom cash or property is being seized.
 4. A tear-off portion or copy, which should be given to the person from whom cash or property is being seized, that includes the legal authority for the seizure, information regarding the process to contest the seizure and a detailed description of the items seized.
- (g) Ensuring that deputies who may be involved in asset forfeiture receive training in the proper use of the seizure forms and the forfeiture process. The training should be developed in consultation with the appropriate legal counsel and may be accomplished through traditional classroom education, electronic media, Daily Training Bulletins (DTBs) or Office Directives. The training should cover this policy and address any relevant statutory changes and court decisions.
- (h) Reviewing each asset forfeiture case to ensure that:
1. Written documentation of the seizure and the items seized is in the case file.
 2. Independent legal review of the circumstances and propriety of the seizure is made in a timely manner.
 3. Notice of seizure has been given in a timely manner to those who hold an interest in the seized property (Health and Safety Code § 11488.4).
 4. Property is promptly released to those entitled to its return (Health and Safety Code § 11488.2).
 5. All changes to forfeiture status are forwarded to any supervisor who initiates a forfeiture case.
 6. Any cash received is deposited with the fiscal agent.
 7. Assistance with the resolution of ownership claims and the release of property to those entitled is provided.
 8. Current minimum forfeiture thresholds are communicated appropriately to deputies.
 9. This policy and any related policies are periodically reviewed and updated to reflect current federal and state statutes and case law.

Forfeiture reporting and expenditures should be completed in the manner prescribed by the law and County financial directives (Health and Safety Code § 11495).

602.7 DISPOSITION OF FORFEITED PROPERTY

Forfeited funds distributed under Health and Safety Code § 11489 et seq. shall only be used for purposes allowed by law, but in no case shall a peace officer's employment or salary depend upon the level of seizures or forfeitures he/she achieves (Heath and Safety Code § 11469).

The Office may request a court order so that certain uncontaminated science equipment is relinquished to a school or school district for science classroom education in lieu of destruction (Health and Safety Code § 11473; Health and Safety Code § 11473.5).

602.7.1 RECEIVING EQUITABLE SHARES

When participating in a joint investigation with a federal agency, the Mono County Sheriff's Department shall not receive an equitable share from the federal agency of all or a portion of the forfeiture proceeds absent either a required conviction under Health and Safety Code § 11471.2 or the flight, death or willful failure to appear of the defendant. This does not apply to forfeited cash or negotiable instruments of \$40,000 or more.

602.8 CLAIM INVESTIGATIONS

owner, and that ownership did not arise subsequent to the date and time of arrest or notification of the forfeiture proceedings or seizure of the vehicle, boat or airplane, notice shall be made to the legal owner at his/her address appearing on the records of the Department of Motor Vehicles or the appropriate federal agency (Health and Safety Code § 11488.4).

Informants

603.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

603.1.1 DEFINITIONS

Definitions related to this policy include:

Informant - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with, the Mono County Sheriff's Department for law enforcement purposes. This also includes a person agreeing to supply information to the Mono County Sheriff's Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

603.2 POLICY

The Mono County Sheriff's Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this office that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

603.3 USE OF INFORMANTS

603.3.1 INITIAL APPROVAL

Before using an individual as an informant, a deputy must receive approval from his/her supervisor. The deputy shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this office should not guarantee absolute safety or confidentiality to an informant.

603.3.2 JUVENILE INFORMANTS

The use of informants under the age of 13 is prohibited.

Except for the enforcement of laws related to the commercial sale of alcohol, marijuana or tobacco products, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

- (a) The juvenile's parents or legal guardians
- (b) The juvenile's attorney, if any
- (c) The court in which the juvenile's case is being handled, if applicable (Penal Code § 701.5)
- (d) The Sheriff or the authorized designee

Mono County Sheriff's Department

Informants

603.3.3 INFORMANT AGREEMENTS

All informants are required to sign and abide by the provisions of the designated office informant agreement. The deputy using the informant shall discuss each of the provisions of the agreement with the informant.

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

603.4 INFORMANT INTEGRITY

To maintain the integrity of the informant process, the following must be adhered to:

- (a) The identity of an informant acting in a confidential capacity shall not be withheld from the Sheriff, Division Commander, MONET supervisor or their authorized designees.
 - 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
- (b) Criminal activity by informants shall not be condoned.
- (c) Informants shall be told they are not acting as sheriff's deputies, employees or agents of the Mono County Sheriff's Department, and that they shall not represent themselves as such.
- (d) The relationship between office members and informants shall always be ethical and professional.
 - 1. Members shall not become intimately involved with an informant.
 - 2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the MONET supervisor.
 - 3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.
- (e) Deputies shall not meet with informants in a private place unless accompanied by at least one additional deputy or with prior approval of the MONET supervisor.
 - 1. Deputies may meet informants alone in an occupied public place, such as a restaurant.
- (f) When contacting informants for the purpose of making payments, deputies shall arrange for the presence of another deputy.
- (g) In all instances when office funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (h) Since the decision rests with the appropriate prosecutor, deputies shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

603.4.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a

Mono County Sheriff's Department

Informants

determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Office and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of a deputy.
- (c) The informant reveals to suspects the identity of a deputy or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this office to further criminal objectives.
- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of deputies or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

603.5 INFORMANT FILES

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of office members or the reliability of the informant.

Informant files shall be maintained in a secure area within the MONET. The MONET supervisor or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Sheriff, Division Commander, MONET supervisor or their authorized designees.

The Investigations Division Commander should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the MONET supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

603.5.1 FILE SYSTEM PROCEDURE

A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Informants

- (a) Name and aliases
- (b) Date of birth
- (c) Physical description: sex, race, height, weight, hair color, eye color, scars, tattoos or other distinguishing features
- (d) Photograph
- (e) Current home address and telephone numbers
- (f) Current employers, positions, addresses and telephone numbers
- (g) Vehicles owned and registration information
- (h) Places frequented
- (i) Briefs of information provided by the informant and his/her subsequent reliability
 1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
- (j) Name of the deputy initiating use of the informant
- (k) Signed informant agreement
- (l) Update on active or inactive status of informant

603.6 INFORMANT PAYMENTS

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The MONET supervisor will discuss the above factors with the Operations Division Commander and recommend the type and level of payment subject to approval by the Sheriff.

603.6.1 PAYMENT PROCESS

Approved payments to an informant should be in cash using the following process:

- (a) Payments of \$500 and under may be paid in cash from a MONET buy/expense fund.
 1. The MONET supervisor shall sign the voucher for cash payouts from the buy/expense fund.
- (b) Payments exceeding \$500 shall be made by issuance of a check, payable to the deputy who will be delivering the payment.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Informants

1. The check shall list the case numbers related to and supporting the payment.
 2. A written statement of the informant's involvement in the case shall be placed in the informant's file.
 3. The statement shall be signed by the informant verifying the statement as a true summary of his/her actions in the case.
 4. Authorization signatures from the Sheriff and the County Administrator are required for disbursement of the funds.
- (c) To complete the payment process for any amount, the deputy delivering the payment shall complete a cash transfer form.
1. The cash transfer form shall include the following:
 - (a) Date
 - (b) Payment amount
 - (c) Mono County Sheriff's Department case number
 - (d) A statement that the informant is receiving funds in payment for information voluntarily rendered.
 2. The cash transfer form shall be signed by the informant.
 3. The cash transfer form will be kept in the informant's file.

603.6.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of deputies or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

603.6.3 AUDIT OF PAYMENTS

The MONET supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every six months, the Sheriff or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

Eyewitness Identification

604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques.

604.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

604.2 POLICY

The Mono County Sheriff's Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Investigations supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide:

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Eyewitness Identification

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.

The process and related forms should be reviewed at least annually and modified when necessary.

604.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

604.6 DOCUMENTATION

A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Eyewitness Identification

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

604.7 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS

When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness. Techniques to achieve this include randomly numbering photographs, shuffling folders or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

604.8 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination or show-up identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.
 - 2. The distance between the witness and the suspect.
 - 3. Whether the witness could view the suspect's face.
 - 4. The quality of the lighting when the suspect was observed by the witness.
 - 5. Whether there were distracting noises or activity during the observation.
 - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Eyewitness Identification

7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

Brady Material Disclosure

605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called "*Brady* information") to a prosecuting attorney.

605.1.1 DEFINITIONS

Definitions related to this policy include:

Brady information - Information known or possessed by the Mono County Sheriff's Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

605.2 POLICY

The Mono County Sheriff's Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Mono County Sheriff's Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Deputies must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If a deputy learns of potentially incriminating or exculpatory information any time after submission of a case, the deputy or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or protected personnel files), the deputy should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If a deputy is unsure whether evidence or facts are material, the deputy should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Brady Material Disclosure

605.4 DISCLOSURE OF PERSONNEL INFORMATION

Whenever it is determined that *Brady* information is located in the personnel file of a member of this department who is a material witness in a criminal case, the following procedure shall apply:

- (a) In the event that a *Pitchess* motion has not already been filed by the criminal defendant or other party pursuant to Evidence Code § 1043, the prosecuting attorney shall be notified of the potential presence of *Brady* information in the deputy's personnel file.
- (b) The prosecuting attorney should then be requested to file a *Pitchess* motion in order to initiate an in camera review by the court.
- (c) Any member who is the subject of such a motion shall be notified in writing that a motion has been filed.
- (d) The Custodian of Records shall accompany all relevant files during any in camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (e) If the court determines that there is relevant *Brady* information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.
 1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.

605.5 INVESTIGATING BRADY ISSUES

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

605.6 TRAINING

Department members should receive periodic training on the requirements of this policy.

Unmanned Aerial System (UAS) Operations

606.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval and dissemination of images and data captured by the UAS.

606.1.1 DEFINITIONS

Definitions related to this policy include:

Unmanned Aerial System (UAS) - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording or any other means.

606.2 POLICY

Unmanned aerial systems may be utilized to enhance the department's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

606.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall adhere to FAA altitude regulations and shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

606.4 PROGRAM COORDINATOR

The Sheriff will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current.
- Ensuring that all authorized operators and required observers have completed all required FAA and department-approved training in the operation, applicable laws, policies and procedures regarding use of the UAS.
- Developing uniform protocol for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents. Deployment of a UAS shall require written authorization of the Sheriff or the authorized designee, depending on the type of mission.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Unmanned Aerial System (UAS) Operations

- Developing protocol for conducting criminal investigations involving a UAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of UAS deployment.
- Developing an operational protocol governing the deployment and operation of a UAS including, but not limited to, safety oversight, use of visual observers, establishment of lost link procedures and secure communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, authenticity certificates and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.
- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Sheriff.

606.5 USE OF UAS

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted during daylight hours and a UAS should not be flown over populated areas without FAA approval.

606.6 PROHIBITED USE

The UAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.
- To target a person based solely on individual characteristics, such as, but not limited to race, ethnicity, national origin, religion, disability, gender or sexual orientation.

Mono County Sheriff's Department

An employee's intentional or negligent abuse or misuse of department property may lead to discipline including, but not limited to the cost of repair or replacement.

- (a) Employees shall promptly report through their chain of command, any loss, damage to, or unserviceable condition of any department issued property or equipment assigned for their use.

The weapons can also be stored at the Bridgeport Station armory.

700.3 FILING CLAIMS FOR PERSONAL PROPERTY

Claims for reimbursement for damage or loss of personal property must be made on the proper form. This form is submitted to the employee's immediate supervisor. The supervisor may require a separate written report of the loss or damage.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Department Owned and Personal Property

The supervisor shall direct a memo to the appropriate Lieutenant, which shall include the results of his/her investigation and whether the employee followed proper procedures. The supervisor's report shall address whether reasonable care was taken to prevent the loss or damage.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Sheriff who will then forward the claim to the Finance Department.

The Department will not replace or repair luxurious or overly expensive items (jewelry, exotic equipment, etc.) that are not reasonably required as a part of work.

700.3.1 REPORTING REQUIREMENT

A verbal report shall be made to the employee's immediate supervisor as soon as circumstances permit.

A written report shall be submitted before the employee goes off duty or within the time frame directed by the supervisor to whom the verbal report is made.

700.4 LOSS OR DAMAGE OF PROPERTY OF ANOTHER

Deputies and other employees intentionally or unintentionally may cause damage to the real or personal property of another while performing their duties. Any employee who damages or causes to be damaged any real or personal property of another while performing any law enforcement functions, regardless of jurisdiction, shall report it as provided below.

The employee shall submit a written report before going off duty or as otherwise directed by the supervisor.

These written reports, accompanied by the supervisor's written report, shall promptly be forwarded to the appropriate Lieutenant.

Personal Communication Devices

701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

701.2 POLICY

The Mono County Sheriff's Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

701.2.1 USE WHILE DRIVING

The use of a PCD while driving can cause unnecessary distractions and presents a negative image to the public. Deputies operating emergency vehicles should restrict the use of these devices while driving to matters of an urgent nature and should, where practical, stop the vehicle at an appropriate location to complete their call.

Except in the case of an emergency employees who are operating non-emergency vehicles shall not use cellular phones or other personal communication devices while driving unless the telephone is specifically designed and configured to allow hands-free listening and talking (Vehicle Code 23123 (a)). Such use should be restricted to business related calls or calls of an urgent nature.

701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received or reviewed on any PCD issued or funded by the Department/Office and

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Personal Communication Devices

shall have no expectation of privacy in their location should the device be equipped with location detection capabilities (see the Information Technology Use Policy for additional guidance).

701.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT (CALECPA)

No member is authorized to be the sole possessor of a department-issued PCD. Department-issued PCDs can be retrieved, reassigned, accessed or used by any member as directed by a supervisor without notice. Member use of a department-issued PCD and use of a personal PCD at work or for work-related business constitutes specific consent for access for department purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel to ensure access is consistent with CalECPA (Penal Code § 1546; Penal Code § 1546.1).

701.4 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Sheriff or the authorized designee.

701.5 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

Vehicle Use

702.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the County of Mono to provide assigned take-home vehicles.

702.2 POLICY

The Mono County Sheriff's Department provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, requirements for tactical deployments and other considerations.

702.3 USE OF VEHICLES

702.3.1 OTHER USE OF VEHICLES

Members utilizing a vehicle for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall first notify the Watch Commander. A notation will be made on the shift assignment roster indicating the member's name and vehicle number.

This subsection does not apply to those who are assigned to vehicle transportation duties to and from the maintenance yard or carwash.

702.3.2 VEHICLE EQUIPMENT

Certain items shall be maintained in all department vehicles for emergency purposes and to perform routine duties. It is the employee's responsibility that is driving the vehicle to ensure the required equipment is present and available. PATROL VEHICLES shall have, at a minimum, the following equipment:

- 20 Emergency road flares and or 1 set of Power Flares
- 1 Roll barricade tape
- 1 First aid kit
- 1 Fingerprint kit
- 1 Fire extinguisher

702.3.3 INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any suspect, prisoner or arrestee, the transporting member shall search all areas of the vehicle that are accessible by the person before and after that person is transported.

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

702.3.4 VEHICLE REFUELING

Absent emergency conditions, or supervisor approval, employees driving department vehicles shall not place a vehicle into service that has less than one-quarter tank of fuel. It is the employees responsibility to ensure that the vehicle they are using has adequate fuel for immediate needs and or future use by others. If an employee is permanently assigned a vehicle, it should not have less than one-quarter tank of fuel at the end of a shift.

Vehicles should be refueled at County Pumps if at all possible. If a credit card is used for a gasoline purchase, the employee shall indicate on the receipt the vehicle number and sign the receipt itself. The receipt shall be given to the Department Finance Officer as soon as possible.

702.3.5 VEHICLE LOCATION SYSTEM

Patrol and other vehicles, at the discretion of the Sheriff, may be equipped with a system designed to track the vehicle's location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. At the start of each shift, members shall verify that the system is on and report any malfunctions to their supervisor. If the member finds that the system is not functioning properly at any time during the shift, he/she should exchange the vehicle for one with a working system, if available.

Vehicle Use

System data may be accessed by supervisors at any time. However, access to historical data by other than supervisors will require Division Commander approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

702.3.6 KEYS

Members approved to operate marked patrol vehicles should be issued a copy of the key as part of their initial equipment distribution. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys. The loss of a key shall be promptly reported in writing through the member's chain of command.

702.3.7 AUTHORIZED PASSENGERS

Members operating department vehicles shall not permit persons other than County personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Along Policy.

702.3.8 ALCOHOL

Members who have consumed alcohol are prohibited from operating any department vehicle unless it is required by the duty assignment (e.g., task force, undercover work). Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

702.3.9 PARKING

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

702.3.10 ACCESSORIES AND/OR MODIFICATIONS

There shall be no modifications, additions or removal of any equipment or accessories without written permission from the assigned vehicle program manager.

702.3.11 NON-SWORN MEMBER USE

Non-sworn members using marked emergency vehicles shall ensure that all weapons have been removed before going into service. Non-sworn members shall prominently display the "out of service" placards or light bar covers at all times. Non-sworn members shall not operate the emergency lights or siren of any vehicle unless expressly authorized by a supervisor.

702.4 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES

Department vehicles may be assigned to individual members at the discretion of the Sheriff. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform his/her regular assignment.

702.4.1 ON-DUTY USE

Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Sheriff or the authorized designee.

702.4.2 UNSCHEDULED TAKE-HOME USE

Circumstances may arise where department vehicles must be used by members to commute to and from a work assignment. Members may take home department vehicles only with prior approval of a supervisor and shall meet the following criteria:

- (a) The circumstances are unplanned and were created by the needs of the department.
- (b) Other reasonable transportation options are not available.

- (e) Vehicles will be locked when not attended.
- (f) All firearms, weapons and control devices will be removed from the interior of the vehicle and properly secured in the residence when the vehicle is not attended, unless the vehicle is parked in a locked garage.

702.4.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence, the nature of the member's duties, job description and essential functions, and employment or appointment status. Residence in the County of Mono is a prime consideration for assignment of a take-home vehicle. Members who reside outside the County of Mono may be required to secure the vehicle at a designated location or the Department at the discretion of the Sheriff.

Department members shall sign a take-home vehicle agreement that outlines certain standards, including, but not limited to, how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a County vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

 - 3. All department identification, portable radios and equipment should be secured.
- (g) Vehicles are to be parked off-street at the member's residence unless prior arrangements have been made with the Sheriff or the authorized designee. If the vehicle is not secured inside a locked garage, all firearms and kinetic impact weapons shall be removed and properly secured in the residence (see the Firearms Policy regarding safe storage of firearms at home).
- (h) Vehicles are to be secured at the member's residence or the appropriate department facility, at the discretion of the Department when a member will be away (e.g., on vacation) for periods exceeding one week.

- (i) The member is responsible for the care and maintenance of the vehicle.

702.4.4 ENFORCEMENT ACTIONS

When driving a take-home vehicle to and from work outside of the jurisdiction of the Mono County Sheriff's Department or while off-duty, a deputy shall not initiate enforcement actions except in those circumstances where a potential threat to life or serious property damage exists (see the Off-Duty Law Enforcement Actions and Law Enforcement Authority policies).

Deputies may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

Deputies driving take-home vehicles shall be armed, appropriately attired and carry their department-issued identification. Deputies should also ensure that department radio communication capabilities are maintained to the extent feasible.

702.4.5 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.
- (b) It is the member's responsibility to ensure that his/her assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department supervisor in charge of vehicle maintenance.
- (d) The Department shall be notified of problems with the vehicle and approve any major repairs before they are performed.
- (e) When leaving the vehicle at the maintenance facility, the member will complete a vehicle repair card explaining the service or repair, and leave it on the seat or dash.
- (f) All weapons shall be removed from any vehicle left for maintenance.
- (g) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

702.5 UNMARKED VEHICLES

Vehicles are assigned to various divisions and their use is restricted to the respective division and the assigned member, unless otherwise approved by a division supervisor. Any member operating an unmarked vehicle shall record vehicle usage on the sign-out log maintained in the division for that purpose. Any use of unmarked vehicles by those who are not assigned to the division to which the vehicle is assigned shall also record the use with the Watch Commander on the shift assignment roster.

702.6 DAMAGE, ABUSE AND MISUSE

When any department vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic collision report shall be filed with the agency having jurisdiction (see the Traffic Collision Reporting Policy).

Damage to any department vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format and forwarded to the Watch Commander. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

702.7 TOLL ROAD USAGE

Law enforcement vehicles are not routinely exempted from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating department vehicles on a toll road shall adhere to the following:

- (a) Members operating department vehicles for any reason other than in response to an emergency shall pay the appropriate toll charge or utilize the appropriate toll way transponder. Members may submit a request for reimbursement from the County for any toll fees incurred in the course of official business.
- (b) Members passing through a toll plaza or booth during a response to an emergency shall notify, in writing, the appropriate Division Commander within five working days explaining the circumstances.

702.8 SAFETY OFFICER VEHICLE USAGE

The Sheriff Safety Officer performs various tasks within the Sheriff's Department and is at times allowed to use a Department Vehicle.

The Safety Officer is required to use their own personal vehicle while responding to their normal area of assignment (ie. Mammoth Court, Bridgeport Court or Bridgeport Station). The Safety Officer is not utilized for any type of callouts, except in an emergency situation, thus he/she is not assigned a Department vehicle on a permanent basis.

If the Safety Officer is scheduled to work at a different Court Facility other than their normal assignment, he/she can obtain Watch Commander approval to use a Department vehicle for this assignment if a vehicle is available. The Safety Officer may also be assigned to perform various other tasks (ie. property/evidence transportation, civil papers, etc.) throughout the County, if this occurs the Safety Officer can use a Department vehicle, if a vehicle is available, and he/she obtains Watch Commander approval.

702.9 ATTIRE AND APPEARANCE

When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public, attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.

Chapter 8 - Support Services

Communication Operations

800.1 PURPOSE AND SCOPE

The basic function of the communications system is to satisfy the immediate information needs of the law enforcement agency in the course of its normal daily activities and during emergencies. The latter situation places the greatest demands upon the communications system and tests the capability of the system to fulfill its functions. Measures and standards of performance are necessary to assess the effectiveness with which any department, large or small, uses available information technology in fulfillment of its missions.

800.1.1 FCC COMPLIANCE

Mono County Sheriff's Department radio operations shall be conducted in accordance with Federal Communications Commission (FCC) procedures and guidelines.

800.2 COMMUNICATION OPERATIONS

This department provides 24-hour telephone service to the public for information or assistance that may be needed in emergencies. The ability of citizens to telephone quickly and easily for emergency service is critical. This department provides access to the 911 system for a single emergency telephone number. This department has two-way radio capability providing continuous communication between Dispatch and deputies.

800.2.1 COMMUNICATIONS LOG

It shall be the responsibility of Dispatch to record all relevant information on calls for criminal and non-criminal service or self-initiated activity. Employees shall attempt to elicit as much information as possible to enhance the safety of the deputy and assist in anticipating conditions to be encountered at the scene. Desirable information would include, at a minimum, the following:

- Control number
- Date and time of request
- Name and address of complainant, if possible
- Type of incident reported
- Location of incident reported
- Identification of deputy(s) assigned as primary and backup
- Time of dispatch
- Time of the deputy's arrival
- Time of deputy's return to service
- Disposition or status of reported incident

Mono County Sheriff's Department

Communication Operations

800.3 RADIO COMMUNICATIONS

Operations are more efficient and officer safety is enhanced when dispatchers, supervisors, and fellow deputies know the status of deputies, their locations and the nature of cases.

800.3.1 DEPUTY IDENTIFICATION

Identification systems are based on factors such as beat assignment and deputy identification numbers. Employees should use the entire call sign when initiating communication with the dispatcher. The use of the call sign allows for a brief pause so that the dispatcher can acknowledge the appropriate unit. Employees initiating communication with other agencies shall use their entire call sign. This requirement does not apply to continuing conversation between the mobile unit and dispatcher once the mobile unit has been properly identified.

Property and Evidence

801.1 PURPOSE AND SCOPE

This policy provides for the proper collection, storage, and security of evidence and other property. Additionally, this policy provides for the protection of the chain of evidence and those persons authorized to remove and/or destroy property.

Individuals who relinquish firearms pursuant to the provisions of Penal Code § 29850 shall be issued a receipt that describes the firearm, the serial number or other identification of the firearm at the time of relinquishment (Penal Code § 29810).

Relinquished firearms shall be retained for 30 days, after which time they may be destroyed, retained, sold or otherwise transferred, unless (Penal Code § 29810):

- (a) A certificate is issued by a judge of a court of record or the District Attorney stating the firearms shall be retained; or
- (b) The convicted person provides written notice of an intent to appeal the conviction that necessitated the relinquishment; or
- (c) The Automated Firearms System indicates that the firearm was reported lost or stolen.
 1. In such event, the firearm shall be restored to the lawful owner as soon as it is no longer needed as evidence, the lawful owner has identified the weapon and provided proof of ownership, and the Office has complied with the requirements of Penal Code § 33850 et seq.

The Property Officer shall ensure the Records Manager is notified of the relinquished firearm for purposes of updating the Automated Firearms System and the disposition of the firearm for purposes of notifying the California Department of Justice (DOJ) (See the Records Bureau Policy).

Prior to packaging and if the quantity allows, a presumptive test should be made on all suspected narcotics. If conducted, the results of this test shall be included in the deputy's report.

Narcotics and dangerous drugs shall be packaged in an envelope of appropriate size available in the report room. The booking deputy shall initial the sealed envelope and the initials covered with cellophane tape. Narcotics and dangerous drugs shall not be packaged with other property.

A completed property tag shall be attached to the outside of the container. The chain of evidence shall be recorded on the back of this tag.

Any changes in the location of property held by the Mono County Sheriff's Department shall be noted in the property logbook.

Mono County Sheriff's Department

Property and Evidence

The Property Officer releasing the evidence must complete the required information on the property log and the evidence. The lab forms will be transported with the property to the examining laboratory. Upon delivering the item involved, the deputy will record the delivery time on both copies, and indicate the locker in which the item was placed or the employee to whom it was delivered. The original copy of the lab form will remain with the evidence and the copy will be returned to the Records Bureau for filing with the case.

801.6.3 STATUS OF PROPERTY

Each person receiving property will make the appropriate entry to document the chain of evidence. Temporary release of property to deputies for investigative purposes, or for court, shall be noted on the property control card, stating the date, time and to whom released.

The Property Officer shall obtain the signature of the person to whom property is released, and the reason for release. Any employee receiving property shall be responsible for such property until it is properly returned to property or properly released to another authorized person or entity.

The return of the property should be recorded on the property control card, indicating date, time, and the person who returned the property.

The Investigations shall authorize the disposition or release of all evidence and property coming into the care and custody of the Office.

The release authorization shall be signed by the authorizing supervisor or detective and must conform to the items listed on the property form or must specify the specific item(s) to be released. Release of all property shall be documented on the property form.

With the exception of firearms and other property specifically regulated by statute, found property and property held for safekeeping shall be held for a minimum of 90 days. During such period, property personnel shall attempt to contact the rightful owner by telephone and/or mail when sufficient identifying information is available. Property not held for any other purpose and not claimed within 90 days after notification (or receipt, if notification is not feasible) may be auctioned to the highest bidder at a properly published public auction. If such property is not sold at auction or otherwise lawfully claimed, it may thereafter be destroyed (Civil Code § 2080.6). The final disposition of all such property shall be fully documented in related reports.

A Property Officer shall release the property upon proper identification being presented by the owner for which an authorized release has been received. A signature of the person receiving the

The Office is not required to retain any firearm or other deadly weapon longer than 180 days after notice has been provided to the owner that such firearm or other deadly weapon is available for return. At the expiration of such period, the firearm or other deadly weapon may be processed for disposal in accordance with applicable law (Penal Code § 33875).

801.6.6 DISPUTED CLAIMS TO PROPERTY

Occasionally more than one party may claim an interest in property being held by the Office, and the legal rights of the parties cannot be clearly established. Such property shall not be released until one party has obtained a valid court order or other undisputed right to the involved property.

All parties should be advised that their claims are civil and in extreme situations, legal counsel for the Office may wish to file an interpleader to resolve the disputed claim (Code of Civil Procedure § 386(b)).

801.6.7 CONTROL OF NARCOTICS AND DANGEROUS DRUGS

The Investigations will be responsible for the storage, control and destruction of all narcotics and dangerous drugs coming into the custody of this office, including paraphernalia as described in Health and Safety Code § 11364.

Records Bureau

802.1 PURPOSE AND SCOPE

This policy establishes the guidelines for the operational functions of the Mono County Sheriff's Department Records Bureau. The policy addresses office file access and internal requests for case reports.

802.2 POLICY

It is the policy of the Mono County Sheriff's Department to maintain office records securely, professionally and efficiently.

802.3 DETERMINATION OF FACTUAL INNOCENCE

In any case where a person has been arrested by deputies of the Mono County Sheriff's Department and no accusatory pleading has been filed, the person arrested may petition the Office to destroy the related arrest records. Petitions should be forwarded to the Administration Supervisor. The Administration Supervisor should promptly contact the prosecuting attorney and request a written opinion as to whether the petitioner is factually innocent of the charges (Penal Code § 851.8). Factual innocence means the accused person did not commit the crime.

Upon receipt of a written opinion from the prosecuting attorney affirming factual innocence, the Administration Supervisor should forward the petition to the Investigations Supervisor and the County Counsel for review. After such review and consultation with the County Counsel, the Investigations Supervisor and the Administration Supervisor shall decide whether a finding of factual innocence is appropriate.

Upon determination that a finding of factual innocence is appropriate, the Administration Supervisor shall ensure that the arrest record and petition are sealed for later destruction and the required notifications are made to the California DOJ and other law enforcement agencies (Penal Code § 851.8).

The Administration Supervisor should respond to a petition with the Office's decision within 45 days of receipt. Responses should include only the decision of the Office, not an explanation of the analysis leading to the decision.

802.4 ARREST WITHOUT FILING OF ACCUSATORY PLEADING

The Operations Division Commander should ensure a process is in place for when an individual is arrested and released and no accusatory pleading is filed so that the following occurs (Penal Code § 849.5; Penal Code § 851.6):

- (a) The individual is issued a certificate describing the action as a detention.
- (b) All references to an arrest are deleted from the arrest records of the Office and the record reflects only a detention.
- (c) The California DOJ is notified.

Records Bureau

802.5 CONFIDENTIALITY

Records Bureau staff has access to information that may be confidential or sensitive in nature. Records Bureau staff shall not access, view or distribute, or allow anyone else to access, view or distribute any record, file or report, whether in hard copy or electronic file format, or any other confidential, protected or sensitive information except in accordance with the Records Maintenance and Release and Protected Information policies and the Records Bureau procedure manual.

802.6 ORIGINAL CASE REPORTS

Generally, original case reports shall not be removed from the Records Bureau. Should an original case report be needed for any reason, the requesting office member shall first obtain authorization from the Records Manager. All original case reports removed from the Records Bureau shall be recorded on a designated report check-out log, which shall be the only authorized manner by which an original case report may be removed from the Records Bureau.

All original case reports to be removed from the Records Bureau shall be photocopied and the photocopy retained in the file location of the original case report until the original is returned to the Records Bureau. The photocopied report shall be shredded upon return of the original report to the file.

802.7 FILE ACCESS AND SECURITY

The security of files in the Records Bureau must be a high priority and shall be maintained as mandated by state or federal law. All case reports including, but not limited to, initial, supplemental, follow-up, evidence and any other reports related to a sheriff's office case, including field interview (FI) cards, criminal history records and publicly accessible logs, shall be maintained in a secure area within the Records Bureau, accessible only by authorized members of the Records Bureau. Access to case reports or files when Records Bureau staff is not available may be obtained through the Watch Commander.

The Records Bureau will also maintain a secure file for case reports deemed by the Sheriff as sensitive or otherwise requiring extraordinary access restrictions.

Restoration of Firearm Serial Numbers

803.1 PURPOSE AND SCOPE

The primary purpose for restoring firearm serial numbers is to determine the prior owners or origin of the item from which the number has been recovered. Thus, property can be returned to rightful owners or investigations can be initiated to curb illegal trade of contraband firearms. The purpose of this plan is to develop standards, methodologies, and safety protocols for the recovery of obliterated serial numbers from firearms and other objects using procedures that are accepted as industry standards in the forensic community. All personnel who are involved in the restoration of serial numbers will observe the following guidelines. This policy complies with Penal Code § 11108.9.

803.2 PROCEDURE

Any firearm coming into the possession of the Mono County Sheriff's Department as evidence, found property, etc., where the serial numbers have been removed or obliterated will be processed in the following manner:

803.2.1 PRELIMINARY FIREARM EXAMINATION

- (a) Always keep the muzzle pointed in a safe direction. Be sure the firearm is in an unloaded condition. This includes removal of the ammunition source (e.g., the detachable magazine, contents of the tubular magazine) as well as the chamber contents.
- (b) If the firearm is corroded shut or in a condition that would preclude inspection of the chamber contents, treat the firearm as if it is loaded. Make immediate arrangements for a firearms examiner or other qualified examiner to render the firearm safe.
- (c) Accurately record/document the condition of the gun when received. Note the positions of the various components such as the safeties, cylinder, magazine, slide, hammer, etc. Accurately record/document cylinder chamber and magazine contents. Package the ammunition separately.
- (d) If the firearm is to be processed for fingerprints or trace evidence, process before the serial number restoration is attempted. First record/document important aspects such as halos on the revolver cylinder face or other relevant evidence that might be obscured by the fingerprinting chemicals.

803.2.2 PROPERTY BOOKING PROCEDURE

Any employee taking possession of a firearm with removed/obliterated serial numbers shall book the firearm into property following standard procedures. The employee booking the firearm shall indicate on the property form that serial numbers have been removed or obliterated.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Restoration of Firearm Serial Numbers

803.2.3 DEPUTY RESPONSIBILITY

The Property Officer receiving a firearm when the serial numbers have been removed or obliterated shall arrange for the firearm to be transported to the crime lab for restoration and maintain the chain of evidence.

803.2.4 DOCUMENTATION

Case reports are prepared in order to document the chain of custody and the initial examination and handling of evidence from the time it is received/collected until it is released.

This report must include a record of the manner in which and/or from whom the firearm was received. This may appear on the request form or property form depending on the type of evidence.

803.2.5 FIREARM TRACE

After the serial number has been restored (or partially restored) by the criminalistics laboratory, the Property Officer will complete a Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Tracing Center (NTC) Obliterated Serial Number Trace Request Form (ATF 3312.1-OBL) and forward the form to the NTC in Falling Waters, West Virginia or enter the data into the ATF eTrace system.

803.3 BULLET AND CASING IDENTIFICATION

Exemplar bullets and cartridge cases from the firearm, depending upon acceptance criteria and protocol, may be submitted to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Integrated Ballistic Information Network (NIBIN) which uses the Integrated Ballistic Identification System (IBIS) technology to search the national database and compare with ballistic evidence recovered from other crime scenes.

804.4.1 REQUESTS FOR RECORDS

Any member of the public, including the media and elected officials, may access unrestricted records of this office, during regular business hours by submitting a written and signed request that reasonably describes each record sought and paying any associated fees (Government Code § 6253).

The processing of requests for any record is subject to the following (Government Code § 6253):

- (a) The Office is not required to create records that do not exist.
- (b) Victims of an incident or their authorized representative shall not be required to show proof of legal presence in the United States to obtain office records or information. If identification is required, a current driver's license or identification card issued by any state in the United States, a current passport issued by the United States or a foreign government with which the United States has a diplomatic relationship or current Matricula Consular card is acceptable (Government Code § 6254.30).
- (c) Either the requested record or the reason for non-disclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If an extension is authorized, the Office shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.
 - 1. When the request does not reasonably describe the records sought, the Custodian of Records shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request including providing assistance for overcoming any practical basis for denying access to the records or information. The Custodian of Records shall also assist in describing the information technology and physical location in which the record exists (Government Code § 6253.1).
 - 2. If the record requested is available on the office website, the requester may be directed to the location on the website where the record is posted. If the requester is unable to access or reproduce the record, a copy of the record shall be promptly provided.

- (f) If a record request is denied in whole or part, the requester shall be provided a written response that includes the statutory exemption for withholding the record or facts that the public interest served by nondisclosure outweighs the interest served by disclosure (Government Code § 6255). The written response shall also include the names, titles or positions of each person responsible for the denial.

804.5 RELEASE RESTRICTIONS

Examples of release restrictions include:

- (a) Personal identifying information, including an individual's photograph; Social Security and driver identification numbers; name, address and telephone number; and medical or disability information that is contained in any driver license record, motor vehicle record or any office record, including traffic collision reports, are restricted except as authorized by the Office, and only when such use or disclosure is permitted or required by law to carry out a legitimate law enforcement purpose (18 USC § 2721; 18 USC § 2722).

Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Custodian of Records for review and processing. Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the District Attorney, County Counsel or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

Computers and Digital Evidence

806.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

806.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Deputies should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
 1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
 2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).
- (e) Label each item with case number, evidence sheet number, and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.
- (h) At minimum, deputies should document the following in related reports:
 1. Where the computer was located and whether or not it was in operation.
 2. Who was using it at the time.
 3. Who claimed ownership.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Computers and Digital Evidence

4. If it can be determined, how it was being used.
 - (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

806.2.1 BUSINESS OR NETWORKED COMPUTERS

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Deputies should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

806.2.2 FORENSIC EXAMINATION OF COMPUTERS

If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
- (c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
- (d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

806.3 SEIZING DIGITAL STORAGE MEDIA

Digital storage media, to include hard discs, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Property and Evidence Section to copy the contents to an appropriate form of storage media.
- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Computers and Digital Evidence

- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

806.4 SEIZING PCDS

Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Deputies should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.
- (b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a faraday bag, to prevent the device from sending or receiving information from its host network.
- (c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

806.5 DIGITAL EVIDENCE RECORDED BY OFFICERS

Deputies handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

806.5.1 COLLECTION OF DIGITAL EVIDENCE

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

806.5.2 SUBMISSION OF DIGITAL MEDIA

The following are required procedures for the submission of digital media used by cameras or other recorders:

- (a) All evidence collected (ie. photographs, audio recordings, etc.) shall be submitted and placed into evidence as soon as possible.
- (b) Where possible, the device should be connected to a computer and the files accessed directly from the computer directory or downloaded to a folder on the host computer to the storage media.
- (c) If the evidence is initially made onto a smart card, compact flash card, memory stick or any other digital media, it shall be transferred to a compact disk which will then be

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Computers and Digital Evidence

placed into evidence for future proceedings. After confirming that the evidence was successfully transferred onto a compact disk for evidence, the Deputies can erase the smart card, compact flash card, memory stick or other digital media for future use.

- (d) Deputies shall mark the compact disk as original, with some type of identification (ie. name, employee number, badge number, initials, etc.), and the associated case number. That item will then be placed into an evidence locker.
- (e) Deputies may review the digital media prior to submitting it into evidence. If Deputies need copies of photographs, audio recordings, etc. for use in court proceedings, they will need to contact the Property Custodian who will make the copy directly from the original compact disk that was placed into evidence.

806.5.3 PRESERVATION OF DIGITAL EVIDENCE

- (a) Property Custodians and/or their designees are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.
- (b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.
- (c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

Department members shall accept reports from detainees, prisoners and third parties and shall promptly document all reports (28 CFR 115.151).

If the first responder is not a deputy the responder shall request that the alleged victim not take any actions that could destroy physical evidence and should then notify a law enforcement staff member (28 CFR 115.164).

Investigators shall (28 CFR 115.171):

- (a) Gather and preserve direct and circumstantial evidence, including any available physical and biological evidence and any available electronic monitoring data.

901.5.3 ADMINISTRATIVE INVESTIGATIONS

Administrative investigations shall include an effort to determine whether staff actions or failures to act contributed to the abuse. The departure of the alleged abuser or victim from the employment or control of this department shall not be used as a basis for terminating an investigation (28 CFR 115.171).

901.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS

No detainee or prisoner who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

Detainee or prisoner victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment. Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident (28 CFR 115.182).

901.5.5 CONCLUSIONS AND FINDINGS

All completed investigations shall be forwarded to the Sheriff, or if the allegations may reasonably involve the Sheriff, to the County Administrator. The Sheriff or County Administrator shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for department members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member's disciplinary history and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with detainees or prisoners and reported to any relevant licensing bodies (28 CFR 115.177). The Sheriff shall take appropriate remedial measures and consider whether to prohibit further contact with detainees or prisoners by a contractor or volunteer.

901.6 RETALIATION PROHIBITED

All detainees, prisoners and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Watch Commander or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for detainee or prisoner victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for detainees,

prisoners or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

The Watch Commander or the authorized designee shall identify a staff member to monitor the conduct and treatment of detainees, prisoners or members who have reported sexual abuse and of detainees or prisoners who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy any such retaliation. In the case of detainees or prisoners, such monitoring shall also include periodic status checks.

901.7 REVIEWS AND AUDITS

901.7.1 INCIDENT REVIEWS

An incident review shall be conducted at the conclusion of every sexual abuse investigation, unless the allegation has been determined to be unfounded. The review should occur within 30 days of the conclusion of the investigation. The review team shall include upper-level management officials and seek input from line supervisors and investigators (28 CFR 115.186).

The review shall (28 CFR 115.186):

- (a) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect or respond to sexual abuse.
- (b) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender or intersex identification, status or perceived status; gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility.
- (c) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse.
- (d) Assess the adequacy of staffing levels in that area during different shifts.
- (e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. The report shall be submitted to the Sheriff and the PREA Coordinator. The Sheriff or the authorized designee shall implement the recommendations for improvement or shall document the reasons for not doing so (28 CFR 115.186).

901.7.2 DATA REVIEWS

The facility shall conduct an annual review of collected and aggregated incident-based sexual abuse data. The review should include, as needed, data from incident-based documents, including reports, investigation files and sexual abuse incident reviews (28 CFR 115.187).

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Prison Rape Elimination

The purpose of these reviews is to assess and improve the effectiveness of sexual abuse prevention, detection and response policies, practices and training. An annual report shall be prepared that includes (28 CFR 115.188):

- (c) Recommendations for any additional corrective actions.
- (d) A comparison of the current year's data and corrective actions with those from prior years.
- (e) An assessment of the department's progress in addressing sexual abuse.

The report shall be approved by the Sheriff and made readily available to the public through the department website or, if it does not have one, through other means. Material may be redacted from the reports when publication would present a clear and specific threat to the safety and security of the Temporary Holding Facility. However, the nature of the redacted material shall be indicated.

All aggregated sexual abuse data from Mono County Sheriff's Department facilities and private facilities with which it contracts shall be made readily available to the public at least annually through the department website or, if it does not have one, through other means. Before making aggregated sexual abuse data publicly available, all personal identifiers shall be removed (28 CFR 115.189).

901.8 RECORDS

The Department shall retain all written reports from administrative and criminal investigations pursuant to this policy for as long as the alleged abuser is held or employed by the Department, plus five years (28 CFR 115.171).

All other data collected pursuant to this policy shall be securely retained for at least 10 years after the date of the initial collection unless federal, state or local law requires otherwise (28 CFR 115.189).

901.9 TRAINING

All employees, volunteers and contractors who may have contact with detainees or prisoners shall receive department-approved training on the prevention and detection of sexual abuse and sexual harassment within this facility. The Training Sergeant shall be responsible for developing and administering this training as appropriate, covering at a minimum (28 CFR 115.131):

- The Department's zero-tolerance policy and the right of detainees and prisoners to be free from sexual abuse and sexual harassment, and from retaliation for reporting sexual abuse or harassment.

All current employees and volunteers who may have contact with detainees or prisoners shall be trained within one year of the effective date of the PREA standards. The agency shall provide annual refresher information to all such employees and volunteers to ensure that they understand the current sexual abuse and sexual harassment policies and procedures.

The deputy responsible for an individual in temporary custody should evaluate the person for any apparent chronic illness, disability, vermin infestation, possible communicable disease or any other potential risk to the health or safety of the individual or others. The deputy should specifically ask if the individual is contemplating suicide and evaluate him/her for obvious signs or indications of suicidal intent.

The receiving deputy should ask the arresting deputy if there is any statement, indication or evidence surrounding the individual's arrest and transportation that would reasonably indicate the individual is at risk for suicide or critical medical care. If there is any suspicion that the individual may be suicidal, he/she shall be transported to the County jail or the appropriate mental health facility.

Those who request to wear headscarves or simple head coverings for religious reasons should generally be accommodated absent unusual circumstances. Head coverings shall be searched before being worn.

Evaluation of Employees

1001.1 PURPOSE AND SCOPE

The Department's employee performance evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

1001.2 POLICY

The Mono County Sheriff's Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to sex, race, color, national origin, religion, age, disability or other protected classes.

1001.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and non-sworn supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

The evaluation form and the attached documentation shall be submitted as one package.

- (g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.
- (h) Not interfering with or denying the right of a member to make any complaint.
- (i) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.

1003.6 COMMAND STAFF RESPONSIBILITIES

The Sheriff should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

- (a) Communicating to all members the prohibition against retaliation.
- (b) The timely review of complaint investigations.
- (c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
- (d) The timely communication of the outcome to the complainant.

1003.7 WHISTLE-BLOWING

California law protects members who (Labor Code § 1102.5; Government Code § 53296 et seq.):

- (a) Report a violation of a state or federal statute or regulation to a government or law enforcement agency, including the member's supervisor or any other member with the authority to investigate the reported violation.
- (b) Provide information or testify before a public body if the member has reasonable cause to believe a violation of law occurred.
- (c) Refuse to participate in an activity that would result in a violation of a state or federal statute or regulation.
- (d) File a complaint with a local agency about gross mismanagement or a significant waste of funds, abuse of authority or a substantial and specific danger to public health or safety. Members shall exhaust all available administrative remedies prior to filing a formal complaint.
- (e) Are family members who have engaged in any protected acts described above.

Members are encouraged to report any legal violations through the chain of command (Labor Code § 1102.5).

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Administrative Lieutenant for investigation pursuant to the Personnel Complaints Policy.

1003.7.1 DISPLAY OF WHISTLE-BLOWER LAWS

The Department shall display a notice to members regarding their rights and responsibilities under the whistle-blower laws, including the whistle-blower hotline maintained by the Office of the Attorney General (Labor Code § 1102.8).

1003.8 RECORDS RETENTION AND RELEASE

The Records Manager shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

1003.9 TRAINING

The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

Reporting of Employee Convictions

1004.1 PURPOSE AND SCOPE

Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Office of any past and current criminal convictions.

The Administration Supervisor shall submit in a timely manner a notice to the Commission on Peace Officer Standards and Training (POST) of any appointment, termination, reinstatement, name change or status change regarding any peace officer, reserve peace officer, public safety dispatcher and records supervisor employed by this office (11 CCR 1003).

The Administration Supervisor shall submit in a timely manner a notice to POST of a felony conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this office or any former peace officer if this office was responsible for the investigation (11 CCR 1003).

1004.2 DOMESTIC VIOLENCE CONVICTIONS, OUTSTANDING WARRANTS AND RESTRAINING ORDERS

California and federal law prohibit individuals convicted of, or having an outstanding warrant for, certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1004.3 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS

Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee's ability to fully perform the duties of the job.

Outstanding warrants as provided in Penal Code § 29805 also place restrictions on a member's ability to possess a firearm.

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this office may be inherently in conflict with law enforcement duties and the public trust.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Reporting of Employee Convictions

1004.4 REPORTING PROCEDURE

All members of this office and all retired deputies with an identification card issued by the Office shall promptly notify their immediate supervisor (or the Sheriff in the case of retired deputies) in writing of any past or current criminal arrest, outstanding warrant or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired deputies with an identification card issued by the Office shall further promptly notify their immediate supervisor (or the Sheriff in the case of retired deputies) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order or becomes the subject of an outstanding warrant.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member on his/her own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1004.5 PROCEDURE FOR RELIEF

Pursuant to Penal Code § 29855, a peace officer may petition the court for permission to carry a firearm following a conviction under state law. Federal law, however, does not provide for any such similar judicial relief and the granting of a state court petition under Penal Code § 29855 will not relieve one of the restrictions imposed by federal law. Therefore, relief for any employee falling under the restrictions imposed by federal law may only be obtained by expungement of the conviction. Each employee shall seek relief from firearm restrictions on their own time and through their own resources.

Pursuant to Family Code § 6389(h), an individual may petition the court for an exemption to any restraining order, which would thereafter permit the individual to carry a firearm as a part of their employment. Relief from any domestic violence or other restriction shall also be pursued through the employee's own resources and on the employee's own time.

Pending satisfactory proof of relief from any legal restriction imposed on an employee's duties, the employee may be placed on administrative leave, reassigned or disciplined. The Office may, but is not required to return an employee to any assignment, reinstate any employee or reverse any pending or imposed discipline upon presentation of satisfactory proof of relief from any legal restriction set forth in this policy.

Drug- and Alcohol-Free Workplace

1005.1 PURPOSE AND SCOPE

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace.

1005.2 POLICY

It is the policy of this office to provide a drug- and alcohol-free workplace for all members.

1005.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on office time can endanger the health and safety of office members and the public. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Watch Commander or appropriate supervisor as soon as the member is aware that he/she will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, he/she shall be immediately removed and released from work (see Work Restrictions in this policy).

1005.3.1 USE OF MEDICATIONS

Members should avoid taking any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to his/her immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Office while taking any medication that has the potential to impair his/her abilities, without a written release from his/her physician.

1005.3.2 USE OF MARIJUANA

Possession of marijuana, including medical marijuana, or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

1005.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on office premises or on office time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Drug- and Alcohol-Free Workplace

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1005.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1005.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Office.

1005.7 REQUESTING SCREENING TESTS

The supervisor may request an employee to submit to a screening test under the following circumstances:

- (a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing his/her ability to perform duties safely and efficiently.
- (b) The employee discharges a firearm, other than by accident, in the performance of his/her duties.
- (c) During the performance of his/her duties, the employee drives a motor vehicle and becomes involved in an incident that results in bodily injury to him/herself or another person, or substantial damage to property.

1005.7.1 SUPERVISOR RESPONSIBILITY

The supervisor shall prepare a written record documenting the specific facts that led to the decision to request the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Drug- and Alcohol-Free Workplace

- (b) The result of the test is not admissible in any criminal proceeding against the employee.
- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1005.7.2 SCREENING TEST REFUSAL

An employee may be subject to disciplinary action if he/she:

- (a) Fails or refuses to submit to a screening test as requested.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that he/she took the controlled substance as directed, pursuant to a current and lawful prescription issued in his/her name.
- (c) Violates any provisions of this policy.

1005.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Office will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1005.9 CONFIDENTIALITY

The Office recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately from the employee's other personnel files.

Sick Leave

1006.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the County personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.) and the California Family Rights Act, and leave related to domestic violence, sexual assault, stalking or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Labor Code § 230.1; Labor Code § 1510).

1006.2 POLICY

It is the policy of the Mono County Sheriff's Department to provide eligible employees with a sick leave benefit.

1006.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

1006.3.1 NOTIFICATION

All members should notify the Watch Commander or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor (Labor Code § 246).

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Office with no less than 30 days' notice of the impending absence (Labor Code § 246).

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Sick Leave

1006.4 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days after the first three days of paid sick leave are used in a 12-month period.

1006.5 REQUIRED NOTICES

The Human Resources shall ensure:

- (a) Written notice of the amount of paid sick leave available is provided to employees as provided in Labor Code § 246.
- (b) A poster is displayed in a conspicuous place for employees to review that contains information on paid sick leave as provided in Labor Code § 247.

1006.6 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.
- (b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Department of Human Resources as appropriate.
- (c) Addressing absences and sick leave use in the member's performance evaluation when excessive or unusual use has:
 1. Negatively affected the member's performance or ability to complete assigned duties.
 2. Negatively affected office operations.
- (d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.
- (e) Referring eligible members to an available employee assistance program when appropriate.

Communicable Diseases

1007.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of office members contracting and/or spreading communicable diseases.

1007.1.1 DEFINITIONS

Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

Exposure - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Mono County Sheriff's Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

1007.2 POLICY

The Mono County Sheriff's Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

1007.3 EXPOSURE CONTROL OFFICER

The Sheriff will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure-prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
- (c) The provision that office members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) for each member's position and risk of exposure.
- (d) Evaluation of persons in custody for any exposure risk and measures to separate them (15 CCR 1051; 15 CCR 1207).
- (e) Compliance with all relevant laws or regulations related to communicable diseases, including:
 1. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).
 2. Bloodborne pathogen mandates including (8 CCR 5193):

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Communicable Diseases

- (a) Sharps injury log.
 - (b) Needleless systems and sharps injury protection.
 3. Airborne transmissible disease mandates including (8 CCR 5199):
 - (a) Engineering and work practice controls related to airborne transmissible diseases.
 - (b) Distribution of appropriate personal protective equipment to minimize exposure to airborne disease.
 4. Promptly notifying the county health officer regarding member exposures (Penal Code § 7510).
 5. Establishing procedures to ensure that members request exposure notification from health facilities when transporting a person that may have a communicable disease and that the member is notified of any exposure as required by Health and Safety Code § 1797.188.
 6. Informing members of the provisions of Health and Safety Code § 1797.188 (exposure to communicable diseases and notification).
- (f) Provisions for acting as the designated officer liaison with health care facilities regarding communicable disease or condition exposure notification. The designated officer should coordinate with other office members to fulfill the role when not available. The designated officer shall ensure that the name, title and telephone number of the designated officer is posted on the Office website (Health and Safety Code § 1797.188).

The ECO should also act as the liaison with the Division of Occupational Safety and Health (Cal/ OSHA) and may request voluntary compliance inspections. The ECO shall annually review and update the exposure control plan and review implementation of the plan (8 CCR 5193).

1007.4 EXPOSURE PREVENTION AND MITIGATION

1007.4.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes, but is not limited to (8 CCR 5193):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area or office vehicles, as applicable.
- (b) Wearing office-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Communicable Diseases

- (e) Using an appropriate barrier device when providing CPR.
- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.
 - 1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.
- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

1007.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

1007.5 POST EXPOSURE

1007.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practicable.

1007.5.2 REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (8 CCR 5193):

- (a) Name and Social Security number of the member exposed
- (b) Date and time of the incident
- (c) Location of the incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Communicable Diseases

- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting Policy).

1007.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Office members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

1007.5.4 COUNSELING

The Office shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (8 CCR 5193).

1007.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
- (c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).
- (d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Communicable Diseases

of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).

- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the County Counsel to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1007.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

1007.7 TRAINING

All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (8 CCR 5193):

- (a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

Smoking Policy

1008.1 PURPOSE AND SCOPE

The Surgeon General has determined that second-hand smoke is hazardous to health. Tobacco products may also be offensive to employees and the public.

1008.2 POLICY

Smoking is not permitted inside department facilities or any department vehicle. It shall also be the responsibility of all employees to ensure that no person smokes inside department facilities and vehicles.

No person shall smoke tobacco products within 20 feet of a main entrance, exit, or operable window of any public building (including any Department facility), or buildings on the campuses of the University of California, California State University and California community colleges, whether present for training, enforcement, or any other purpose (Government Code § 7596 et seq.).

Employees in uniform are also prohibited from smoking or using tobacco products while in public view.

Personnel Complaints

1009.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Mono County Sheriff's Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1009.2 POLICY

The Mono County Sheriff's Department takes seriously all complaints regarding the service provided by the Office and the conduct of its members.

The Office will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this office to ensure that the community can report misconduct without concern for reprisal or retaliation.

1009.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of office policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate office policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Office.

1009.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Watch Commander is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Administrative Lieutenant, depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Administrative Lieutenant, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

Mono County Sheriff's Department

Personnel Complaints

1009.3.2 SOURCES OF COMPLAINTS

The following applies to the source of complaints:

- (a) Individuals from the public may make complaints in any form, including in writing, by email, in person or by telephone.
- (b) Any office member becoming aware of alleged misconduct shall immediately notify a supervisor.
- (c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.
- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.

1009.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1009.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in a clearly visible location in the public area of the sheriff's facility and be accessible through the office website. Forms may also be available at other County facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

1009.4.2 ACCEPTANCE

All complaints will be courteously accepted by any office member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

A complainant shall be provided with a copy of his/her statement at the time it is filed with the Office (Penal Code § 832.7).

1009.4.3 AVAILABILITY OF WRITTEN PROCEDURES

The Office shall make available to the public a written description of the investigation procedures for complaints (Penal Code § 832.5).

1009.5 DOCUMENTATION

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Personnel Complaints

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Office should audit the log and send an audit report to the Sheriff or the authorized designee.

1009.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows.

1009.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Sheriff or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - 1. The original complaint form will be directed to the Watch Commander of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
 - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Division Commander or the Sheriff, who will initiate appropriate action.
- (b) Responding to all complainants in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
 - 1. Follow-up contact with the complainant should be made within 24 hours of the Office receiving the complaint.
 - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Watch Commander.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Watch Commander and the Sheriff are notified via the chain of command as soon as practicable.
- (e) Promptly contacting the Department of Human Resources and the Watch Commander for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic or other forms of prohibited harassment or discrimination.

1009.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

 - 1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Lybarger* advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related

investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).

2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.
 - (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
 - (j) All members shall provide complete and truthful responses to questions posed during interviews.
 - (k) No member may be requested or compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any deputy solely because the deputy has been placed on a prosecutor's *Brady* list or the name of the deputy may otherwise be subject to disclosure pursuant to *Brady v. Maryland*. However, an investigation may be based on the underlying acts or omissions for which the deputy has been placed on a *Brady* list or may otherwise be subject to disclosure pursuant to *Brady v. Maryland* (Government Code § 3305.5).

1009.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve office members. Complaints that are determined to be frivolous will fall within the classification of unfounded.

Exonerated - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

Not sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

1009.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

1009.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

1009.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

Lockers and storage spaces may only be administratively searched in the member's presence, with the member's consent, with a valid search warrant or where the member has been given reasonable notice that the search will take place (Government Code § 3309).

1009.8 ADMINISTRATIVE LEAVE

Any employee placed on administrative leave:

- (a) May be required to relinquish any office badge, identification, assigned weapons and any other office equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

1009.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Sheriff shall be notified as soon as practicable when a member is accused of criminal conduct. The Sheriff may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of his/her constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

The Mono County Sheriff's Department may release information concerning the arrest or detention of any member, including a deputy, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

1009.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Sheriff through the chain of command. Each level of command should review the report and include his/her comments in writing before forwarding the report. Personnel Complaints

1009.10.1 DIVISION COMMANDER RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Division Commander of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Division Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Sheriff, the Division Commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Sheriff, the Division Commander shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

1009.10.2 SHERIFF RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Sheriff shall review the recommendation and all accompanying materials. The Sheriff may modify any recommendation and/or may return the file to the Division Commander for further investigation or action.

Once the Sheriff is satisfied that no further investigation or action is required by staff, the Sheriff shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Sheriff shall provide the member with a pre-disciplinary procedural due process hearing (*Skelly*) by providing written notice of the charges, proposed action and reasons for the proposed action. Written notice shall be provided within one year from the date of discovery of the misconduct (Government Code § 3304(d)). The Sheriff shall also provide the member with:

- (a) Access to all of the materials considered by the Sheriff in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Sheriff within five days of receiving the notice.
 1. Upon a showing of good cause by the member, the Sheriff may grant a reasonable extension of time for the member to respond.
 2. If the member elects to respond orally, the presentation may be recorded by the Office. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Sheriff shall consider all information received in regard to the recommended discipline. The Sheriff shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Sheriff has issued a written decision, the discipline shall become effective.

1009.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Sheriff or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(e)).

1009.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Sheriff after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Sheriff to consider.
- (d) In the event that the Sheriff elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.

1009.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

1009.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, Memorandum of Understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that a deputy has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such *Brady* evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

1009.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary deputy subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Sheriff or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Sheriff shall be final.

1009.15 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

Seat Belts

1010.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in office vehicles (Vehicle Code § 27315.5).

1010.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

1010.2 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this office while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

1010.3 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES

Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any office vehicle with a prisoner restraint system or, when a prisoner restraint system is not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

1010.4 INOPERABLE SEAT BELTS

Office vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Office vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Sheriff.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1010.5 POLICY

It is the policy of the Mono County Sheriff's Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

Seat Belts

1010.6 TRANSPORTING CHILDREN

Children under the age of 8 shall be transported in compliance with California's child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

1010.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

1010.8 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Upon receipt of any such request, the responsible person shall notify the affected member as soon as practicable that such a request has been made (Evidence Code § 1043).

The responsible person shall further ensure that an appropriate response to the request is made in a timely manner, consistent with applicable law. In many cases, this may require assistance of available legal counsel.

All requests for disclosure that result in access to a member's personnel records shall be logged in the corresponding file.

1012.9 RETENTION AND PURGING

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

- (a) During the preparation of each member's performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy, if any, to progressive discipline, training and career development. Each supervisor responsible for completing the member's performance evaluation should determine whether any prior sustained disciplinary file should be retained beyond the required period for reasons other than pending litigation or other ongoing legal proceedings.
- (b) If a supervisor determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Sheriff.
- (c) If, in the opinion of the Sheriff, a personnel complaint or disciplinary action maintained beyond the required retention period is no longer relevant, all records of such matter may be destroyed in accordance with the established records retention schedule.

1012.10 MEMBER ACCESS TO HIS/HER OWN PERSONNEL RECORDS

Any member may request access to his/her own personnel records during the normal business hours of those responsible for maintaining such files. Request for Change of Assignment

1013.1 PURPOSE AND SCOPE

It is the intent of the Department that all requests for change of assignment are considered equally. To facilitate the selection process, the following procedure is established whereby all such requests will be reviewed on an equal basis as assignments are made.

Personnel wishing a change of assignment are to complete a Request for Change of Assignment form. The form should then be forwarded through the chain of command to their Lieutenant.

1013.2.1 PURPOSE OF FORM

All assignments an employee is interested in should be listed on the form.

The Request for Change of Assignment form will remain in effect until the end of the calendar year in which it was submitted. Effective January 1st of each year, employees still interested in new positions will need to complete and submit a new Change of Assignment Request form.

1013.3 SUPERVISOR'S COMMENTARY

The deputy's immediate supervisor shall make appropriate comments in the space provided on the form before forwarding it to the Lieutenant of the employee involved. In the case of patrol deputies, the Watch Commander must comment on the request with his/her recommendation before forwarding the request to the Lieutenant. If the Watch Commander does not receive the Change of Assignment Request Form, the Lieutenant will initial the form and return it to the employee without consideration.

- 30 hours in any 2 day (48 hour) period or
- 84 hours in any 7 day (168 hour) period

Except in very limited circumstances members should have a minimum of 8 hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve to off-duty status any member who has exceeded the above guidelines.

Limitations on the number of hours worked apply to shift changes, shift trades, rotation, holdover, training, general overtime and any other work assignments.

1014.8 APPEALS

An employee who is separated from paid employment or receives a reduction in salary resulting from a fitness for duty examination shall be entitled to an administrative appeal as outlined in the Personnel Complaints Policy.

Meal Periods and Breaks

1015.1 PURPOSE AND SCOPE

This policy regarding meals and breaks, insofar as possible shall conform to the policy governing all County employees that has been established by the County Administrator.

1015.1.1 MEAL PERIODS

Sworn employees and dispatchers shall remain on duty subject to call during meal breaks. All other employees are not on call during meal breaks unless directed otherwise by a supervisor.

Uniformed patrol deputies shall advise the Communications Center of their location prior to taking a meal period. Uniformed deputies should take their breaks within the County.

The time spent for the meal period shall not exceed the authorized time allowed.

1015.1.2 15 MINUTE BREAKS

Each employee is entitled to a 15 minute break, near the mid point, for each four-hour work period. Only one 15 minute break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of an employee's shift unless approved by a supervisor.

Employees normally assigned to the sheriff's facility shall remain in the sheriff's facility for their breaks. This would not prohibit them from taking a break outside the facility if on official business.

Field deputies will take their breaks in their assigned areas, subject to call and shall monitor their radios. When field deputies take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of the Communications Center.

Lactation Break Policy

1016.1 PURPOSE AND SCOPE

The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee's infant child (29 USC § 207 and Labor Code §§ 1030-1032).

1016.2 POLICY

It is the policy of this department to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing infant child (29 USC § 207 and Labor Code § 1030).

1016.3 LACTATION BREAK TIME

A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the employee's regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Employees desiring to take a lactation break shall notify Dispatch or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1016.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207 and Labor Code § 1031).

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.

1016.5 STORAGE OF EXPRESSED MILK

Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.

Payroll Record Procedures

1017.1 PURPOSE AND SCOPE

Payroll records are submitted to Administration and/or County Finance on a monthly basis for the payment of wages.

1017.1.1 RESPONSIBILITY FOR COMPLETION OF PAYROLL RECORDS

The Department Finance Officer is responsible for accurate and timely submission of payroll records to County Finance for the payment of wages. Each individual employee is responsible for reviewing their personal payroll records to ensure it is accurate.

1017.1.2 TIME REQUIREMENTS

All employees are paid on a monthly basis usually at the end of each month, with certain exceptions such as holidays. Payroll records shall be completed and submitted to County Finance by the Department Finance Officer, usually immediately after the 20th of each month, unless directed otherwise.

Overtime Compensation Requests

1018.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practical after overtime is worked.

1018.1.1 DEPARTMENT POLICY

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed 480 hours of compensatory time.

1018.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administration Division.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1018.2.1 EMPLOYEES RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Watch Commander. Employees submitting overtime cards for on-call pay when off duty shall submit cards to the Watch Commander the first day after returning for work.

1018.2.2 SUPERVISORS RESPONSIBILITY

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

1018.2.3 DIVISION COMMANDERS RESPONSIBILITY

Division Commanders, will routinely monitor overtime worked by employees.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

Overtime Compensation Requests

1018.3 ACCOUNTING FOR OVERTIME WORKED

Employees are to record the actual time worked in an overtime status. In some cases, the Memorandum of Understanding provides that a minimum number of hours will be paid, (e.g., two hours for Court, four hours for callouts). The supervisor will verify the actual time worked.

1018.3.1 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other deputy, the Watch Commander or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

Outside Employment

1019.1 PURPOSE AND SCOPE

In order to avoid actual or perceived conflicts of interest for office employees engaging in outside employment, all employees shall obtain written approval from the Sheriff prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Sheriff in accordance with the provisions of this policy.

1019.1.1 DEFINITIONS

Outside Employment - Any member of this office who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this office for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this office for services, product(s) or benefits rendered.

Outside Overtime - Any member of this office who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this office so that the Office may be reimbursed for the cost of wages and benefits.

1019.2 OBTAINING APPROVAL

No member of this office may engage in any outside employment without first obtaining prior written approval of the Sheriff. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through channels to the Sheriff for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which the permit is approved. Any employee seeking to renew a permit shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

1019.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT

If an employee's Outside Employment Application is denied or withdrawn by the Office, the employee may file a written notice of appeal to the Sheriff within ten days of the date of denial.

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current Memorandum of Understanding (MOU).

Any outside employment permit may be revoked or suspended under the following circumstances:

- (a) Should an employee's performance at this office decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Sheriff may, at his or her discretion, revoke any previously approved outside employment permit(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit
- (b) Suspension or revocation of a previously approved outside employment permit may be included as a term or condition of sustained discipline
- (c) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of office policy, the permit may be suspended or revoked
- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subject to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status

1019.3 PROHIBITED OUTSIDE EMPLOYMENT

Consistent with the provisions of Government Code § 1126, the Office expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

- (a) Involves the employee's use of office time, facilities, equipment or supplies, the use of the Office badge, uniform, prestige or influence for private gain or advantage.
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this office for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this office.
- (c) Involves the performance of an act in other than the employee's capacity as a member of this office that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this office.
- (d) Involves time demands that would render performance of the employee's duties for this office less efficient.

1019.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT

Consistent with the provisions of Penal Code § 70, and because it would further create a potential conflict of interest, no member of this office may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Mono County Sheriff's Department

Mono County Sheriff Patrol Policy Manual

 5. Outside security services shall not be subject to the collective bargaining process.
 6. No deputy may engage in outside employment as a peace officer for any other public agency without prior written authorization of the Sheriff.

1019.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE

Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to office policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

1019.3.3 SPECIAL RESTRICTIONS

Except for emergency situations or with prior authorization from the Division Commander, undercover deputies or deputies assigned to covert operations shall not be eligible to work overtime or other assignments in a uniformed or other capacity which might reasonably disclose the deputy's law enforcement status.

1019.4 OFFICE RESOURCES

Outside Employment

1019.4.1 REVIEW OF FINANCIAL RECORDS

Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest (Government Code § 3308; Government Code § 1126). Prior to providing written approval for an outside employment position, the Office may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Office becomes concerned that a conflict of interest exists based on a financial reason, the Office may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to the Revocation/Suspension of Outside Employment Permits section of this policy.

1019.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Sheriff any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

1019.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY

Office members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Sheriff whether such outside employment should continue.

In the event the Sheriff determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

Criteria for revoking the outside employment permit include, but are not limited to, the following:

- (a) The outside employment is medically detrimental to the total recovery of the disabled member, as indicated by the County's professional medical advisors.

- (a) Under no circumstances shall any Modified Duty assignment be made permanent.

The final approval of the Modified Duty assignments or the extension thereof, lies with the Sheriff or his designee.

This policy is not intended to address qualified employees with a disability, as defined by the provision of the Fair Employment and Housing Act ("FEHA") and/or the Americans with Disabilities Act ("ADA") and accompanying regulations, from requesting reasonable accommodations. Nothing in this policy shall preclude an employee from separately requesting an accommodation pursuant to those statutes and regulations.

The pregnant employee shall notify their supervisor when they are pregnant and when a physician has given them restrictions or limitations that prevent them from performing any aspect of their job.

An involuntary Modified Duty assignment due to pregnancy may occur if the Department can establish that the employee is no longer capable of performing their normal duties.

Leave taken during the pregnancy and post partum shall be governed by existing Family Medical Leave Act, California Family Rights Act, and California Pregnancy Disability Leave law.

Employee Speech, Expression and Social Networking

1025.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or deputy associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1025.1.1 APPLICABILITY

This policy applies to all forms of communication including, but not limited to, film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video and other file-sharing sites.

1025.2 POLICY

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Mono County Sheriff's Department will carefully balance the individual employee's rights against the Department's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1025.3 SAFETY

Employees should consider carefully the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of the Mono County Sheriff's Department employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee's family or

associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of a deputy who is working undercover.
- Disclosing the address of a fellow deputy.
- Otherwise disclosing where another deputy can be located off-duty.

1025.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT

To meet the department's safety, performance and public-trust needs, the following are prohibited unless the speech is otherwise protected (for example, an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or deputy associations, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Mono County Sheriff's Department or its employees.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Mono County Sheriff's Department and tends to compromise or damage the mission, function, reputation or professionalism of the Mono County Sheriff's Department or its employees. Examples may include:
 1. Statements that indicate disregard for the law or the state or U.S. Constitution.
 2. Expression that demonstrates support for criminal activity.
 3. Participating in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example, posting statements or expressions to a website that glorify or endorse dishonesty, unlawful discrimination or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example, a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Mono County Sheriff's Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department

for financial or personal gain, or any disclosure of such materials without the express authorization of the Sheriff or the authorized designee.

- (g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the Mono County Sheriff's Department on any personal or social networking or other website or web page, without the express authorization of the Sheriff.
- (h) Accessing websites for non-authorized purposes, or use of any personal communication device, game device or media device, whether personally or department-owned, for personal purposes while on-duty, except in the following circumstances:
 1. When brief personal communication may be warranted by the circumstances (e.g., inform family of extended hours).
 2. During authorized breaks such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1025.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or deputy associations, employees may not represent the Mono County Sheriff's Department or identify themselves in any way that could be reasonably perceived as representing the Mono County Sheriff's Department in order to do any of the following, unless specifically authorized by the Sheriff (Government Code § 3206; Government Code § 3302):

- (a) Endorse, support, oppose or contradict any political campaign or initiative.
- (b) Endorse, support, oppose or contradict any social issue, cause or religion.
- (c) Endorse, support or oppose any product, service, company or other commercial entity.
- (d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video, public broadcast or on any website.

Additionally, when it can reasonably be construed that an employee, acting in his/her individual capacity or through an outside group or organization (e.g., bargaining group or deputy associations), is affiliated with this department, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the Mono County Sheriff's Department.

Mono County Sheriff's Department

Employee Speech, Expression and Social Networking

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or deputy associations, on political subjects and candidates at all times while off-duty.

However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

1025.5 PRIVACY EXPECTATION

Employees forfeit any expectation of privacy with regard to e-mails, texts or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any department technology system.

The Department reserves the right to access, audit and disclose for whatever reason any message, including attachments, and any information accessed, transmitted, received or reviewed over any technology that is issued or maintained by the Department. This includes the department e-mail system, computer network or any information placed into storage on any department system or device.

It also includes records of all key strokes or web-browsing history made at any department computer or over any department network.

The fact that access to a database, service or website requires a user name or password will not create an expectation of privacy if it is accessed through a department computer or network. However, the Department may not require an employee to disclose a personal user name or password or open a personal social website, except when access is reasonably believed to be relevant to the investigation of allegations of work related misconduct (Labor Code § 980).

1025.6 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Sheriff or authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.
- (e) Whether similar speech or conduct has been previously authorized.

Mono County Sheriff's Department

Employee Speech, Expression and Social Networking

- (f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

1025.7 TRAINING

Subject to available resources, the Department should provide training regarding employee speech and the use of social networking to all members of the Department.
