2023 Tax Year State and Federal Credits

2023 Tax Year State and Federal Credits

It's Your Money, You Earned It!

THE STATE AND FEDERAL EARNED INCOME TAX CREDITS (EITCs) are impactful tax credits for people who work full- or part-time. This means extra cash in your pocket. If you have income from work, you can file your returns and claim your EITC refunds, even if you don't owe any income tax. You can also file amended federal returns for the previous three years and amended state returns for the previous four years, if you did not claim your EITC or Child Tax Credit (CTC) in prior years. There is no late filing penalty if you do not have a tax liability in the prior years.

The EITC refunds are not counted as income when your CalWORKs, CalFresh or Medi-Cal benefits are calculated. Ask your eligibility worker for more details.

CALIFORNIA EITC (CalEITC) requires filing your state tax return (form 540 2EZ or 540) and form FTB 3514. CalEITC is available for working individuals at least 18 years of age or older. The age limit does not apply if the individual has a qualifying child. Tax filers must have lived in California for at least six months of the tax year to qualify. **CalEITC eligibility can be claimed by taxpayers who have either a Social Security Number or Individual Taxpayer Identification Number.**

Tax Year 2023 CalEITC Income Limits

Number of Qualifying Children	State EITC Income Limits	State EITC Maximum Credits
None	\$30,950	\$285
1	\$30,950	\$1,900
2	\$30,950	\$3,137
3 or more	\$30,950	\$3,529

FEDERAL EITC requires filing your federal tax return (form 1040EZ, 1040 or 1040A) and the Schedule Earned Income Credit. For 2023, if you don't have a qualifying child, filers must be at least 25 years old, but under 65 years old at the end of the tax year to qualify. The age limit does not apply if you have a qualifying child.

Tax Year 2023 Federal EITC Income Limits

Number of Qualifying Children	Single, Head of Household or Widowed	Married Filing Jointly	Federal EITC Maximum Credits (Up To)
None	\$17,640	\$24,210	\$600
1	\$45,560	\$53,120	\$3,995
2	\$52,918	\$59,478	\$6,604
3 or more	\$56,838	\$63,398	\$7,430

California Young Child Tax Credit (YCTC)

The California Young Child Tax Credit is up to \$1,117 per family for tax year 2023 and adjusted for inflation annually in future years. Families must have at least one qualifying child under 6 years old at the end of the tax year, must file a California state tax return, and meet the requirements of the CalEITC. As of tax year 2022 forward, taxpayers do not need to have earned income to be eligible. However, you must otherwise meet CalEITC and YCTC requirements. Note that taxpayers without at least \$1 of earned income will not qualify for CalEITC.

New Foster Youth Tax Credit (FYTC)

The Foster Youth Tax Credit is available for tax year 2023. You may be eligible for up to \$1,117 in a refundable credit if you meet all of the following criteria: qualify for CalEITC, were age 18 through 25 at end of tax year 2023, were in foster care at age 13 or older and placed through the California foster care system, and satisfy the foster care verification requirement.

Number of Qualifying Children	YCTC/ FYTC Max Income	YCTC Max Credit	FYTC Max Credit*
None	\$30,931	0	\$1,117
1	\$30,931	\$1,117	\$1,117
2	\$30,931	\$1,117	\$1,117
3 or more	\$30,931	\$1,117	\$1,117

* The Foster Youth Tax Credit is per eligible individual or up to \$2,234 if both primary taxpayer and spouse/Registered Domestic Partner qualify care verification requirement.
